The schooner H. C. Wright cleared yesterday for San Pedro. Workmen have been engaged connecting the custom house with the Benton street wharf.

Orders can be left at Carnahan's store for the Astoria Wood Yard for all kinds of fuel. Photographs were taken yesterday of a 73 pound salmon that was caught by one of Hanthorn's fishermen.

Go to the Astoria Wood Yard for the best kinds of wood; also best grades of coal delivered in quantities to suit. Capt. Howes is back from Tacoma with the tug Wallowa, to which point she towed the bark Portland Lloyd.

Mr. C. Stout, of Senlev, found on the rocks near Fort Canby last Monday a 40 gallon barrel of shellac varnish. The tug Escort blew down yesterday to wash out her boilers and the Wallowa will be the bar pilot in her place.

A stranger got so mixed up with the street cars last night at the Third street junction that it was nip and tuck whether he would get run over, jump in the river or get on the main roadway. Do not fail to attend the "Tea" at Mrs. Elmore's next Friday. Good times are too rare nowadays for you to afford to miss what is offered. The tea will last from 2 to 5 o'clock.

The telegraph wires, after working very satisfactorily for a few hours yesterday, suddenly went down again about 8:35 p. m., somewhere east of Oak Point. It is altogether probable operations will be resumed some time today.

W. T. Chutter has been presented by his friend, J. Robson Weldell, a fine cherry pipe which Mr. Weddell purchased in Paris. When Mr. Chutter gets this pipe going and his favorite magazine before him the Irving club will be one member less that night.

M. Olsen will sell at his auction rooms on Saturday, at 11 o'clock, a lot of family furniture consisting of bedroom sets, mattresses, chairs, an extension table, writing desk, etc. These goods must be sold to the highest bidder, as the owner is going to leave the city.

We acknowledge the receipt of an invitation to attend the annual commencement exercises of the state normal school, which will occur at Monmouth, on the 17th, 18th, 19th and 20th inst. The program accompanying the invitation is one of the neatest and best we have seen this season.

PICKED UP. The U. S. Tender Manzanita when coming in yesterday picked up near the Besse buoy one of Elmore's boats containing two fishermen. They had been swept out by the tide and there was no wind to bring them back.

A REGRETTED OMISSION. Mention of one of the best received, also one of the best efforts of the pupils, at last evening's entertainment at Miss Warren's school was inadvertently omitted. This was the dialect recitation by Master Paul Trullinger. It was a humorous selection and remarkably well rendered.

HAY PROSPECTS. One of the land owners from Clatsop Plains was on our streets yesterday complaining that there would not be any hay raised over there this season. But this was offset by a man from Grey's River, who believes that the ranchers of that vicinity never had better prospects for a good hay crop than at present.

ELECTION OF OFFICERS. The Scandinavian Benevolent society elected officers last evening, as follows: President, Aug. Danielson; vice president, K. Seter; recording secretary, Emil Wesche; financial secretary, G. H. Ekstrom; treasurer, John L. Carlson; finance committee, Martin Olsen and N. Strem; physicians, Dr. G. L. Fulton and Dr. Johnson.

A DISTINGUISHED COMPANY. One of the party accompanying Secretary Herbert on his tour on the Manzanita about the Sound, had his camera with him, and a picture brought back to Astoria shows the familiar faces of Commander O. W. Farenholt, Lieut. Blish, Capt. Gregory and First Officer Wilson, with the honorable secretary and his daughters, in one group.

A COMPLIMENT. Rev. Mr. Nielsen, a Scandinavian Lutheran minister, preached a sermon in English, to a good sized audience in one of Judge Beal's houses on Sunday. The discourse was well delivered and showed a wonderful proficiency in the English language for a gentleman who had only been addressing congregations in English for three months—Cathlamet Gazette.

A COMMON PRACTICE. Some one, evidently a wag, recently started the story on a prominent politician that he has become superstitious and always gets out of bed on one side. Some of his admirers began to deny the story, until it dawned upon them that everybody gets out of bed on one side of it, except those who have their in an alcove and are obliged to get out over the end.

UP AS A VAG. Charles Alyn, charged with vagrancy by Sheriff Smith, had a hearing before Judge Osburn yesterday, and as his attorney, C. J. Curtis, brought out some fine points of law on the question of what constituted vagrancy, Judge Osburn took the case under advisement until 10 this morning when Charles will know how Astoria proposes to honor him.

A NEWSPAPER'S POWER. A newspaper whose columns overflow with advertising of business men, has more influence in attracting attention to and building a city or town than any other agency that can be employed. People go where there is business. Capital and labor will locate where there is an enterprising community. No power is so strong to build up a town as a newspaper properly patronized. It will always return more than it receives.—Rev. DeWitt Talmage.

PROMPT WORK. Capt. Thorp sent word to Acting State's Attorney Curtis by Corporal Ireland yesterday evening that the leaves of absence of five of his men had expired at 9 o'clock in the morning and that they had failed to report. He requested that Mr. Curtis, with the assistance of the chief and captain of the city police, find and lock them up until the departure of the steamer Columbia for California this morning. Mr. Curtis turned the matter over to Chief Loughery, who felt certain the truants were in that part of the city where social sessions are held nightly, and the belles of the neighborhood sing "Kiss My Eyesids Down" and "Sweet Marie" to their numerous guests. He was about right, and soon had four of them corralled, while the fifth was rounded up some time later.

Do you need any Bill Heads, Statements, Letter Heads, Circulars, or any other kinds of Printing? If so, give this office the order. We have engaged a first-class job printer, who will give any work entrusted to us his thoughtful, Mindful, Careful and Intelligent Consideration. It takes downright hard work to do this, but we do it. THE ASTORIAN.

Dr. Price's Cream Baking Powder World's Fair Highest Award.

CAMERA CLUB'S ENTERTAINMENT. To say that the entertainment given by the Camera club last night was a success is not overestimating the situation. The doors were opened at 7 p. m., and by 8 o'clock the house was packed from pit to dome by an appreciative audience. When the curtain arose standing room was at a premium. The children's drill received an especial ovation, and the symmetry and grace with which the little tots performed the several difficult figures reflects great credit upon the ladies who instructed them. It is conceded by all who were present that the entertainment was unsurpassed by any this season, and the Camera Club is deserving of the highest credit for its able rendering of this novel program. Following is a synopsis of the program rendered:

- Overture.....Orchestra
Tableau, "Tenting on the Old Camp Ground."
Sailor drill.....Twenty children
Tableau, "At the Well."
Solo.....Miss Holden
Tableau, "Home and Juliet."
Views.....Columbia Camera Club
Tableau, "The Situation."

A detachment of the Fifth United States Artillery participated in the opening tableau.

The several selections by Prof. Schwaab and Naroni's orchestra were among the most pleasing features of the entertainment.

A WONDERFUL ENGINE. Cannot be Surpassed. An engine exerting surpassing power is always a source of wonder, and yet how many are entirely forgetful of the existence within themselves of an engine more powerful and enduring than any ever invented. Not perhaps until they experience irregular pulses, heart outbursts, asthmatic breathing, tenderness in shoulder and arm, swollen ankles, weak and hungry spells, smothering, short breath, or pain in side, when its existence is no longer to be denied, as the possessor must know he has heart disease. Mrs. Letitia Fitchburg, Mich., had heart disease three years; had to hire house help; lived on liquid food, used Dr. Miller's Heart Cure and all symptoms left her. She has since used it and is cured. Sold by Chas. Rogers on a guarantee, who will give you a doctor's book free.
