THE REAL VICTIMS.

The Populists and other unfairly disposed people have defended the income tax because they thought it an excellent way to retaliate on the rich, and the idea generally prevails that it will only affect those so fortunate as to have an income of \$4,000 and over.

The use of net trawls along the Pacific Coast is apparently increasing. Those operated by the San Francisco fishermen are of the type used in Southern Europe, and are the Paraneilla of Italian fishers.

Recently a trawl net has been tried for deep sea fishing off the entrance to the Columbia river. One Saturday afternoon this month the steamer Augusta cast her trawl in 30 fathoms of water and made a big haul of crabs and groupers.

Just received from the Willapa Harbor manufactory, a fresh supply of Hemlock Tannin Extract for tanning gill nets, seines, etc.

Went by imprudence, are many stomachs. Puny people have, invariably, weak digestion. The robust as a rule eat heartily and assimilate their food.

Most of the Democrats who voted the Republican ticket were intelligent men who could not be deceived by campaign tricks. Although they are both to admit it, their vote for the Republican ticket was an intelligent condemnation of Democratic incapacity.

Push a Lucky Man

Into the Nile, says the Arabian proverb, and he will come out with a fish in his mouth. Our Buyer was elated last month, and when he returned home he says: "I got 'em; got 'em cheap; got 'em to sell; got 'em so as to undersell all other dealers in Fine Kentucky Whiskies on the Coast. Over fifty demijohns of it went out yesterday—but customers went with them."
