The Daily Astorian's circulation is five times as great as that of the combined circulation of the other daily papers of Astoria.

The Weekly Astorian, the third oldest weekly in the state of Oregon, has next to the Portland Oregonian, the largest weekly circulation in the state.

Subscribers to the Astorian are requested to notify this office, without loss of time, immediately they fail to receive their daily paper, or when they do not get it at the usual hour.

Many people believe that all blacksmithing jobs are alike—that they are nothing but muscle and material mixed. That is true of ordinary jobs. Irons are also used to make a good job. So is conscience. A job made without skill or honesty is no good. Our work is widely known for its quality, durability and economy in the end.

LAUGHING BABIES are loved by everybody. Good nature in children is rare, unless they are healthy. Those raised on the Gail Borden Eagle Brand Condensed Milk are comparatively free from sickness. This milk is so easily prepared that improper feeding is inexcusable.

Into the Nile, says the Arabian proverb, and he will come out with a fish in his mouth. Our Buyer was elated last month, and when he returned home he says: "I got 'em; got 'em cheap; got 'em to sell; got 'em to us to undersell all other dealers in Fine Kentucky Whiskies on the Coast. Over fifty demijohns of it went out yesterday—but customers went with them."

Many a man has "broken out" in a passion, and felt all "broken up," trying to get a new pair of shoes "broken in." He has had to "break off" many an engagement on account of crippled feet, and has gone "broken" many a time trying to get relief for his corns—the direct cause of ill-fitting shoes.

You will find all this obviated by purchasing your footwear at the store of JOHN HAHN & CO.
