The Astorian guarantees to its subscribers the largest circulation of any newspaper published on the Columbia river.

Advertising rates can be obtained on application to the business manager.

This paper is in possession of all the telegraph franchises, and is the only paper on the Columbia river that publishes genuine dispatches.

The Daily Astorian's circulation is five times as great as that of the combined circulation of the other daily papers of Astoria.

The Weekly Astorian, the third oldest weekly in the state of Oregon, has, next to the Portland Oregonian, the largest weekly circulation in the state.

Subscribers to the Astorian are requested to notify this office, without loss of time, immediately they fail to receive their daily paper, or when they do not get it at the usual hour. By doing this they will enable the management to place the blame on the proper parties and to insure a speedy remedy.

Handley & Haas are our Portland agents and copies of the Astorian can be had every morning at their stand on First street.

THE RIGHT PROTECTION.

The falling off in the salmon pack of the Lower Columbia river has become so marked as to excite alarm, not only among those directly engaged in that business, but also on the part of others whose prosperity in one way or another depends upon the success and continuation of that industry.

It is true, that the next legislature will adopt some form of law intended for this purpose, but it is plain to any one who has watched the effect of similar laws in other states that no state regulation can accomplish the desired object.

Gentlemen—I have always recommended Kruse's Headache Capsules wherever I have had a chance. They have proven a veritable boon in my family against any and all kinds of headache.

Itching Piles are known by moisture like perspiration, causing intense itching when warm. This form, as well as Bleeding or Protruding, yield at once to Dr. Bosanko's Pile Remedy.

Mrs. Winslow's Soothing Syrup has been used for children teething. It soothes the child, softens the gums, allays all pain, cures wind colic, and is the best remedy for diarrhoea.

Put your lips around one of the Senator Stanford or the Schiller Cigars, then light it and draw. What do you find? The finest two for a quarter on the coast, and they are gaining new customers every day.

Again there is a break in the only telegraph wire leading from Astoria, and for a town of 10,000 inhabitants, sans railroad, sans wagon road, sans

telegraph, sans mail even, it is certainly not well fixed for outside communication at present. It is to be hoped that Judge Browne's illness at Denver will not prove of long duration.

Owing to a failure of connections in some way, no letter was received yesterday from The Astorian's special correspondent at Portland. The regular installment will doubtless arrive today, and may be expected to appear in tomorrow's issue.

CIRCUIT COURT NOTES.

At the circuit court yesterday the following cases were disposed of: Al. Thrall vs. Nelson Borglund; judgment for plaintiff on default.

Astoria Building and Loan Association vs. Elanor and Wm. Symons; default of defendants.

Martin Ryan vs. Christian Henry; motion to strike out allowed and 20 days to file amended answer.

W. Rigby vs. Book Wook & Co.; judgment on default.

James Anderson vs. Grace M. Welch; until Wednesday to answer.

City of Astoria vs. R. R. Marion; argument on motion.

CURE OF SMALLPOX.

"I am willing to risk my reputation as a public man," wrote Edward Hine to the Liverpool Mercury, "if the worst case of smallpox cannot be cured in three days by the use of cream of tartar.

One ounce of cream of tartar dissolved in a pint of water (hot) drunk at intervals when cold, is a certain, never-failing remedy. It has cured thousands, never leaves a mark, never causes blindness and avoids tedious lingering."

COFFEE

It is rendered more wholesome and palatable if instead of using milk or cream you use the Gail Borden Eagle Brand Condensed Milk, or if you prefer it unsweetened, then Borden's Peerless Brand Evaporated Cream.

Many people believe that all blacksmithing jobs are alike—that they are nothing but muscle and material mixed. That is true of ordinary jobs. Brains are also used to make a good job. So is conscience. A job made without skill or honesty is no good. Our work is widely known for its quality, durability and economy in the end.
