A GREAT TIDAL WAVE

New York Gives a Clean Republican Sweep.

THE WHOLE COUNTRY FOLLOWS.

New Jersey, Connecticut and Indiana No Longer Doubtful.

PENNSYLVANIA UNANIMOUS.

Hill Defeated by 150,000 Plurality. Wilson Undoubtedly Goes Down With the Rest.

THE HARVEST.

The Democrats have sown discontent and the Republicans have reaped the victory. New York, New Jersey, Connecticut, and Indiana, all doubtful states, have gone heavily Republican. The only comfort the Democrats have left is the probable election of Budd in California, Peck in Wisconsin, a senator each in Delaware and Nebraska. Even Chairman Wilson seems to be lost in the shuffle. The Democrats will have to do some tall hustling in the next presidential campaign.

New York, Nov. 7.—The Republicans have carried New York State for governor by an estimated plurality ranging from 130,000 to 150,000. The total vote for the two leading candidates is considerably in excess of that polled for Flower and Fassett for governor in 1891.

In addition is the vote cast this year for Wheeler, Independent Democrat, which will exceed 23,000. The tremendous Republican sweep in this city and the state, it is estimated, has elected twenty-five Republican congressmen, a gain of over eight. It was expressed in all the Democratic estimates on the eve of election it contended that the Democratic plurality beyond Harlem would be at least 30,000. Surprises were not confined to the change of vote, but an analysis shows that Senator Hill will run behind even the vote of Maynard, while in the state he fell below the vote cast for Governor Flower in 1892. An analysis of such figures as are obtainable tonight shows that the Republicans alone have gained by increased registration, for Mr. Morton's vote in all the upper country districts shows large gains over the Fassett vote in 1891. In the cities the same increase in registration appears to have been detrimental to the Republicans.

The vote in Albany was one of the many surprises of the election. Returns from Albany county in the national issues has been looked upon as the reliable Democratic stronghold, good for from 1,000 to 2,000 Democratic majority. The Democratic managers, in view of this fact, and that it is the home of Hill, looked for a majority of not less than 2,500. They felt confident that Hill would be given a handsome vote, as Judge Maynard had carried the county by a normal majority, notwithstanding the Republican trend in other portions of the state. In Monroe, with its Republican county officers, the natural Republican plurality was doubted, and late figures giving Morton 6,000, where in 1891 the same county gave Fassett 2,500. In Rensselaer county he led as closely to the Democratic normal vote as any county in the state.

The results of a sweeping victory are more far reaching than simply the election of the Republican state ticket. While the returns are very incomplete, on the election amendments, it is probable, according to the first returns, that all of them are adopted.

The percentage of loss as compared with the vote of the head of the ticket is not nearly so large as it is supposed to be, and the result, therefore, is that the legislature will consist of 50 senators and 150 assemblymen; that pool selling on races will be prohibited, and that the new judiciary system be inaugurated. The sweep also means that for the first time in many years the Republicans will have control of the state legislature, and at the same time with a governor in the chair in political harmony with them.

REPUBLICANS HAVE THE HOUSE.

Reed Will Probably Be the Next Speaker.

Washington, Nov. 7.—At midnight Secretary McKee, of the Republican committee, gave out the following estimate of the Republican congressmen elected as far as heard from: Alabama, 2; California, 5; Colorado, 1; Connecticut, 4; Delaware, 1; Idaho, 1; Indiana, 8; Illinois, 16; Iowa, 11; Kansas, 3; Kentucky, 3; Louisiana, 2; Maine, 4; Maryland, 4; Massachusetts,

13; Michigan, 12; Minnesota, 13; Missouri, 4; Montana, 1; Nebraska, 5; Nevada, 1; New Hampshire, 2; New Jersey, 5; New York, 25; North Carolina, 3; North Dakota, 1; Ohio, 17; Oregon, 2; Pennsylvania, 24; Rhode Island, 2; South Carolina, 1; South Dakota, 1; Tennessee, 4; Vermont, 2; Virginia, 3; Washington, 2; West Virginia, 3, perhaps 4; Wisconsin, 8; and Wyoming, 1. The New York estimate does not include Brooklyn. The total claimed by the Republicans is 218.

GIVE IT UP AT ALBANY.

A Great Tidal Wave Had Struck the State.

Albany, N. Y., Nov. 6.—A notable gathering of politicians sat in the executive chamber tonight and read returns furnished by the Associated Press. Senator Hill arrived at 7 p. m. He was the first to arrive. Col. Williams, the governor's private secretary, came next. Already a batch of bulletins were on Senator Hill's desk. New York county had been sending in returns that were not of an official nature. At 7:30 all hope of saving the state was given up by those who had thus far arrived.

It is even feared that New York City might go Republican, and it is conceded that Hill would only carry it by a few thousands. Governor Flower arrived at 7:45. He was shown the dispatches and at once gave up all hope of saving the state with the aid of New York city. He said it seemed as if a great tidal wave had struck the metropolis. He said that he felt that a wave was coming when he was in New York this morning. He had hoped that up the state the districts would fall to Hill. All the time Hill said not a word, but read the bulletins and consulted a manual of the vote of former years. As the county returns came in from the state, Hill shook his head and said, "Well, they did pretty well by me." To the consoling remarks of friends he made no reply except to smile.

WHAT THE ADVERTISER SAYS.

The American People Have Shown Themselves Worthy of Their Heritage.

New York, Nov. 6.—The Advertiser tomorrow will say: "The battle is over, the enemy routed. Republicanism has triumphed. Protection will still protect, and Tammany is overthrown. The victory means the Great American people have been aroused and have shown themselves worthy of their glorious heritage. It means death beyond all possibility of a resurrection of that party which for forty years has never had power without showing increased capacity for blundering and incompetency. The Democratic party is indeed dead."

THOUSANDS AT NEWSPAPER ROW

New York, Nov. 6.—The scene on newspaper row tonight when it was conceded by the Democrats that Morton had won the governorship and Strong the mayoralty, was one of the greatest enthusiasm. Ten thousand people thronged the thoroughfare, blocking cars and impeding them. One of the Tammany leaders said: "This will lead to a thorough re-organization of the Democratic party in this city, and it will bring out good results in two years from now."

NEW JERSEY GAINS.

New York, Nov. 6.—An unofficial bulletin, seemingly accurate, estimates at midnight a majority in New Jersey delegation of four Republicans and four Democrats, Republican gain of two.

A NEW YORK ESTIMATE.

New York, Nov. 7, 1 a. m.—Returns by the Associated Press up to this hour show that the next house will be Republican. The returns show a gain for the Republicans of fifty-six.

A GREAT SWEEP.

New York, Nov. 6.—The total vote on Mayor Strong is 152,691; Grant, 111,257; Strong over Grant, 41,434.

A DEMOCRATIC LOSS.

Albany, Nov. 6.—Hill has carried Albany City by 900 plurality. Flower carried it by 2,500.

EVERYTHING REPUBLICAN.

Kansas City, Kansas, Nov. 7.—At 1:30 a. m., the returns thus far received indicate the election of Morrill, Republican, and the entire Republican state ticket. The Republicans will possibly carry all but two congressional districts, and the legislature will probably be Republican on joint ballot.

MONTANA RETURNS SLOW.

Helena, Mont., Nov. 6.—The returns are slow. Hartman, Republican, is elected to congress, and Punt, Republican, chosen for the supreme bench.

SHELBY ELECTED.

Sioux City, Nov. 6.—She returns from South Dakota are very slow. Shelby, Republican, is elected governor.

FAULKNER'S STATEMENT.

He Concedes Many of the Principal Republican Claims.

Washington, Nov. 6.—Senator Faulkner, chairman of the Democratic congressional committee, made the following statement at midnight:

"Indications seem to point to a Republican victory in the congressional contest. However, the information I have received does not justify me in giving up the organization of the house by the Democrats, nor does my information justify me in giving up the election of Wilson. I have men at every doubtful point who will telegraph me as soon as the returns are made up, and I have received no word from any of them, and am certain the counts have not been completed. We have won in the Third and Fourth West Virginia districts, but the chairman of the district admits the election of the Republican governor by 1,666 to 1,700. That district has undergone the most remarkable change ever known in politics of the country, and it is due most likely to the A. P. A. and partly to the manufacturing interests. It is supposed that Cummings is defeated by fourteen votes in New York city, but that is not sure. I understand that our friends in Michigan admit the Republicans have carried the state and all but two members of congress. Tarnsey's election in Missouri seems to be in doubt. The A. P. A. has been active against him. In the South I know of no losses but several gains, including the seat now held by Murray, the colored Republican, of South Carolina. There seems to be no possibility of a loss of more than one district in Virginia. If the reports of the Associated Press are correct, it will be impossible for the Democrats to organize the house. The Republicans claim everything, but I pay very little attention to their claims. We expect to receive telegrams from every Democratic candidate for congress, and will then have something definite on which to base an estimate."

Mr. Faulkner declined to express an opinion of the causes which brought about the Republican majorities.

DAYTON CLAIMS VICTORY.

Washington, Nov. 6.—A dispatch at midnight from Mr. Dayton, Republican candidate in Wilson's district, claims his election by 1,000 plurality.

FIRST REPUBLICAN DELEGATE.

Salt Lake, Nov. 6.—The election passed off quietly today, and a large vote was polled. The counting of the vote is progressing very slowly, and it will be midnight before anything definite is known, even as to the city vote. The Republicans estimate that Cannon, Republican, for delegate to congress, will have 1100 majority, but it is not conceded by the Democrats.

TRUE TO HER IDOLS.

New Orleans, Nov. 6.—The returns so far show almost to a certainty the re-election of the present congressional delegation by about 5,000 each in the First, Third, Fourth, Fifth and Sixth districts, and the election of Chas. F. Buck in the Second by a large majority, all Democrats.

DEMOCRATS UNEASY.

Martinsburg, W. Va., Nov. 4.—Wilson's county, Jefferson, gives him 1440 majority, which is less than anticipated. His election in the Second district will be close, and will require the official count to determine the result. The Republicans are jubilant, and claim Wilson's defeat, but the returns from the back counties cannot be given for a day or two. The Democrats are uneasy.

GAINS IN MARYLAND.

Baltimore, Nov. 6.—Later returns show that the Republicans have gained three congressmen in Maryland.

McMINNVILLE HAS AN ELECTION.

McMinnville, Nov. 6.—At the city election here yesterday 370 votes were cast; W. M. Ramsey was elected mayor.

of, W. L. Wren, J. W. Gault and F. M. York councilmen. W. T. Vinton recorder, and C. H. Neal marshal.

THE WOMEN DID IT.

Waite and Pence Probably Defeated.

Denver, Nov. 6.—Indications at 3:30 o'clock are that McIntyre, Republican, for governor, will have 15,000 to 20,000 majority over Waite, Populist. Waite has run behind his ticket many thousands, but has undoubtedly carried the entire ticket down to defeat him. If the Republicans have 15,000 majority on the head of the ticket, they will undoubtedly control the legislature and re-elect Senator Wolcott, Pence, Populist, is beaten by Shaf-rath, Republican, for congress in the First district.

Pope may defeat Bowen in the Second district, but his majority of 12,000 two years ago will be reduced. Dis-patches from all parts of the state say a very full vote was polled, and in the cities fully as many women voted as men. The polls did not close until 7 o'clock, and it will be late before and definite figures are received. In Denver and the suburbs, about 85 per cent of the registered vote was cast. Women worked earnestly at the polls all day for the success of the Republican ticket, and the result is largely due to their efforts.

TOM MAJORS DEFEATED.

The A. P. A. Did Not Cut Much Figure in Nebraska.

Omaha, Nov. 6.—The vote of Omaha is very heavy. The A. P. A. did not figure to the extent anticipated. However, it has been a factor, but to what extent will not be known for twenty-four hours.

Majors, the head of the Republican state ticket, is an A. P. A., and received the full support of the order in Omaha. Though returns from the state are coming in exceedingly slow, complete returns on the head of the ticket from some localities indicate that the fusion candidate for governor, Holcomb, is elected by 30,000 plurality. There is little doubt that the Republican state ticket is elected with the exception of Governor. This is the result of the fight made against Majors, Republican candidate for governor, by the anti-monopoly men. It is anticipated that the legislature will be exceedingly close, with the chances in favor of the Republicans. The only probable change in the state congressional delegation is in the First, Brion's district, which will elect Strode, Republican.

DOES HERSELF PROUD.

Indiana Goes Republican Along the Line.

Indianapolis, Nov. 6.—Indications point to an overwhelming Republican triumph in this state. The Republican committee claim for Owens from 20,000 to 50,000 majority over his opponent, Myers, for secretary of state; thirteen congressmen and both branches of the legislature. The Democrats concede 20,000 Republican majority, but think they have four congressmen.

REPUBLICAN GOVERNOR IN KANSAS.

Leavenworth, Nov. 6.—Indications are that Morrill, Republican, for governor, will have 2,000 plurality in Leavenworth county. Lewelling carried the county by 248 in '92. The Republicans elect all but six members of the legislature, gaining one member.

MICHIGAN'S BIG SURPRISE.

Detroit, Nov. 6.—Michigan has gone Republican by about 60,000 plurality. The Democrats concede 50,000 plurality. The Republicans have also elected every one of the twelve congressmen from Michigan.

NEW JERSEY'S LEGISLATURE.

Trenton, N. J., Nov. 6.—The indications are that the next legislature will have a Republican majority of thirty-one on joint ballot.
