## FRAUD IN LOUISIANA

There Will Probably be Trouble Over the Election.

CHINA WILLING TO SETTLE.

She Does Not Want to Let Go of Any Real Estate—Other News.

Associated Press.

Washington, Nov. 10.—Chairman Babcock, of the Republican congressional campaign committee, today received the following letter from D. E. Ferris, secretary of the Republican state committee of Louisiana:

"As I wired you in regard to the election, I desire to say that we have taken such steps as necessary and are actively engaged in taking depositions before notaries public on all cases of intimidation, fraud and violence, which occurred on election day, and are prepared to present an impregnable case in the 54th congress as to seating of our congressmen. Never in the history of the worst days of fraud in Louisiana have they gone so far. The Democrats are admitting openly that they overdid the thing, and also openly admit that Meyer, Buck and Pierce will not be seated, but that our congressmen will be."

SHE WILL PAY MONEY.

But China Will Never Give Up Territory to Japan.

Washington, Nov. 10.—The Chinese government appealed to the United States minister, Denby, at Peking, some time ago, to cause his government to intervene in the hope of securing peace, and Mr. Denby transmitted the application to Washington, where it was laid before the president who has had it under consideration for a week or more.

An official of the state department who is conversant with the Chinese attitude, says:

"China no longer conceals her inability to prosecute the war. She recognizes that she was caught unprepared and that it is the part of wisdom for her to make the most of a bad situation by getting peace on the best terms possible. She does this with the expectation and assurance that Japan will come half way. Japan began the war for the purpose, as she said, of securing Corea's complete sovereignty. This China will fully concede. It is also that China will pay a fair indemnity. This, however, will be in cash and not in Chinese territory, as I do not think any peace can be arranged which will permit Japan to occupy a part of Chinese soil."

FOR ORIENTAL PEACE.

It Is Thought the Little Disagreement Will Be Settled Soon.

Washington, Nov. 10.—The events of the last six days in which officials and diplomats of Washington have participated lead them to believe that peace between China and Japan will be concluded at an early day. China has at last reluctantly but very fully admitted that she found herself wholly unprepared for war. Japan on the other hand, smilingly accepts this acknowledgment of her progress and awaits the detailed proposition as to how much China will concede as a basis of peace. It remains to be seen whether Japan demands too much or China yields too little, but the inclination of both powers is so strongly toward getting together that it is believed peace will be effected on a basis of Corea's independence and a cash indemnity for Japan's war expenditures.

AN EXPENSIVE DEFEAT.

It Cost Tammany's Candidate for Sheriff, \$14,950.

New York, Nov. 10.—Of all the candidates at the election of November 6th who have thus far filed their expense accounts, Wm. Bohmer, Tammany's nominee for sheriff, spent the most money. It cost Mr. Bohmer \$14,950 to be defeated. Of this amount he spent \$4,819 for telegraphs and printing; for stationery, clerk hire and circulars, \$2,253; Tammany Hall got \$2,000; \$1,652 went for postage; for posters and letter writing he spent \$1,294; for advertising in daily papers, \$821; for cab hire, \$210; for telegrams, \$75; for expressage, \$53; car fare, \$38; and for wagons and drivers, \$35.

IT STRENGTHENED WALL STREET

New York, Nov. 10.—The moving influence today in Wall street was the reported intention of the government to issue a \$50,000,000 loan. Despite the details of the report in dispatches from Washington, the leading bankers are inclined to the opinion that the government loan is contemplated, and that the official announcement of the fact would be made possibly early next

week. The traders accepted the fact and bought stocks freely on the strength of the theory that it would strengthen the general financial situation, and consequently would cause the appreciation in shares and values.

TO COME INTO PORTLAND.

The Northern Pacific Will Use the O. R. and N. Track.

Portland, Nov. 10.—The Oregonian will say tomorrow: "The Northern Pacific Railroad Company is considering a proposal to come into Portland from Wallula over the O. R. and N. line. The latter company has made a proposal looking to a traffic agreement between the two roads, and if the terms are satisfactory, the Northern will accept, thus securing an entrance into Portland by a route 200 miles shorter than the present one by way of Tacoma. General Traffic Manager Mansford, of the Northern Pacific, will be here in a few days for the purpose of holding a conference with Receiver McNeill, of the O. R. and N."

ONE OF THEIR OWN.

Chicago Will Have a Sensational Investigation Herself.

Chicago, Nov. 10.—The Evening Post says today that owing to the lawlessness of the police in certain districts during the election the civic federation and civil service reform league, backed by the powerful Union League Club, and other prominent organizations, will upon the convening of the legislature, secure the appointment of an investigation board. Its work is expected to rival for sensational revelations, that of the Lexow committee of New York.

FOR HOMELESS CHILDREN.

St. Louis, Nov. 10.—A convention representative of all the states and cities of the Union has been called for assembly at St. Louis December 11th next, to discuss and formulate a plan for the care of homeless and indigent children found in the cities of America. The call was prepared and signed by forty of the most prominent citizens of St. Louis, including Mayor Walbridge, ex-Secretary of the Interior John W. Noble, ex-Governor Francis and many others. It is hoped to prepare a uniform bill for presentation to each of the 44 state legislatures which meet in January next. The governor of each state in the Union and the mayor of each city of over 10,000 inhabitants has been asked to send three delegates.

SUGAR MARKET IMPROVING.

Philadelphia, Nov. 10.—The board of trade is booming. The demand continues quite active and prices rule very strong with a tendency to still higher prices. Stocks are being rapidly reduced, and refiners maintain a large purchase of raw sugar preparatory to resume operations. W. P. McCann, president of the W. J. McCann Sugar Refining Company, the only independent concern in the city, says:

"The sugar market is improving rapidly. We have sold more sugar since the election than during the month preceding it. Sales of raw sugar during the past few days have also been heavy. We are running half time, but hope to be running full force within a few days."

ALL THREE DEAD.

Spokane, Nov. 10.—John Caylor will die at Bonners Ferry today from a gun shot wound received while hunting. In stepping from a boat the hammer of the gun caught on the gunwale. The load was discharged into Caylor's thigh. He was on his way to Spokane for treatment, but blood-poisoning set in. A strange series of fatalities has fallen into the trio of prospectors of which Caylor was a member. Early in the year, one of the partners was killed by a snowslide, and a few months since the second was blown to pieces by a blast in a prospect hole.

THOUGHT TO BE THE LEEDS.

San Francisco, Nov. 10.—The schooner J. B. Leeds, which was believed to be the vessel sighted bottom side up off the Umpqua bar on the Oregon coast, sailed from Ventura for Umpqua, and is now long overdue at the latter place.

WILL CUT DOWN THE FORCE.

Chicago, Nov. 10.—Owing to a lack of city money, Chief of Police Brennan issued a general order today arranging for dropping about 500 police off from the force.

CAPTURED AGAIN.

London, Nov. 10.—A dispatch to the "Pall Mall Gazette" from Chee Foo says the Japanese have captured Port Arthur.

OFF FOR CHINA.

Vallejo, Cal., Nov. 10.—The United States gunboat Yorktown left the navy yard today for China.

A PORTLAND FAILURE.

Portland, Nov. 10.—Sichel & Meyer made an assignment today. Liabilities \$42,000; assets, \$40,000.

## WILL DO LITTLE WORK

The Next Congress Not Expected to Amount to Much.

BUDD'S ELECTION SURE.

His Plurality Climbing Up—Business of the Whole Country Improving.

Associated Press.

Washington, Nov. 10.—The approaching session of congress, which will convene on the 5th of December, is not expected by those familiar with congressional methods to be one of great activity. The fact that it will continue only four months and that it will be the last session of the congress and so closely after the general election, are all considered as indications that comparatively little work will be attempted and still less accomplished. The greater part of the session will in all probability be confined to the exchange of chaffing over the results of the election, and the session will become more memorable, more on account of talk than work. It is probable that next to nothing will be done before the Christmas holidays, and predictions are freely made that it will be difficult to obtain or maintain a quorum previous to Christmas. After the holidays there will be but two months left for work and speech-making.

It will be of course necessary to pass the usual appropriation bills.

MAKING THE TRANSFERS.

Washington, Nov. 10.—Secretary Lamont is today arranging the transfers among the commanders of the army departments due to the retirement of General Howard. The present plan is to make the following changes. General Miles from Chicago to New York; Gen. Ruger from San Francisco to Chicago; Gen. Merritt from St. Paul to San Francisco; General Brooke from Omaha to St. Paul. General Forsythe is to be stationed at Omaha. General McCook is to remain at Denver, General Wheeler at San Antonio, and General Otis at Vancouver Barracks.

BUDD IS QUITE SAFE.

San Francisco, Nov. 10.—At 11 p. m. complete returns from 2,004 precincts in a total of 2,373 precincts in California, give Estee 106,009; Budd, 104,768; Budd's plurality, 1,241.

The San Francisco vote as collected by local newspapers which give Budd a plurality of 1122, is included in those figures. Counting Budd's plurality in this city at 11,703 as claimed by the Democratic state central committee, his plurality in the state at large is 1,234, with 190 precincts to hear from.

BUDD IS GAINING.

San Francisco, Nov. 10.—Complete returns from 2,014 precincts in California in a total of 2,374 precincts, give Budd 104,166; Estee, 103,319. Budd's plurality, 797. This is based upon the plurality of 11,226 for Budd in San Francisco. Later reports from the registrar's office today give Budd a plurality of 11,464, with two precincts which have formerly given a Democratic plurality, to hear from. These will give Budd a plurality of 1,923.

BUDD'S STAR ASCENDING.

San Francisco, Nov. 10.—At 7:30 p. m. 2063 precincts in a total of 2,274, give Budd 105,730; Estee, 105,246; Budd's plurality 534; It is reckoned on the claims of the Democratic committee that Budd's plurality in San Francisco will be 11,703. His net plurality now is 1,911, with 211 precincts to hear from.

STILL IN DOUBT.

Nashville, Tenn., Nov. 10.—The election for governor is still in doubt, and both Democrats and Republicans are claiming it. Returns from 91 counties official and unofficial, give the following pluralities: Turney, Democrat, 33,757; Evans, Republican, 32,053.

THE NEW YORK VOTE.

New York, Nov. 10.—Returns received from all of the districts in the city, three precincts missing, show a vote for the revised constitution of 72,224 against 66,002. The apportionment

clause, three precincts missing, was carried by a vote of 69,516 to 64,621.

IT WAS A TIE.

Two Candidates Tie on Votes and Ask the Governor to Settle It.

Indianapolis, Nov. 10.—Johnathan Keith and John F. Goodman, of Knox county are in town, and they came in a hurry. They are the Republican and Democratic candidates respectively for their county. They are said to have come to Indianapolis over different railroads to get the governor to decide which was elected. Each received 2995 votes. Their case will not be decided for several days.

THE WHAM TRIAL FINISHED.

Vancouver, Nov. 10.—After three hours in session today, considering evidence and coming to findings, the Wham court-martial completed the case and adjourned. The consensus of opinion among army officers particularly, and civilians generally, is that no case has been proven, and that the charge has not been sustained. The case will be sent to Washington for review, and it will be ten days at least before the findings are made public.

THE CZAR OF OMAHA.

Omaha, Nov. 10.—Judge P. O. Hawes, one of the most prominent of Omaha's attorneys, was jailed for fifteen days for contempt by Judge Scott. Hawes had refused to practice before Scott. The court heard of it and sent for the attorney and fined him. A lady attending court remarked to her husband that the affair looked more like the exercise of power than justice. Her remark reached the court and she was at once fined.

A FUSIONIST ELECTED.

Omaha, Nov. 10.—O. M. Ken, a fusionist, is elected to congress in the Sixth district over Daugherty, Republican, by 1,900 plurality, which has just been developed. Daugherty will contest. This is the only break in the Republican delegation.

HE WAS SURPRISED.

Chicago, Nov. 10.—Contrary to his own expectations, the congressman-elect of the Tenth Illinois district is Finis T. Downing, Democrat, his plurality being 51.

THE CALIFORNIA TURF.

San Francisco, Nov. 10.—Ray el Santa Anita met with another crushing defeat today. He ran a poor fourth in a mile and Millard's handicap, which was won by Duke Stevens in 1:45 1/4, which breaks the track record.

Rel Alfonso broke the mile record for 2-year olds.

Six furlongs, selling—Sir Richard, 1:13 1/2.

Six furlongs, selling—Roman, 1:11 1/2.

Autumn stakes, 2-year-olds, mile; value, \$1300—Ray Alfonso, 1:41.

Steeple chase, mile and a half—Longwell, 3:23.

Millard and Millard's handicap—Duke Stevens, 1:45 1/4.

A GOOD GAME.

\*Albany, N. Y., Nov. 10.—Never was a more hotly contested game of football played or never were the teams pitted against each other so evenly matched as in the game played at the Ridgefield gridiron this afternoon between Cornell and Williams. Fully 2,000 people saw the game. Neither side scored in the first half, and after a tremendous struggle the second half also ended with a cipher for each side.

SAN FRANCISCO FOOTBALL.

San Francisco, Nov. 10.—The Reliance football team defeated the University of California team by a score of 20 to 0, but the victory was not a very glorious one, because the team that they defeated was a second team, most of the first team being disabled, and the rest of the University of California team is saving for a game on Thanksgiving.

THE GAME AT ANNAPOLIS.

Annapolis, Md., Nov. 10.—naval cadets and Pennsylvania state college tied scores in their game today. The teams were evenly matched, and the game very exciting. Score—6 to 6.

STANFORDS VICTORIOUS.

Sacramento, Nov. 10.—In the football game here today Stanford University team defeated the Sacramento club by a score of 6 to 0.

Highest of all in Leavening Power.—Latest U. S. Gov't Report.
