## GRESHAM ON SAMOA

He Doesn't Approve the Hawaiian Policy.

## COXEY'S CAMP A NUISANCE

Labor Troubles Still Continue in the East—Damaging Frosts in Oregon.

Associated Press.

Washington, May 9.—In transmitting to the president the voluminous correspondence relative to Samoa, which was laid before the senate today, Secretary Gresham says the Berlin treaty entirely failed to correct, if it does not aggravate, the evils it is designed to correct. In conclusion he asks: "What have we gained by our departure from our established policy beyond expenses, responsibilities and entanglements that so far have been its only fruits?"

## IN AN UGLY MOOD.

A Desperate Fight Between Coxeyites and Deputy Marshals.

Tacoma, May 9.—A special to the Ledger says: A fight took place at North Yakima at 7:30 this evening between the marshals and the industrialists. Deputy Marshals Chidester and Jolly, of Tacoma, were shot, the first named in the leg and the latter through the bowels. He is bleeding internally.

Twenty shots were fired in the melee. Savage, Weaver and McAphee, all Seattle Coxeyites, received flesh wounds from revolvers. "Buck," a peck-marked Seattle Coxeyite, who was the leader of the crowd, had two fingers broken with a club.

Intense excitement reigns at Yakima. The fight was the result of a determination on the part of the Coxeyites not to leave a train which has been held there since 10 o'clock this morning. At 2 o'clock 13 deputies attempted to take out the train, Chidester being in charge. The industrialists swarmed over the train and outnumbered the marshals. The latter gave up after two attempts to oust the army and steamed back to Yakima, two miles from the scene of the scuffle, and sidetracked the train. Ten deputies from Tappanish responded to Chidester's demand for reinforcements and 25 more went from Ellensburg. At 7 this evening the train was backed to the bridge over the Yakima river, a mile from town. Half the population followed. The Coxeyites boarded the train to the number of 150. Chidester says one of them attempted to set a brake. A deputy ordered him to stop. On his refusal the deputy pulled him away. The Coxeyites began clubbing the deputy, and the shooting commenced. Then the Coxeyites retreated, breaking the switch and piling rocks on the track, but they afterwards removed them.

When the fight began stones were thrown at the engineer and firemen, attempting to dislodge them. The train was backed into Selah station after the fight, where it is now. Surgeon Hill has gone from Yakima to attend the wounded.

Some sympathizers cheered the Coxeyites on in their fight. Marshal Drake left here tonight at 11 for the scene. All along the line the industrialists are in an ugly mood.

## DECLARED A NUISANCE.

Coxey's Camp Decided to be Dangerous to Public Health.

Washington, May 9.—Coxey appeared before the house committee on labor today and spoke on Representative McGinn's resolution for the appointment of a joint committee to investigate the causes of the prevailing industrial depression.

The District health officers have decided the Coxey camp a nuisance and dangerous to health. The District commissioners have given Coxey and his followers 48 hours to abate the nuisance. This doubtless means that they must break camp.

## THEY GOT LEFT.

Boise, Idaho, May 9.—A squad of commonwealers came into Caldwell on a train today, 40 in number. They had possession, but a Union Pacific crew was in charge. The train was sidetracked, and the United States court, which had issued a restraining order, was appealed to. The troops at the barracks were put under orders ready to march. A deputy marshal read the order to the men. When the train was ready to move this evening they climbed aboard the rear cars. These were detached and the rest of the train proceeded eastward.

## INDUSTRIAL FOR REVENUE ONLY.

Spokane, May 9.—There was a sensation in the camp of the industrialists here today. Commander Dolphin tried to leave the city with the army's funds, but he was caught and detained. He was last seen at 6 o'clock, but whether

he afterward succeeded in getting away or is now a prisoner in the camp at Hillyard is unknown. The Seattle contingent held a meeting tonight in Music hall. Jeffries did most of the talking. A variety performance had been advertised, but Jeffries announced that the "talent" was mostly strung along the road and the show would be postponed.

## GOOD-BYE, SWEETHEARTS.

Des Moines, May 9.—Kelly's army floats at noon bade good-bye to Des Moines. Most of the boats in the fleet were rigged with oars or sails improvised from army blankets.

Commodore Kelly expected to reach Runnels, 20 miles away, tonight. Kelly's boats were soon strung along the river for five miles. One boat, with ten commonwealers and a number of Des Moines women and children, was capsized, and all narrowly escaped drowning. Fully 2,000 people straggled along the banks watching the flotilla.

## AFTER THE ARMY.

Atchison, May 9.—D. P. Waggoner, the general attorney of the Missouri Pacific, left here by special train to meet the Colorado branch of the commonweal army with the stolen train. He expects United States Marshal Helly and 200 deputies to accompany him from Topeka. Waggoner has instructions from the general manager to arrest every man in the commonweal army.

## BUILT A TRACK AROUND.

Pueblo, Col., May 9.—The Cripple Creek Coxeyites who seized the train here and started east last night, got around the obstruction near Olney, caused by the ditching of an engine, by laying a new track and resumed their journey.

## CHARGED WITH TRESPASS.

Pittsburg, May 9.—Twenty-three of Galvin's commonwealers were arrested at Bissell at midnight for attempting to capture a Baltimore and Ohio freight train. They were held today on a charge of trespass.

## ON THE WING.

Topeka, May 9.—Sanders' Coxey army, on a captured train, passed Arlington, Col., this morning, bound eastward.

## BRUTALLY BEATEN.

Uniontown, Pa., May 9.—At the Hill Farm works, north of here, as Richard Harburger and three companions were going to work they were met by 40 strikers, who beat them brutally with clubs. Harburger would have been killed had not deputies armed with Winchester come to the rescue. The deputies opened fire on them from the yards. At least 25 shots were fired, none of which took effect, owing to the distance. Several shots were returned by the strikers, who then fled.

## UNION VS. NON-UNION.

Stoneham, Mass., May 9.—A conflict between non-union Armenian laborers, who had taken the places of the striking laborers at Arthur E. Mann's factory, took place today as the non-union men were leaving the works. The police came to the rescue of the Armenians, and after considerable fighting arrested six men, who were brandishing daggers.

## STOOD THEIR GROUND.

Akron, O., May 9.—The striking street laborers today marched to Exchange street and attempted to drive the foreign laborers away. The foreigners, mostly Italians, refused to leave, and at 2 p. m. trouble seems imminent.

## ON THE WARPATH.

Staunton, Ill., May 9.—Twelve hundred coal miners gathered here today, the intention being to stop work in shafts 6 and 7 of the Consolidated Coal Company.

## CROPS BADLY DAMAGED.

The Dalles, Or., May 9.—It is feared the heavy frost of last night has done much damage to all the crops in this section. In The Dalles ice was formed in many places, and in the uplands the ice was a quarter of an inch thick. Reports from farmers are very discouraging.

## CANNOT STOP IT.

Washington, May 9.—The story of the Breckenridge case will be allowed to pass through the mails. First Assistant Postmaster General Jones has notified the postmaster at Chicago that the department has no authority to exclude the book.

## ALL SAME MELICAN WOMAN.

San Francisco, May 9.—It transpires that Mrs. Ah Chong, the wife of a local Chinese merchant, decamped for China yesterday on the steamer Oceanic, carrying with her \$10,000 of her husband's money.

## PASSED THE HOUSE.

Washington, May 9.—The bill granting to the Columbia Irrigation Company the right-of-way through the Yakima Indian reservation was passed by the house today.

## THE VETERANS.

Women's Relief Corps and Sons of Veterans Elect Officers.

Roseburg, Or., May 9.—Today was given up to business sessions by the three orders in the state encampment here. The G. A. R. met in the opera house, with Commander J. C. Cooper in the chair. The report of Assistant Adjutant General D. H. Turner shows 58 posts, with a total membership of 2,117. There was a gain during the year of three posts, at Sunnyview, Florence and Hubbard, and one is now being formed at Milton. The order gained 345 members and lost 440, of which 39 died. Hard times is responsible for the decrease in membership. The general business was concluded during the day and officers were elected at the night session.

The Sons of Veterans were called to order by Division Commander E. H. Ower. The adjutant's report showed 18 camps and 386 members, a gain of four camps—at Roseburg, Albany, McMinnville and Corvallis—with a slight loss of the total membership. The following officers were elected: Commander, W. McGann, chairman of the labor commander, S. C. Browne, of Salem, junior vice commander, L. P. Aldrich, of Silverton. Division's council—W. E. Johnson, of Oregon City; H. L. Wells, of Portland; M. Hemphill, of Corvallis. Delegates to national encampment—W. S. Beebe and H. L. Wells, of Portland; alternates, C. H. Hermann, of Oregon City, and C. A. Stephens, of Pleasant Home.

The Women's Relief Corps met in J. O. O. F. hall. The new officers elected were: President, Mrs. Nettie J. Ungerman; senior vice president, Mrs. Jennie Stanton; junior vice president, Mrs. Allen; chaplain, Mrs. Julia A. Lawton; treasurer, Mrs. Susie Talmage; delegates to national encampment, Mrs. Ada S. Butterfield and Mrs. Bertie M. Smith; alternates, Mrs. Mary Myers and Mrs. Isabella Horner. Executive board, Mrs. Blanche Patterson, Mrs. Clara Adair, Mrs. Lizzie Smith, Mrs. Margaret Pillsbury and Mrs. Flora Fullerton.

Oregon City has been selected as the next place of meeting, but the date will be determined on later. In the evening there was an "Empire drill" on the square by 51 young ladies, in three platoons. The complicated movements of the Amazon drill were finely executed, under command of Miss Kate Buick, and were tumultuously applauded by the veterans and 2,000 spectators. Tomorrow the soldiers' home will be dedicated.

## YOUTHFUL PRIZE FIGHTERS.

Two Chicago Boys Fight in a Ring, and Are Seconded by Their Fathers.

Chicago, May 9.—Two ten-year-old prize fighters, with their fathers and seconds, were arrested today for engaging in a ring battle. The boys, Jas. Kitley and John Dewey, fought 13 hot rounds, and were seconded by their fathers. The principals and paternal seconds were heavily fined.

## MADE NO PROVISION.

Olympia, May 9.—The emergency board today unanimously voted against permitting the North Yakima state fair commission to create an indebtedness to the extent of \$5,000, but agreed to give further consideration to the petition for from \$1,500 to \$2,000 for the use of the fair.

The Ellensburg normal school has been allowed to create a deficiency of \$5,000 to carry on the school, but the petition of the board of pilot commissioners for an appropriation to meet their salaries was disallowed as a matter for the legislature to adjust and not the emergency board. The legislature made no provision for such salaries.

## WILL NOT TAKE THE OATH.

Washington, May 9.—The president has sent to the senate a letter from Minister Willis, from Honolulu, enclosing the resolutions adopted at a mass meeting of socialists, affirming that the loyal citizens will refuse to take the oath of allegiance to the provisional government and refrain from voting for delegates to the constitutional convention.

## SMUGGLERS ON TRIAL.

San Francisco, May 9.—The trial of G. N. Thomas, Louis Greenwald, George Wichman, Charles Mensing and Frederick Miller, charged with being members of the Emerald smuggling ring, began in the United States district court today. Some time was consumed in se-

curring a jury. It is reported that Miller will turn state's evidence.

## THE RUMORS DENIED.

Washington, May 9.—The rumors from Port Townsend, Wash., that the sailing of the Behring Sea patrol has been postponed for two weeks is denied at the navy department. When the orders, which were sent by mail, are received the fleet will sail.

## A NEW SOLUTION.

Washington, May 9.—Representative H. Bloss, of Corvallis, senior vice committee, predicts that the turning in the tide of immigration is not far off, and that when it comes it will offer a solution for the depressed condition of American labor now existing.

## SHOOT TO KILL.

Troppaux, Austria, May 9.—The gen darmes fired on a mob of rioting miners today, killing nine and wounding twenty.

## RENOMINATED.

Litchfield, May 9.—The Democrats of the 15 district renominated Congressman Edward Lane.

## HOW THEY RAN.

San Francisco, May 9.—Following is the result of the races today: Six furlongs—Currency, 1:33 3/4. Half a mile, for two-year-olds—Ray Alfonso, 0:48 3/8. One mile—Trix, 1:43. Six furlongs—Romair, 1:14. Five furlongs—Bill Howard, 1:01 1/2.

## EVANS AND SONTAG.

The famous play of "Evans and Sontag" was produced last evening at Liberty hall, and will be repeated this evening. The play is a most exciting one and excellently constructed, with a fine comedy vein running throughout the six very interesting acts. It has been reported that the drama is immoral, but the reverse of this is the truth, for a more truthful story never was portrayed upon the stage, or a more salutary lesson on the ethics of right and wrong ever woven into a drama. The play must be seen in order to be appreciated and its many excellent features understood. The characters are all from real life, and interpreted by a company of real artists. The incidents connecting the Southern Pacific with the train robbery at Collis has caused that corporation considerable uneasiness, but the matter set forth is the truth, as is also every incident in the exciting careers of Chris. Evans and John Sontag. Tonight will present the last opportunity of witnessing the famous play.

## THE FORESTERS.

The grand court of Ancient Order of Foresters of America, of the state of Oregon, convened yesterday morning at Odd Fellows' hall, with the following grand officers present:

F. D. Morton, G. C. R.; E. C. King, G. S. of C. R.; J. R. Williams, G. T.; Samuel Kafka, grand secretary; G. W. Reynolds, R. C.; G. F. Headwell, S. W.; J. F. Derby, G. J. W.; J. M. Brown, G. S. B.; J. A. Watson, G. J. B.; Z. Sweet and H. Daniels, grand trustees.

The following delegates were present: Court Germania, 797, J. Young, P. C. R. Court McMinnville, 8055, H. C. Burns. Court Scandia, 8092, B. A. Ahlgren. Court Astoria, 8213, J. S. Dellinger. Court Mount Hood, 6460, E. A. Chambers.

Court Columbia, 7355, A. E. Gross. Court Multnomah, 7877, C. E. Van Dusen, P. C. R. Court Pride, of Albina, 7914, A. B. Manley, P. C. R. Court Webfoot, 7917, J. Gumbert, P. C. R. Court Tulatin, 7974, John Northrup.

The day was spent in committee work and the adopting of a new constitution. The constitution of the California branch of the order, which was recently made by that body, was adopted, with minor changes. The reports of the different grand officers show the order to be in a very flourishing condition.

After the session last evening the grand lodge was given a reception by Court Astoria.

This afternoon the Court will take a trip to the jetty. They will probably finish their labors this evening.

This is the fourth annual session of the Grand Court for the state of Oregon, and the most successful one.

Highest of all in Leavening Power.—Latest U. S. Gov't Report.
