

POLITICS IN NEBRASKA

The man who wants to save the state, though Pop or Democrat, will plead for all to fraternize and let it go at that.

CORRESPONDENCE

Warrenton, Or., August 26, 1894. Editor Astorian:— Your Olney correspondent is now at Warrenton, from which place he writes. On Friday afternoon, Mr. Gallagher and family, a multitude alone, N. Stupp and C. C. Brower, two Young's River pedagogues, and the writer, also a pedagogue, set out for a pleasure excursion for the broad Pacific.

Mr. P. C. Warren is one of the most honored and highly-respected citizens in this locality. He is a man of industry and enterprise, and has considerable business ability, knowing well how to convert everything into money, and always realizes large profits from his investments.

Hon. C. F. Lester, superintendent of the Astoria and South Coast railway, reports business good.

Commissioner Peterson, of Olney, passed through here today on the excursion train en route to Seaside.

Mrs. Berman, of Portland, is the guest of Mrs. A. C. Wirt and Mrs. O. B. Wirt, one of the most estimable ladies in this locality.

The interest in baseball here has subsided somewhat, there having been few or no games played recently.

Many persons here occasionally go to Seaside or Gearhart Park for recreation.

There is one matter that is especially worthy of public attention, and that is the obstruction of navigation in the Skippanon creek by William Hill.

In order to prevent the offender from repeating the offense, if he violate the law again, in this manner, he should be prosecuted to its full extent.

"Disfigured For Life"

Is the despairing cry of thousands afflicted with Unsightly skin diseases.

Do you realize what this disfiguration means to sensitive souls? It means isolation, seclusion. It is a bar to social and business success. Do you wonder that despair seizes upon these sufferers when Doctors fail, standard remedies fail, and nostrums prove worse than useless?

Skin diseases are most obstinate to cure or even relieve. It is an easy matter to claim to cure them, but quite another thing to do so.

CUTICURA REMEDIES Have earned the right to be called Skin Specifics, because for years they have met with most remarkable success. There are cases that they cannot cure, but they are few indeed. It is no long-drawn-out, expensive experiment.

25c. invested in a cake of CUTICURA SOAP Will prove more convincing than a page of advertisement. In short CUTICURA works wonders, and its cures are simply marvellous.

A POINTER

Many people believe that all black-smithing jobs are alike—that they are nothing but muscle and material mixed. That is true of ordinary jobs. Brains are also used to make a good job. So in conscience, a job made without skill or honesty is no good. Our work is widely known for its quality, durability and economy in the end.
