FOURTH OF JULY.

A long and ripe experience has demonstrated to us that there is always a great demand for fire works in Astoria on the glorious Fourth of July, so we have got ready for your coming a large stock of:

- Fire Crackers, Flags,
- Rockets, Bunting,
- Roman Candles, Lanterns,
- Torpedoes, Red Fire,
- Etc., etc.

For surprisingly little money you can be as patriotic as you wish. Come before the stock is broken.

NEW YORK NOVELTY STORE.

Opposite Occident Hotel.

The most novel of the many amusements promised for 4th of July week is that to be given at Liberty hall on the evening of July 3d, by the Brownies and Fairies, in aid of the library. What ever of the other varied amusements you miss, be sure not to omit this one. Due notice will be given where and when reserved seats and tickets can be secured.

NO INTEREST.

The only members present yesterday afternoon at the called meeting of the city council were His Honor, Mayor Kinney, Aldermen O'Hara and Barker. In the absence of a quorum no business could be transacted and the matter to be acted upon will be presented at next Tuesday night's regular meeting.

AN IMPORTANT ENTERPRISE.

The rain has spoiled all out-door amusements much to the disgust of the Poverty Hollow baseball nine, which is fairly aching to get a chance at the Knob Hillites again. They claim in the next game the latter club will get it where the man wore the collar button. Both clubs agree there ought to be an admittance fee charged, the privilege of criticizing the players to go with every ticket. Our people may thus have a Midway Plaisance right at home.

A Letter From

Brown & Browne

TO THE COMMITTEE.

Gentlemen:—Having caught the R. R. Fever while in Astoria, we are compelled to take a rest here in Denver, and although we regret the delay, we believe that a REST will do you gentlemen good, too. In the meantime we desire to make you a NEW proposition, viz.:

We and our associates will build you a road, work to begin as soon as our attorney can look up the title of the original owners of the subsidy, Concomly, Chenamus, et. al., and the road to be completed when free coinage of silver at the ratio of 16 to 1 is established, as the securities of our company consist mainly of stock in some silver mines we have discovered lately.

As we expect to put on a large force of men we desire that you negotiate with the mortgagees of the Herman Wise store in regard to supplying our men with Clothing, Hats, Shoes, Furnishings, etc., as we understand that they offer stock at about 60 cents on the dollar.

Smilingly Yours, BROWN & BROWNE.
