THE UNITED STATES paid Russia \$7,200,000 for Alaska and the seals. The English have said, if they swim out of our creeks, they belong to them. It's just like the crows coming over from Washington every day. They're sure to return towards night. They belong to Washington. We don't claim them. That's the dispute in a nutshell. It's just about like that with our fancy work baskets. As soon as they get away from our store the merchants of Portland or San Francisco get credit for having sold them. We don't want war, however. We'll arbitrate. Give the other fellows all the credit—but go on buying our baskets.

## BLOODSHED AND DEATH

### Polish Rioters at Detroit Kill Two and Injure Many.

### THE NAVAL COMMITTEE'S REPORT

The Delay in Adopting the American Tariff Affecting the English Markets.

Associated Press.

Detroit, Mich., April 18.—The trouble between the Polish strikers and city water commissioners culminated in a riot, bloodshed and death. Shortly after noon a crowd of Poles were so threatening, Engineer Williams attempted to withdraw the workmen peacefully. The men suddenly rushed upon Foreman Joe Cathaway and assaulted him with picks. Sheriff Collins stood addressing a section of the mob, when there suddenly was a rush with uplifted picks and shovels, and a second later revolvers began popping. Sheriff Collins emptied his revolver at the advancing rioters, and six deputies present followed suit. The dead are: Unknown Pole and Andrew Karnotski. The injured: Sheriff Collins, George Cathery, an unknown Pole, a man named Quadrupski, Laurez Kautwisk, Tony Gerkewski, Turnkey Streyaski, W. E. Frix, Andrew Bersig, John R. Fisher, an Evening News reporter. A score of physicians are now on the scene attending the injured.

### OUR NAVY.

It Should Be Strong Enough to Stand All Exigencies.

Washington, April 18.—The present and prospective naval strength of the United States, in comparison with that of foreign powers, is set forth in the report of the house committee on naval affairs, presented today by Chairman Cummings. The report states that the committee has recently concluded not to recommend the construction of a new battleship, because of the depleted condition of the treasury. It is urged, however, that there must be no halt in building up the navy. England proposes, says the report, to begin seven battleships of the first class, six cruisers of the second class and two sloops. Italy, with a depleted treasury, is preparing to build three first-class battleships, three cruisers, 12 torpedo boats and four transports. Germany, France and Russia are going to even greater lengths to secure the increase of their navies. The report further says: "In view of this fact it certainly would not be safe for the United States to build no more battleships. With increasing prosperity work should go on till the American navy is strong enough to stand all exigencies." The slight increase proposed by the committee will certainly not burden the country with taxation during the coming year, and with renewed prosperity the work can be continued in the future without overburdening the nation. The total loss of the Kearsarge leaves the Hartford, Admiral Farragut's flagship, the only vessel in the new navy, aside from the frigate Constitution, around which historical memories cluster. The committee, in accordance with the wishes of the navy department, have recommended liberal appropriations for her preservation, believing that public sentiment demands it. The committee have brought into the bill a clause providing for the naturalization of alien sailors and marines who have served on vessels for five consecutive years and have been granted honorable discharge. The total appropriation for the new navy is \$25,000,000.

### ENGLISH TRADE AFFECTED.

New York, April 18.—The Evening Post's London cable says: "The condition of American trade and the threatened delay in passing the tariff bill are causing uneasiness here and affecting all markets. If the tariff bill is not passed quickly it is feared that the position will approach a commercial crisis."

### HIGHER THAN WHEAT.

San Francisco, April 18.—For the first time in ten years, the price of barley in the local market rose above that of wheat. This was caused by the damage to the growing crop by dry weather and small stocks of old barley on hand. December barley closed at \$1.22. December wheat closed at \$1.20-1/2. For spot barley \$1.16 was offered.

### REDUCED HIS SURPLUS CASH.

Indianapolis, April 18.—W. H. Copeland, who yesterday shot Lawyer Harris and Litigant Bruning in the law office of Harrison, Miller & Elam, was arraigned in court today charged with shooting with intent to kill and carrying concealed weapons. Judge Stubbs fined Copeland \$250 on the latter charge.

Upon a protest of Copeland's attorneys this fine was stayed. Copeland was released on a \$5,000 bond.

### IN THE HOUSE.

A Variety of Subjects Touched and Some Personalities.

Washington, April 18.—The house devoted the entire day to debate on the consular and diplomatic appropriation bills. It touched a wide variety of subjects, and at times was brimful of interesting personalities. The Hawaiian policy of the present administration came in for a good share of attention. The appointment of Van Allen as minister to Italy provoked some very interesting discussion. It was ridiculed by the Republicans, who intimated that it was a direct regard for his \$50,000 contribution to the Democratic campaign fund. The Democrats, in defending the appointment, tried to counter on the Harrison administration by detailing the history of the \$400,000 campaign fund raised by ex-Postmaster General Wanamaker. Later in the day Wise, of Virginia, took up the authorship of the quorum-counting as a parliamentary and filibustering expedient, and quoted from the record to show that the first proposition in this line had been offered by J. Randolph Tucker, a Virginia Democrat.

### ELECTRIC PLANT BURNED.

The Largest Station On the Coast Destroyed.

Sacramento, Cal., April 18.—The entire electric plant of the Capital Gas Company, which holds the contract for lighting the city and running the street cars, burned at 8 o'clock this morning. Twenty-four dynamos were burned and half a dozen of the most powerful engines practically destroyed. The plant was one of the largest on the coast, and contained the finest modern machinery obtainable. The origin of the fire was the coming in contact of electric wires at the switchboard. Total loss, \$300,000. Unless the car company can make arrangements to secure horses to operate its extensive lines, the people will be entirely without street-car accommodations. The gas generating system was not disturbed by the fire.

### THANK THE UNITED STATES.

Clemency Shown Brazilian Rebels on Account of Secretary Gresham's Efforts.

Washington, April 18.—For clemency shown and the general amnesty extended by President Piexoto, the Brazilian rebels have to thank the United States, for it was through the efforts of Secretary Gresham that expediency, propriety and a humane course was urged upon the Brazilian government, although we have declined to act in conjunction with other nations, notably Italy and Portugal, in making a joint representation to this end.

### THE SITUATION SERIOUS.

Omaha, Neb., April 18.—Kelly's army is still in camp near Council Bluffs, and the situation is serious. A meeting of 500 laborers was held here this morning. A number of incendiary speeches were made and Gov. Jackson was roundly scored. The police dispersed the meeting. As a result of an indignation meeting at Council Bluffs, Gov. Jackson this noon ordered the militia to break camp and return to Council Bluffs. This leaves the industrialists free to march east or capture a train.

### NO ARRANGEMENTS YET.

San Francisco, April 18.—The Chicago officials of the Santa Fe road decline to ratify the arrangements made in this city for the transportation of 500 men from Mojave to Chicago, and the second regiment of the California industrial army is left to its own devices. The men expect to start tomorrow, regardless of the discouraging developments.

### GUILTY AS CHARGED.

Colton, Cal., April 18.—The jury in the case of Commander Vinette, of the industrial army, charged with an attempt to defraud the Southern Pacific out of railroad fares, brought in a verdict of guilty as charged this afternoon.

### TIME TO THINK ABOUT IT.

Ashland, Ore., April 18.—Frank Youmans and Harvey Martin, the two Ashland boys who knocked down and robbed a man on the streets in Ashland several weeks ago, were today sentenced to 15 and 12 years, respectively, in the state penitentiary. Martin made a confession, implicating Youmans with him, and did not stand trial.

### SOMETHING IN IT.

Peoria, Ill., April 18.—The annual meeting of the stockholders of the Dillingham and Cattle Feeding Company, or Whiskey Trust as it is known, was held here today. The financial statement shows the net earnings for the year to be \$726,000, and cash assets on hand March 1, \$3,372,000, with a net surplus of \$1,294,000.

## ADJOURNED YESTERDAY

### A Resolution Against Fusion Voted Down.

### THE TICKET COMPLETED

After Which the Delegates Go Down the River and Have a Good Time.

The members of the Democratic state convention came straggling in a little late yesterday morning, and the constant round of pleasure in which they had participated gave them a tired expression.

At a few minutes after 9 they were called to order, and on motion of the Hon. Jeff Myers, a committee was appointed to draft resolutions thanking the citizens of Astoria for the handsome treatment accorded the visitors. The committee was headed by Myers, and in a short time returned the following resolutions:

To the Officers and Members of the Democratic State Convention of Oregon: We, your committee named to present to the citizens of Astoria suitable resolutions on behalf of their convention, submit the following:

Resolved, That the thanks of this convention are due, and are hereby tendered to the wide-awake citizens of Astoria for the hospitality and good-will shown to the Democracy of Oregon; to the officers and members of the Astoria Football and Athletic club for the excellent exercises given at the club rooms for the special entertainment of the delegates to the Democratic state convention and visiting Democrats to Astoria.

JEFFERSON MYERS,  
A. TOZIER,  
L. S. COX,  
W. B. DILLARD,  
W. T. WESTACOTT.

The resolutions were adopted with a whoop, and after order was restored Mr. Fenton, of Multnomah, arose and called attention to a slight error in the Astorian's report of Tuesday's proceedings, wherein Capt. Moffett was quoted as saying that none of the candidates could be elected on that platform. What Moffett said was "that any candidate could be elected on that platform." That he was clearly misunderstood, not only by all of the reporters present, but by many of the delegates, was apparent when cries of "Sit down" and jeers were heard from several quarters of the room, although many wondered at the remark, as the platform seemed to embody all of Moffett's ideas as a politician. Mr. Fenton stated that under the circumstances the error was excusable, and he merely called attention to it in order that Mr. Moffett, who was absent, might be set right with the convention.

Mr. Huston, of Washington, then announced that the members of the first congressional district had elected Hon. J. K. Weatherford as their nominee, and asked the convention to ratify their work by a rising vote, which was done. Loud calls for the distinguished standard bearer brought him to his feet, and in a brief but pointed speech he promised to go on to victory, or else go down to defeat as a good Democrat with flying colors.

Mr. Cox then announced the nomination of J. H. Raley for the second district, and his nomination was likewise ratified by a standing vote. Loud calls for the gentleman were made, but he was not in the hall, so Sergeant-at-Arms McGuire was dispatched to bring him before the convention, "dead or alive."

Judicial district nominations were then in order, and they were announced as follows:

- First district—W. H. Parker, of Jacksonville, for district attorney.
- Second district—George A. Dorris, of Eugene, for district attorney.
- Third district—J. J. Daly, of Dallas, judge; L. H. Montanya, of Albany, district attorney.
- Fourth district—Hartwell Hurley (Republican) and M. G. Munley (Democrat), both of Portland, judges; W. T. Muir, district attorney.
- Fifth district—Edward Driggs, of Oregon City, district attorney.
- Sixth district—J. M. Carroll, district attorney.
- Seventh district—E. B. Dufur, The Dalles, district attorney.

For joint senators and representatives the following were announced:

Benton and Lincoln—Charles H. Lee, of Corvallis, for senator, and M. H. Brunk, of Yaquina, for representative. Baker and Malheur—E. H. Test, senator.

Morrow, Harney and Grant—F. Kellogg, of Heppner. Marion and Clackamas—E. Russell, of Oswego.

Lake and Klamath—Representative, B. Daly, of Lakeview. Wasco and Sherman—Representative, M. V. Harrison, of Hood River.

Grant and Harney—Representative, J. A. Steech, of Long Creek. Yamhill and Tillamook—Representative, E. H. Selph.

Mr. McGuire having returned with Raley, that gentleman ascended the platform and made an interesting two-minute speech, stating that he considered it an honor to be nominated for any office with such a platform to stand on. He was warmly cheered, and at the conclusion of his remarks was invited to a seat alongside of the speaker. For board of equalization, the following were announced: First District, J. D. Fry, of Grant's Pass; Second, (none named); Third, W. F. Gilkey, of Yamhill; Fourth, R. W. Mitchell, of Portland; Fifth, Wm. B. Adair, of Astoria; Seventh, T. H. LaFollette, of Prineville.

The nomination for chairman of the state central committee brought forth several eulogistic streams of oratory. The name of D. W. Sears, of Polk county, was proposed by a member of his delegation, and seconded by Flagg, of Salem, Multnomah, of Astoria, and several others. Baker county presented the name of Napoleon Davis, of Multnomah, and H. D. McGuire seconded. Kelley, of Multnomah, also made a characteristic speech in favor of Davis, but as the sentiment seemed to be drifting in favor of Sears very strongly, Mr. Davis arose and announced his withdrawal from the race in favor of Sears. Kelley then made a motion that Davis be the nominee for secretary of the board. This was carried unanimously.

In appointing the members of the board a new departure was taken and the right of the chairman to appoint his own committee associates was supplanted by allowing each county to nominate its own choice for representation on the committee. Roll call of the counties disclosed the following result:

- Baker, C. W. James.
- Benton, D. Carlisle.
- Clackamas, W. E. Carl.
- Catsop, L. P. Mullinix.
- Columbia, W. B. Dillard.
- Coos, S. H. Hazard.
- Curry, J. Hawkins.
- Crook, T. M. Baldwin.
- Douglas, E. H. Prebble.
- Gilliam, H. Clay Myers.
- Grant, E. Hicks.
- Harney, Benj. Brown.
- Jackson, J. W. Miller.
- Klamath, V. A. Dunlap.
- Lake, Geo. Jones.
- Lane, I. L. Campbell.
- Linn, M. A. Miller.
- Lincoln, A. Parker.
- Malheur, J. M. Fell.
- Marion, A. Bush.
- Morrow, F. Kellogg.
- Multnomah, W. W. McGuire.
- Polk, J. H. Thorp.
- Sherman, D. C. Brock.
- Tillamook, W. J. May.
- Umatilla, E. V. Boyd.
- Union, F. B. Collins.
- Wallowa, W. E. Beers.
- Wasco, J. V. Crossen.
- Washington, S. B. Huston.
- Yamhill, O. P. Coschow.

The patriarchal appearing Mr. Hughes, of Clackamas, now came forward with an innocent appearing resolution, that for a few minutes created the liveliest kind of a commotion. It read as follows:

Resolved, That we are in favor of Democrats only as candidates on the Democratic ticket, and that in case of vacancies occurring on the ticket from any cause the places so made vacant be filled by the state central committee from the ranks of our own party.

As the adoption of this resolution would effectually shut off all hopes of fusion on any ticket, the Multnomah delegation, who were reported as intending to do considerable "fusing" on their local ticket, jumped on it with both feet, and the air was again rent with the fervid remarks of Kelly, of Multnomah; Ferguson, of Yamhill; Cox,
