Thus said two customers to whom we had shown our fishing tackle. Further said they: "We like your goods, but want to be sure of getting the best value for our money. We'll be back and let you see what we've bought if we like the other outfits better."

CRIPPLE CREEK WAR

Another Bloody Battle Fought With Deputies.

WAITE FAVORS THE STRIKERS

Judge Hall Says Colorado Is Governed by Socialists and Imbeciles.

Associated Press.

Cripple Creek, Col., May 26.—Every known newspaper representative has been ordered away from Battle Mountain and Bull Hill, and told not to return again at the peril of their lives.

The strikers seized a train at Victor about midnight and proceeded down the Florence and Cripple Creek railroad to Wilbur, where the Denver deputies were in camp. At 4 a. m. a battle occurred between the strikers and the outposts of the deputies, in which George Crowley, a miner, was killed. Several miners and three deputies were wounded. The particulars are hard to obtain, as the wires have been cut. A non-union miner was shot dead in a saloon at Victor this morning.

The force that attacked the deputies numbered 300. At the latest reports the Denver deputies were still at Wilbur, awaiting the arrival of reinforcements, and expected to leave Colorado Springs today. The names of the wounded have not been learned. So far as known none of the deputies were killed.

It is now positively known that no lives were lost by the blowing up of the Strong shaft house yesterday.

It is reported that Attorney C. S. Thomas, of Denver, on behalf of the mine owners, is trying to have United States troops sent to the camp.

GOV. WAITE FAVORS THE STRIKERS.

Denver, May 26.—Attorney General Engley has given the opinion that the deputies sent from this city to Cripple Creek, in another county, are an illegal body. Gov. Waite regards them as rioters, and will issue a proclamation today ordering them to disperse. The militia have all been ordered to be in readiness for a call to arms. A new conflict at Cripple Creek today is feared. The governor makes no secret of his sympathy for the strikers. It has been learned that 1,600 rifles and 20,000 rounds of ammunition were shipped to Cripple Creek for the strikers during the past week.

HARD ON COLORADO.

Judge Hall Says It Has a Socialistic Government.

Denver, Col., May 26.—The Raven Gold Mining Company, of Cripple Creek, incorporated under the laws of West Virginia, applied to Judge Hall, of the United States district court, today for an injunction to restrain strikers from interfering with its property and employees. The court held that it is not in the power of the federal courts to protect the property of citizens of another state, and that by the constitution the county and state police power alone rests with the state authorities. In making this decision the court added: "If the government of this state has fallen into the hands of socialists, which is true, or of imbeciles, which is also probably true, it is most unfortunate for the state, but it cannot be held as a reason for this court to exercise police power."

INDIANA STRIKERS.

They Have Learned to Steal Trains, Too.

Terre Haute, Ind., May 26.—Six hundred miners in the Big Four yards here are holding a captured freight train, in which they propose to ride to Pana, Ill. Mayor Ross and Sheriff Stout have refused to interfere until the company obtains warrants. At Fontaine, a few miles from Terre Haute, 1,500 miners have refused to allow freight engines to take coal.

ASK CONGRESS TO INTERCEDE.

Uniontown Pa., May 26.—The strikers generally attended a meeting at Mount Pleasant today. At Federal the united mine workers passed resolutions regarding Representative Sipe to ask congress to appoint a committee to make full inquiry into the mining troubles and the "uncalled for shooting of men in the public highways of Fayette and Westmoreland counties."

About 25 strikers marched to Kyle Martin and the Fairchance works today and attempted to prevent the men from going to work. No collision occurred. Isaac Hurst, who is charged with kill-

ing a non-union Slav at Bradford, gave himself up today.

ORDERED TO LEAVE TOWN.

Prominent Utah Officials Receive Threatening Letters.

Salt Lake, May 26.—Gov. West, Chief Justice Merritt and Mayor Baskin have each received postal cards making threats against their lives. The messages contain the most disgusting language, and state that unless the officials named leave the city within four days they will be killed, if dynamite has to be resorted to. There is great excitement at Ogden, owing to the determination of 200 commonwealers to march through Davis county in disregard of the injunction of the court. The sheriff and a number of deputies met them at the county line and told the weathers they would be shot down if they came further. The weathers then went into camp.

ASTORIA'S CHANCE.

Cleveland and Cabinet May Visit the Northwest.

Tacoma, May 26.—Secretary of the Navy Herbert proposes to have President Cleveland and the cabinet visit Puget Sound and the northwest next spring. While here this week he said repeatedly that he was greatly impressed with the wonderful growth and natural resources of the northwest. Before leaving Thursday evening, he said to a friend: "I shall formally request President Cleveland and the members of his cabinet to visit Puget Sound at the earliest opportunity. I hope they can come out next spring." His friends here believe his desire is to see important fortifications built on Puget Sound as an offset to the British fortifications on Vancouver Island.

ALABAMA STRIKERS.

The Militia On Guard, By Order of the Governor.

Birmingham, Ala., May 26.—Four military companies went into camp at Ensey, near Pratt City, today, at the order of Gov. Jones, to maintain peace in the strike region and to guard property. The situation is more strained than ever.

THE BARDEN SUIT.

It Is Decided Against the Company.

Washington, May 26.—The Northern Pacific Railroad Company today lost the Barden suit in the supreme court, involving title to mineral lands within the limits of the Northern Pacific land grant. Millions of acres are involved.

ALTGELD ACTS AT LAST.

Springfield, Ill., May 26.—Gov. Altgeld, upon the requisition of the sheriff at Danville, today shipped to that place 50 rifles and 2,000 rounds of ammunition.

OREGON ITEMS.

They charge sawmill men \$100 to throw sawdust into the river at Oregon City.

They have commenced closing schools for the summer vacation in Clackamas county.

There is something in a name. Rev. Organ preached a swell sermon at Sunnyside last week.

A butting ram attacked Mrs. London at Carns lately, and severely injuring her before he could be driven off.

Ell Maddock, of New Era, has been nominated for sheriff of Clackamas county, and he expects "to get there."

Politics are waxing warm at Wilsonville, but not so much as to prevent the farmers from planting a big crop of potatoes.

The only new "want ad." in the Baker City Democrat is that of a young lady who wants to do dining room service at a mine.

A \$30-dance is considered a social success at New Era. Anything below that is barely mentioned by the Oregon City Enterprise.

Rev. John Whitman Cowan, the new pastor of the Congregational church at Oregon City occupied the pulpit for the first time Sunday.

Milwaukee has a queer idea of music. The public schools gave an entertainment, the proceeds of which is to go to the purchase of a drum.

Damascus is depopulated every Sunday of her young people who hire every livery rig in town and take to the country while the roads are good.

Several of the young ladies of Stafford got up a surprise party on a family that would not be surprised, and who ordered them off the premises.

Clarkes has a social club that fearlessly tackled the idea of giving a spelling match. It wound up with a fight between two of the participants.

California parties are up in Clackamas county making contracts for hay. It is selling in California now at \$20 a ton, with the prospects of going higher before fall.

The results of numerous donation parties are to be sold by Rev. Dawson, of Baker City, who advertises a lot of clocks, lamps, fruit jars and kitchen utensils for sale for cash.

ARE NOT UNANIMOUS

Hill and Others May Not Support the Wilson Bill.

BANK TAX REPEAL IN THE HOUSE

Free Lead Defeated—Minneapolis to Provide Work for the Unemployed.

Associated Press.

Washington, May 26.—Senator Hill, of New York, made his speech today attacking the proposed duty of 3-4 cent per pound on lead ore and lead silver bearing ore, and a general arraignment of his colleagues for their refusal to stand by the Democratic doctrine of free raw materials.

The bill, he said, was not satisfactory to other Democrats on this side of the chamber, and if the senator from Maryland (Gorman) the other day intended to infer that there was Democratic unity on this bill he had exceeded his authority. The bill would not be satisfactory to him so long as it contained one remnant of populist income tax. Still, he thought it the duty of Democrats not to defeat it, but to modify and pass it. Hill proceeded to explain that he had voted against Teller's motion to table the bill because he did not desire to kill the measure before it was fully considered and an honest effort had been made to modify it. He had voted the other day to place iron ore on the free list. His vote stood solitary and alone, so far as Democratic votes were concerned. He did not anticipate that the motion he now made would be carried, but it ought not to require any argument to convince the senate that lead ore should go on the free list. The Democratic party stood pledged to it. Lead ore was a raw material, and the party was committed to free raw materials.

The motion was defeated by 3 yeas to 52 nays.

THE HOUSE.

Washington, May 26.—The house took up the state bank tax repeal bill today.

WORK FOR THE UNEMPLOYED.

Minneapolis to Issue Bonds for Public Improvements.

Minneapolis, Minn., May 26.—The problem of the unemployed has been taken up in Minneapolis in earnest. The ways and means committee of the council has decided to issue bonds to the amount of \$100,000, at 2 per cent, to furnish money for an extensive scheme of public improvements. Business men have agreed to take up the whole issue at par. Extensive improvements are to be undertaken.

THE HAYTIE REPUBLIC.

The Case Decided in Favor of the Government.

Washington, May 26.—The supreme court decided today the case of the United States against the steamship Haytien Republic, libelled first in the district of Washington and later in the district of Oregon for smuggling opium and Chinese, in favor of the government. It was contended by the steamship owners that the vessel could not again be libelled while the first case was still pending. Justice White gave the opinion.

ALBANY ASSEMBLY.

A Resolution Favoring Church Union Adopted.

Albany, May 26.—In the United Presbyterian assembly this morning the committee on bills and overtures submitted their report and made the following recommendations:

On church union, that all the Psalm-singing churches be invited to take steps toward a church union, and that two delegates be chosen from this assembly to represent the United Presbyterian church in a conference for this purpose.

EL PASO MORALS.

City Council Forbids the Wearing of Divided Skirts.

El Paso, Tex., May 26.—The city council has decreed that no woman shall be allowed to walk or ride in the streets of El Paso wearing what is known as a divided skirt. The councilmen declared the practice, which has threatened to become epidemic in certain circles, to be indecent and demoralizing, and an ordinance was passed embodying these views.

THE RACES YESTERDAY.

San Francisco, May 26.—Following is the result of the races today:

Five furlongs—King Sam, 1:35.
Five furlongs—Normandie, 1:34 1-4.
One mile—Hy Dy, 1:47 1-4.

SOVERIGN AT PORTLAND.

Portland, May 26.—J. R. Sovereign, the grand master workman of the Knights of Labor, arrived here today.

DECORATION DAY.

The Exercises at the Public Schools On Friday.

The celebrations of the touching and tender anniversary of Memorial Day, an occasion peculiar to our country and unknown in any other nation of earth, were unusually interesting this year, the fine weather bringing out a large attendance; the audience, as well as each participant in the beautiful exercises at the various schools entering into the spirit of the occasion in a way calculated to gratify all grateful and appreciative lovers of our country and her institutions. In some cases we have been favored with the full program of exercises, while in others, owing to the length of the program, we have only a brief and general description. In order that there may be no appearance of distinction, we have decided to omit the program and publish simply a general notice of each school.

COURT STREET SCHOOL.

To any citizen whose patriotism needed refreshing, yesterday's exercises at Court Street school and the High School, would have been a welcome treat. There were a great many visitors who listened intently to the rousing patriotic songs, recitations, essays and addresses given by the students. Surely no one present will say that the boys and girls of this school are lacking in love for our glorious republic and its flag. The delegation from the G. A. R., consisting of Messrs. Mullinix, Allen, Taylor and Graves visited almost all the rooms and added much to the success of the occasion by their interesting and timely remarks. Genuinely unshaken were at the doors to escort all visitors to any desired room. The W. R. C. delegates present were Mrs. Curtis, Mrs. Clinton, Miss Mamie Clinton and Mrs. Busey.

Such memorials are certainly productive of much good in adding to indicate those qualities of citizenship so necessary to meet the stirring problems of the day.

CEDAR STREET SCHOOL.

Comrades Stockton and Winton represented the G. A. R. posts. There was a very nice audience of the patrons and friends of the school. After an opening address by Mr. Stockton a fine program was rendered, after which short addresses were given by A. H. Sales, an Indian war veteran, Mr. Thomson, chairman of the board of directors, Director Conn, and the closing address by F. D. Winton Esq., of Cushing Post, after which all joined in singing Home, Sweet Home.

UPPERTOWN SCHOOL.

There was an exceptionally fine program rendered to a large and very appreciative audience. The opening and closing songs, "America" and "Home," most appropriate selections, were rendered with much spirit and feeling by both school and visitors. Short addresses were made by Grand Army Comrades C. S. Wright, Gue and Dr. Bushong.

ALDERBROOK SCHOOL.

It is a source of regret that we are unable to give a fuller account of the splendid celebration at this favorite school. The program was long and well rendered. Interesting addresses were made by the visiting Comrades, Daley, May, Dillon and Director Dickenson, of the school board.
