### Daily Astorian.

TERMS OF SUBSCRIPTION.

WEEKLY.

Sent by mail per year, \$2.60 in advance. Postage free to subscribers.

The Astorian guarantees to its sub-scribers the largest circulation of any newspaper published on the Columbia river.

Advertising rates can be obtained on splication to the business manager.

This paper is in possession of all the telegraph franchises, and is the only paper on the Columbia river that publishes genuine dispatches.

The Daily Astorian's circulation is tive times as great as that of the combined circulation of the other daily papers of Astoria.

The Weekly Astorian, the third oldest weekly in the state of Oregon, has, next to the Portland Oregonian, the largest weekly circulation in the state. Subscribers to the Astorian are requested to notify this office, without loss of time, immediately they fail to receive their daily paper, or when they do not get it at the usual hour. By doing this they will enable the management to place the blame on the proper parties and to insure a speedy remedy. Handley & Hans are our Fortand agents and copies of the Astorian can be had every morning at their stand on First street.

#### THE COMING OPPORTUNITIES.

During the period of business and financial depression with which the country has been lately visited, but now happily about over, the vast ac cumulations of eastern capital, representing, not as the Populists say, a system of plunder and extortion practiced by that section on the rest of the country, but representing the fruits of several generations of the most frugal and industrious people the world has ever seen, have been augmented by the with drawal of large sums of money from the no longer profitable and, in some cases, hostile fields of former investment in the Mississippi valley, and further west ward, until today there is a larger sum of idle money in the banks and savings vaults of New England than at any one time before in the history of the country. Every student of economics knows that it is as unnatural for accumulation of these description of these description of these descriptions. tions of money to the uninvested, for tary fund), indorsed, "Presented and any considerable length of time, as it is any considerable length of time, as it is for water to run up hill, and it will be all such warrants, properly indorsed, but a little while when these great hoards must and will find some outlet.

running fast and furious into the undeveloped states of Kansas and Ne-braska, and that immediate section, and a wild fever of speculation raged, a same price at the Union Pacific office market was provided for every surplus in this city, and thereby save your local fare to Portland. dollar in the country. Eastern and European capital literally flowed like water into those sections. Great cities sprang enterprises of all kinds were prosecuted, contrary to physical law and natural surroundings, but sustained, for the time being, by sheer force of artificial and man-created powers and energies. The great natural advantages and matchiess resources of Oregon, and the Coast region adjoining, were overlooked and tay peacefully sleeping. But now a new order of things has come; the whole situation has changed. The great industrial and business depression has not been an unmixed evil. It has retained the lessons of caution and prudence. The interior states of the union are now known to be overdone and absolutely incapable of revival. The profsolutely incapable of revival. The prof- Astoria, Orago

A GOOD WORD.

Mr. J. J. Keil, Sharpsburg, Pa.
Dear Sir' I am glad to say a good
word for Krause's Headache Capsules.
After suffering for over three years
with acute neuralgia and its concequent
insomaia (which seemed to haffle the
efforts of some of our best physicians)
you suggested this remedy which gave
me almost instant relief. Words fail
to express the praise I should like to
bestow on Krause's Headache Capsules.

Gratefully Yours,

MRS. E. R. HOLMES,
Montrore, Pa.
