

## The Babies Bless Them

Keep coming to Astoria because they know it is a good place to grow up in. Their parents come to our store to get all the necessities to make the baby comfortable. Toilet powder, puffs, brushes, combs, nursing bottles, nipples, etc., because they know we have just what they want. Our stock of infant foods include all the leading brands and we sell some of them for less than they are sold in any other town in Oregon. Our drugs are of the first quality and sold at the lowest cash price.

### Quality

Is the first thing to be considered when buying medicine; after that comes the question of price. If you buy of us the first is guaranteed, and the second speaks for itself. Drop in and see for yourself. You are welcome. If only to examine and price goods. Our Saponaceous Tooth Wash is an excellent preparation for cleansing and preserving the teeth and gums, imparting a delightfully refreshing feeling to the mouth and leaving a delicately perfumed breath.

### COUNCIL MEETING.

The city council met last night at the council rooms with the exception of Mayor Kinney, and Councilmen Langworthy, O'Hara and Thomson. The following business was transacted:

Petition for electric light on Corner 14th and Jerome streets referred to street committee.

Petition for a sewer in Olney street from Astor to Harrison avenue, referred to the street committee.

Prayer of the chief engineer of the fire department for ventilators under the floor of Engine House No. 1, granted.

Petition for improvement of Bond street. Committee reported by referring back for better description, as the way the petition reads, the petitioners wish the street improved from J. O. Hanthorn's down to S. Elmore's cannery.

Petition from the Astoria Football Club to help defray the regatta expenses. Referred to the committee on ways and means, and it will end there, as the city charter will not allow the members of the council to make the appropriation, even though they might want to.

Ordinance passed appropriating \$600 out of the general fund for the benefit of Frank J. Taylor.

Ordinance passed appropriating the sum of \$465.00 out of the general fund to pay costs in the Court street cases. (Tax-payers should read these two ordinances over as these two bills date back to the council of '91, when Messrs. Welch, McGregor, Newell, Bergman, and others were at the helm.)

The 18th street ordinance came up, but either the city surveyor blundered and surveyed three blocks instead of two, or the council did not understand his report, and much to the disgust of Scherneckau and Webber it was laid over until the next meeting.

Warrants were ordered to be drawn for the following amounts and parties: Telegraph company, \$18.10; gas, \$2.65; M. C. Crosby, \$3.75; Fisher Bros., \$2.36; J. C. Lang, \$20.70; J. M. Feely, \$9; Astoria Box Company, \$75.70; Clatsop Mill Co., \$44.17; West Shore Mills, \$24.20 and \$12.55; Ford & Stokes, \$7.75; R. R. Marion, \$7.50; Fred Sherman, \$4.

Council then adjourned.

### THE BEACH CLEANER.

There were several bills passed upon by the city council last night, and then being no further business this body adjourned. Any person who had been used to attending these council meetings could not have helped missing Councilman O'Hara from this one. He would never have let that body leave the hall until they had taken up the bill of the beach cleaner against the city. When the council last held a meeting, the beach cleaner was ordered dismissed by them and the recorder ordered to offer him \$100 in full for his claim of \$200 against the city. That meeting was some time ago.

The recorder has had plenty of time to proffer him the amount. But no one in the council seemed to think enough about it or care enough about it to ask whether the bonds of 50 cents on the dollar offer or not. Perhaps they did not care.

Councilman O'Hara would. Councilman Young was very anxious some time ago for the workingman's welfare when he was pushing the last sale of city bonds, but now that the bonds have been sold and the money will soon be here to take up a certain amount of outstanding scrip, he seems to have forgotten the man who has worked for the city and wants his pay.

The fact of the matter is that the beach cleaner refused to accept \$100 in lieu of the \$200 bill he had against the city, and there the matter seems to rest as evidenced by the failure of the common council last night to take any action on his bill.

### ON THE SAFE SIDE.

Everybody knows this is a good place to be, but everybody does not take measures to be there. An efficient preventative places us on the safe side of incipient disease, and there is no more reliable than Hostetter's Stomach Bitters in cases where the kidneys are inactive, which is the preliminary to various destructive maladies, which disorganized have a fatal termination. Bright's disease, diabetes, dropsy, oedema, are the outgrowths of neglected inaction of the kidneys and bladder. They should be checked at the outset with bitters, which will prevent their progress by arousing the receding organs to activity, and thus place those who resort to this saving medicine on the safe side. This preservative of safety also conquers constipation, liver complaint, malarial fever, nervousness and dyspepsia.

All the patent medicines advertised in this paper, together with the choicest perfumery, and toilet articles, etc., can be bought at the lowest prices at J. W. Conn's drug store, opposite Occident Hotel, Astoria.

### SCROFULA 12 YEARS

Always Sore. Face Burned Like Fire.

Ashamed to be Seen. Four Doctors but Little Benefit.

Cured by CUTICURA.

For about ten or twelve years I have been troubled with scrofula. My head was always sore, my face was dry and scaly, and I had a fire most of the time. My body had big red spots on it, and I did not know what to do. I went to four different doctors and they helped me at first. In the last I got worse again; then I tried other remedies, but they did me no good. I was ashamed to go into public. I was a sight to look at. Every one would say, "What is the matter, why don't you take something?" Even as my daily labor I had to wear a cap to keep the dirt from getting into the sores. After a while wash, I would be covered with big red pimples all over my neck and face. Some two or three people advised me to try the CUTICURA. I did try them, and am glad I have done so. Glad to say I am a well man, and in the best of health now. I cannot praise the CUTICURA enough too highly. I enclose my portrait.

LEWIS W. KATON, Larkville, Pa.
