BRECKENRIDGE'S HOME

The Colonel Reviews His Life There Yesterday.

ADMIRAL IRWIN ON HAWAII

The Provisional Government in a Precarious Situation—Native Outbreak Feared.

Associated Press. Lexington, Ky., May 5.—The city is crowded today with partisans of W. C. P. Breckenridge, gathered to give the opening of his canvass a spectacular send-off. Col. Breckenridge's speech was mainly a review of his career in congress. The concluding portion of his speech was devoted to the Pollard scandal and the opposition to his re-nomination on moral grounds. He denounced and defied his assailants, and said time will confound those who seek to betray his usefulness. Responding to the charge of hypocrisy, in taking a leading part in religious and moral movements while living a double life, he said he was making atonement for the secret sin which he dared not confess, and was doing everything in his power to keep others from following in his footsteps.

CLAIM ALL WILL BE IDLE

Scottsdale, Pa., May 5.—The situation in the coke regions today is quiet, although an outbreak is expected at any moment at the Moyer works of the Rainey-Coke Company. There are 13,000 strikers in the camp, with a determination to bring all the men out. The strikers claim that every coke oven will be idle Monday. One thousand men marched on the St. Paul plant today, frightening the workmen, many of whom fled. Deputies dispersed the mob.

WILL TAKE TO THE RIVER.

Des Moines, May 5.—A proposition to float Kelly's army down the Mississippi on rafts is under consideration. It is feared Kelly will not be able to take over 800 men out of the city with him, and that 600 will be turned loose on the town. During the past week 100 men brought here by the army have been jailed. The citizens' committee disbanded today, notifying the army they can do nothing more.

THREATENED DISASTER.

Montreal, May 5.—A telegram from St. Albans says: A fresh disaster still more calamitous than that of last Friday evening threatens the parish of St. Albans, in the shape of a vast landslide, said to be 150 feet deep, which has been created by the formation of a dike about the parish church. If the dike gives way, as seems probable, the consequences will be disastrous.

BETTER PAY IT TO THE MEN.

Washington, May 5.—The Coxe movement in the northwest is putting the government to a heavy expense. The treasury department has submitted to the house an estimate of a prospective deficiency of \$50,000 for United States marshals. Attorney General Olney says the expense in the state of Washington on this account is \$1,000 per day.

THE MOTION OVERRULED.

Washington, May 5.—In the trial of the commonwealers today Judge Miller overruled the motion to dismiss the case on the ground of insufficient evidence. The court then adjourned until next Monday.

WAITING ORDERS.

St. Cloud, Minn., May 5.—Forty Coxeyites boarded a freight at Barnesville today. At Fergus Falls Conductor Sturtevant is holding the train awaiting orders.

MCDONALD INDICTED.

San Francisco, May 5.—R. H. McDonald, Jr., vice president of the People's Home Savings bank, and of the Pacific bank, was this afternoon indicted by the grand jury for felony and embezzlement. Judge Hebbard fixed the bail at \$100,000, and issued a bench warrant for McDonald's arrest.

WHOLE TOWN BURNED.

Carson, Nev., May 5.—Tohoo City, on the shore of Lake Tahoe, Placer county, California, was burned down today. The town consisted of about 50 houses, two hotels, store, etc. The whole town is said to be destroyed.

STOCKBRIDGE'S SUCCESSOR.

Lansing, Mich., May 5.—Gov. Rich has appointed John Patton, Jr., United States senator to succeed Senator Stockbridge, deceased, until a successor is elected by the legislature next January.

FOR ROBBING THE MAILS.

Washington, May 5.—The postoffice department has been notified from Helena, Mont., of the arrest today of W. B. Marsh for highway robbery of the mails at Houston, Idaho, last June. Marsh has been held in \$1,500 bail.

CATHOLIC EXCOMMUNICATIONS

Italy Seeking Better Protection for Her Emigrants in the United States.

NOT GUILTY.

End of One of the Most Sensational Trials in the State of Washington.

Spokane, May 5.—After being out for nearly 70 hours, the jury in the Chase rape case brought in a verdict of not guilty. Up to the last minute it had stood continuously eight for acquittal to four for conviction. The defendant, Herman L. Chase, is one of the most prominent men in the state. He is a nephew of ex-Secretary Salmon P. Chase, and both he and his wife are connected with some of the best eastern families. For two years he served as receiver of the Spokane National bank. He was accused by his servant girl, Marie Nelson, of rape, under the most brutal circumstances. The prominence of the family and the active interest taken in the case by a league of more than 100 prominent Spokane ladies made this case one of the most sensational in the history of the state. The trial has cost the county nearly \$4,000.

EXCOMMUNICATED.

A Catholic Bishop Enforces His Authority. Denver, Col., May 5.—This afternoon Bishop Matz excommunicated Father Malone and all the members of the St. Joseph's parish, who were present at the recent parish meeting at which it was decided to sue Father Malone civilly for the purpose of vindicating him from the charge of a shortage in his accounts, despite the desire of the bishop that the suit be dropped. There were 100 or more at the meeting referred to, and this means that at least one-third of the leading members of the parish are now suspended from the church.

ALL HARMONIOUS.

THE Relations Between the Italian and American Governments.

Rome, May 5.—In the chamber of deputies today, during the debate on the foreign estimates, Baron Blanc, minister of foreign affairs, said in regard to the conditions imposed upon Italian emigrants: "We are in negotiation with the United States government, and have the satisfaction to announce that we have found the authorities at Washington to be most anxious to co-operate with us, with the view of protecting our immigrants from the snares of the so-called agents and bankers at ports of embarkment, and to put them in the way of embarking in profitable agricultural pursuits. We hope to attain the same result with Mexico, whose government appears to be well disposed." Baron Blanc then proceeded to refute the assertion of one of the deputies, who claimed that the New Orleans affair nearly led to the dispatch of an Italian man-of-war to the United States, saying: "The barbarous lynch law, falling upon innocent Italians, unfortunately interrupted the friendly relations existing between the two countries, and serves to the profit of the illegal assassins which prey upon our emigrants. I believe the restoration of harmony will have the effect of delivering Italian emigrants from the local tyranny and that it will direct them to new fields of agricultural and colonization."

WORK OF THE STORM.

Emporia, Kas., May 5.—At Reading cattle were stampeded and some killed in last night's storm. Marshall Welch, who was caught out in the storm, is missing. At Sebo the Baptist church and several dwellings were blown down. Houses were also demolished at West Wichita and Olivet. The water-spout badly damaged the crops throughout Osage county.

NO FATALITIES.

Topeka, May 5.—Reports from Lyon and Osage counties show the storm was not so bad as last night's dispatches indicated. At Olivet two freight cars were blown from the track. The hall was accompanied by a high wind. No fatalities are reported.

WHOLESALE SLAUGHTER.

Debeque, Col., May 5.—It is reported that 800 Colorado sheep in the battlement of the Mesa reserve were slaughtered last night by Utah sheepsmen, out of revenge for being kept out of the state. State Veterinarian Gresswell will turn back today 3,000 Utah sheep near

THE RACES AT 'FRISCO.

Prominent Truck Man Ruled Off for Abusing the Judges.

San Francisco, May 5.—Following is the result of the races today: Five and one-half furlongs—Fly, 1:08. Six furlongs—Tillie S., 1:14. Five furlongs, for two-year-olds, flash stakes—Bellicos, 1:02. Mile and one-sixteenth, handicap—Zobair, 1:49 1-2. Gentleman's race, one mile—Glead, 1:48 1-2. Lord Talbot Clifton was ruled off for life for using insulting language to the judges.

PASSED BY THE SENATE.

Washington, May 5.—A bill for the relief of citizens of Oregon, Idaho and Washington who served in the war against the Nez Perces, Bannock and Shoshone Indians, and the heirs of those killed in that service, was passed by the senate today, on motion of Mr. Shoup.

LOOKING FOR A SITE.

Chicago, May 5.—In the interest of the labor organizations of Chicago, a committee has gone to California to examine the 7,000 acres of land offered for colonization.

BOUND FOR THE COAST.

Washington, May 5.—Secretary Herbert started for the Pacific Coast today.

HE WAS ACCEPTED.

John I. Blair, the famous railroad magnate, well known in Astoria, is lying critically ill at his residence in Blairtown, N. J.

MR. BLAIR IS NEARLY 93 YEARS OF AGE.

Mr. Blair is nearly 93 years of age, and it is feared that owing to his advanced age he will not recover. Mr. Blair is said to have always been a very unassuming man, and once, when he offered to go on a man's bond in the United States court who had appointed receiver of a railroad, the judge asked Mr. Blair if he understood that the bond was for over half a million dollars. Mr. Blair replied that he did, and then the judge, to whom Mr. Blair was unknown, inquired further if he was worth that amount, and if so, of what his property consisted.

MR. BLAIR MODESTLY REPLIED TO THE EFFECT THAT HE DID NOT HAVE A LIST OF HIS PROPERTY WITH HIM, BUT HE OWNED TEN OR TWENTY THOUSAND ACRES OF LAND RIGHT THERE IN MISSOURI, A RAILROAD OR TWO IN THE SAME STATE, WITH KANSAS CITY PROPERTY ASSESSED AT A MILLION AND A HALF.

"Hold on!" "Hold on!" cried the judge; "what did you say was your name?"

"JOHN I. BLAIR, YOUR HONOR," HE SAID.

"And where do you live?" "At Blairtown, New Jersey." "Blairtown—well, I suppose you own all of that place, too; don't you?"

Mr. Blair replied not quite all, but that he was interested quite extensively in the town, and would, if the judge wished, state what those interests were.

"No; never mind," said the judge. "Mr. Clerk, just enter up Mr. Blair as the approved bondman for the receiver of this road."

On Saturday evening a bedroom set will be given. All the furniture is now on exhibition at Porter's furniture store.
