THE ORIGINAL AND GENUINE (WORCESTERSHIRE)

LEA & PERRINS SAUCE

Imparts the most delicious taste and zest to EXTRACT of a LETTER from a MEDICAL GENTLEMAN at Madras to his brother at WORCESTER, May, 1851. "I had LEA & PERRINS' sauce in my kitchen and I highly esteem it in India, and in my opinion the most palatable, as well as the most wholesome sauce that is made."

Beware of Imitations: see that you get Lea & Perrins' Sauce

Signature on every bottle. The original and only John Lea & Perrins' Sauce, Worcester, England.

To cure costiveness the medicine must be more than a purgative; it must contain tonic, alterative and cathartic properties.

Tutt's Pills

possess these qualities, and speedily remove the bowels to their natural peristaltic motion, so essential to regularity.

About six months ago my little son, aged three, was very much troubled with a breaking out on his scalp and behind his ear. The places affected were about as large as a silver dollar, the flesh seemed raw and covered with little blisters. The child suffered considerably, and was naturally very fretful. I tried several remedies without obtaining any beneficial results. In fact the eruptions seemed to be spreading and new places breaking out. I concluded to try the CUTICURA REMEDIES, and bought a box of CUTICURA, a cake of CUTICURA SOAP, and a bottle of CUTICURA RESOLVENT. I washed the affected parts with the CUTICURA SOAP, taking care not to irritate the flesh, and applied CUTICURA. I noticed a change for the better in the appearance of the eruptions in twenty-four hours. I continued the treatment morning and night, and in two weeks the eruptions entirely disappeared, leaving the skin smooth and the scalp clean. In fact a perfect cure, as I have not seen any indications of any eruption or breaking out since. I gave the child only a few doses of the CUTICURA RESOLVENT. I consider your CUTICURA REMEDIES very valuable, and expect to keep a small supply constantly on hand. I believe CUTICURA would be excellent for applying to insect bites, which are very annoying in this country. C. A. ALMSTRAND, Swift Island, N. C.

CUTICURA REMEDIES cleanse the system by external and internal medication of every eruption, impurity and disease, and constitute the most effective treatment of modern times.

Sold throughout the world. Price, CUTICURA, 50c.; SOAP, 25c.; RESOLVENT, 50c. FORTNA DRUG AND CHEM. CO., Sole Proprietors, Boston. "How to Cure Skin Diseases," mailed free.

I do not Eat Pastry.

How often you hear this expression, and the explanation that usually follows: "I am troubled with dyspepsia." The explanation is not far to seek. In the past lard has been used as the principal shortening in all pastry, the result—dyspepsia. The dyspeptic need no longer be troubled, providing

is substituted for lard in the preparation of all food. It is composed strictly of highly refined vegetable oil and beef suet. When used as a shortening, it produces wholesome and healthful pastry.
