The British ship Peterborough, 1,680 tons, Capt. Murchie, arrived in last evening, 33 days from Yokohama. The Peterborough, on the occasion of her last trip from the Orient to this port, made the run in the remarkably fast time of 24 days. Heavy easterly gales during the first few days of the trip just ended made the passage somewhat slower than it otherwise would have been. After being out about a week she encountered favorable winds, which were held until the 18th meridian was crossed. From that to port the winds varied from northeast to southeast. Cape Disappointment was sighted Thursday night, and on Friday evening a pilot got aboard near the lightship. The Peterborough is in ballast. It was not ascertained whether or not she comes here under charter. The crew consists of 27 men, all told, and Capt. Murchie is accompanied by his wife and three children. The Peterborough is 32 years old, but is "staunch and true," and one of the fastest sailers afloat.
