YAMAGATA'S LAST REPORT.

Over 500 Chinese Bodies Buried by the Japanese Near Kin Lien Chang.

Associated Press.

San Francisco, Nov. 13.—The steamship Peru arrived tonight from Yokohama bringing the following advices to the Associated Press:

Yokohama, Oct. 13.—Gen. Oyama's army left Japan October 18. The number of troops is estimated at little more than 20,000. They filled nearly 50 transports, and 500 flat bottomed boats accompanied the flotilla to facilitate the landing. On October 24th the east coast of Liau Tung peninsula was reached. A considerable part of the force was put ashore at a point supposed to be some 40 miles north of Fort Arthur, and a little north of the fortified town of Kin Chao, or Chin Chul on the opposite coast. The remainder of the army passed around the extremity of the peninsula into the gulf of Pe-Chi-Li, and towards a destination not yet positively known to the public in Japan. The fleet under Admiral Ito, moved simultaneously upon the stations at Port Arthur and Talien. The purpose was to hem in all the Chinese garrisons in the southern part of Liu Tung and compel their surrender, as well as that of Admiral Ting's squadrons. The native troops defending these positions were not believed to exceed 8,000 in number. These facts are telegraphed from Shanghai. The scene of operations is so remote that no direct intelligence has been received by the Japanese government. The mystery of the stronghold which command one side of the entrance to the Gulf of Pe-Chi-Li, will give a powerful advantage to Japan, and the possession or destruction of the ships sheltered at Port Arthur will secure her undisputed control of Chinese waters; but the capture of a large body of soldiers will be only a burden, which would be gladly avoided were it possible. General Yamagata's army has signalled its advance into Manchuria by the seizure of the walled town of Kew Leen of Shie Lien. The attack was so poorly met that the encounter could scarcely be called a battle. The crossing of the Yalu river was completed on the morning of October 25th, and was followed by a succession of skirmishes in which the Japanese lost 70 killed and wounded. Kew Leen fell October 26th. The defending force was estimated variously at from 10,000 to 16,000, all of whom ran away at the first onset of the assaults. The Japanese casualties were about 40 killed and 80 wounded. Of the Chinese 200 are reported killed. The spoils were of great value, including 40 large cannon, thousands of small arms, and abundance of ammunition, 300 tents and quantities of provisions and fodder. The assault was led by Col. Sato. The fugitives are expected to rally at Hong Wong, a fortified city on the road to Moukden, and little more than half way between that ancient capital and Kew Leen. There a strong force is understood to be gathering. The particulars of the movements in Manchuria are obtained with difficulty, owing to the excessive reticence of the Japanese authorities to charges of disseminating false news, which has been brought against them abroad. Advices from Tien Tsin announce that the Chinese have secured from the Hong Kong and Shanghai bank a loan of 10,000,000 taels, at seven per cent. With this money several ships for the Chinese navy are to be purchased if the present intention is carried out. The exodus of foreigners from Peking continues. The British minister peremptorially ordered his countrymen to leave, and if any aliens remain it will be without the sanction of their diplomatic representatives, who do not undertake to guarantee their safety. Not foreigners alone, but great numbers of wealthy natives are forming their homes and seeking shelter in cities nearer the coast. Even Tien Tsin and Cheo Foo are considered undesirable places of abode, and hundreds of families are on their way to Shanghai. The only European in the Chinese service who lingers at Peking is Sir Robert Hart, chief of the customs staff, and he, it is said, will cling to his post to the last extremity. A severe earthquake occurred in the northern provinces of the main island of Japan on October 22d. More than 200 persons were killed. The town of Sakata was almost entirely destroyed.

YAMAGATA'S REPORT.

Hiroshima, Nov. 12.—Field Marshal Yamagata's report dated Kiu Lien Chang November 10th, says there are no Chinese in that vicinity. He adds the losses of the Chinese in that neigh-

borhood are not fully known, but the bodies of over 500 Chinese have been buried by the Japanese. A great number of bodies of Chinese have been found in the Aiku river.

TO SEARCH FOR THE IVANHOE. The Richard Rush Ordered North for that Purpose.

Seattle, Nov. 13.—A telegram was received today by James D. Hoge, Jr., one of the proprietors of the Post-Intelligencer, from the treasury department, stating that the revenue cutter Richard Rush had been ordered from San Francisco to make a cruise along the coast of Vancouver Island, and among the islands, and make a thorough search for wreckage or survivors from the missing ship Ivanhoe, on which Hon. F. J. Grant, editor of the Post-Intelligencer, is a passenger. The Chamber of Commerce today agreed on instructions to delegates to the trans-Mississippi congress to be held at St. Louis November 26. The delegates will be instructed to oppose the free coinage of silver.

WITH BLOOD IF NECESSARY.

The Kolb Convention Used Harsh Words Last Night.

Montgomery, Ala., Nov. 13.—The Kolb convention last night, after a heated debate re-christened themselves the "National People's Party." A committee on resolutions presented a report which stated the committee had ample proof that Kolb was elected last August and had been counted out. Dr. Crow, of Perry county, declared that Kolb would be seated even if bloodshed was necessary. The report further went on to say that if the legislature did not right the wrong the federal congress would be called upon and the force bill demanded if necessary. The report was adopted. Not a suggestion of the double-barrel legislature or government is contained in the resolutions.

FOUND NO CASE.

Portland, Nov. 13.—Hearing of Everett Hicks, a Canyon City attorney and Democratic politician; John Walsh, executive of Grant county; J. Jewett, liveryman and stage contractor; M. J. Chambers, proprietor of the Elkhorn hotel at Canyon City; and T. A. Morrison, who formerly drove the stage between Canyon City and Harney, on a charge of interfering with the United States mails, was held before Judge Bellinger this afternoon. The men were discharged.

KNIGHTS OF LABOR CONVENTION

New Orleans, Nov. 13.—The Knights of Labor convention met today. Col. T. Sambola Jones appeared as a special representative of Gov. Foster and read a letter from him commending the order. Mayor Fitzpatrick made an address of welcome on behalf of the city and Grand Master Sovereign replied for the Knights of Labor. Sovereign is authority for the statement that he is not a candidate in the sense of actively canvassing.

CYCLONE IN ST. JOHNS.

St. John, N. F., Nov. 13.—The White-ways have swept St. John, overwhelming the government with majorities larger than ever before obtained on the island. In St. John east, the two White-ways candidates were elected, having majorities of about 1,000 each. In St. John west three White-ways were elected with equally large majorities. In the other districts the result will not be known until tomorrow.

THE MARKETS.

San Francisco, Nov. 13.—Wheat—The market is strong in tone; \$8 1/4 for No. 1 shipping, 99 cents for choice. Milling descriptions, 92 1/2-93 1/2. Liverpool, Nov. 13.—Wheat, firm; demand, moderate; No. 2 red winter, 4s 1/2-3/4; do spring, 4s 11d. Hops at London, Pacific Coast, firm; demand moderate; new crop, 12 1/2-13. New York, Nov. 13.—Hops, steady.

BUDD'S PLURALITY.

San Francisco, Nov. 13.—The counties of Santa Barbara, Stanislaus, Madera and Orange were the only ones that reported official returns today. Budd gains 12 in Santa Barbara 23 in Stanislaus, 84 in Madera, and 3 in Orange. The count now stands, Budd, 109,311; Estee, 108,810. Budd's plurality, 1,501. There are still 121 precincts to hear from.

THE NEW BOND ISSUE

Bids Called for to the Amount of \$50,000,000.

STRIKE COMMISSION'S REPORT.

It is Considered Nothing More Than a Belated Campaign Document.

Associated Press.

Washington, Nov. 13.—Secretary Carlisle late this afternoon issued his call for bids for \$50,000,000 five per cent bonds, interest to be paid in coin, which is interpreted to mean gold. The only material changes made in the present call from that issued January 14th last, and are the omission of the upset or minimum price which would be accepted, and the notice of proposals for the present issue must be sealed. It is confidently expected at the treasury department that an amount will be realized considerably in excess of that received on the February issue. Sealed proposals will be received at the treasury department until noon on the 24th day of November. The denomination of the bonds will be \$50 and upwards. The bonds will be dated February 1, 1894, in order to make the proposed issue uniform as to the date with existing issues, but interest thereon will be beginning November 1, 1894, and bidders will be required to pay accrued interest at the rate of five per cent on the face value of their bonds from November 1 to date or dates of payment.

THAT BOND ISSUE.

Sugar Witnesses Will Have to Stand Trial.

Washington, Nov. 13.—There is no longer any doubt that the issue of bonds has been definitely decided upon. A circular asking for bids will be issued the present week, possibly tomorrow or Thursday.

The circular is being prepared now. The forthcoming issue is the same in amount and rate, and in nearly all the other important particulars as the February issue.

Judge Cole, in the district court, today overruled the demurrer in the case of Dr. William McCartney, of Washington, and E. R. Chapman, of New York, brokers, who refused to answer certain questions before the senate sugar investigating committee. The decision means that Havemeyer, Scaries and Seymour and the newspaper men Edwards and Shriver, will have to stand trial.

A WORTHLESS REPORT.

So Will Say the Railway Age of the Strike Commissioners' Document.

Chicago, Nov. 13.—The Railway Age in its next issue will contain a reply to the report of the United States strike commission, addressed to these gentlemen, in which it is charged they are guilty of many errors and misstatements of facts. It concludes by saying: "The curious accident that the misstatements of fact are all on the same side—all tending to throw discredit upon corporations and to increase the bitterness of the laboring classes against capital—is an accident from which one would prefer not to draw inferences. One conclusion only may be drawn, which is, that no matter on what side the errors are, the mere existence of such errors, though many and of such enormity, alone suffice to make the report entirely worthless."

less and discreditable as a public document, discreditable to the commissioners themselves and to the country."

ANOTHER TRAIN ROBBERY.

Bill Cook's Gang Clean Out the M. K. and T. Express Car.

Kansas City, Nov. 14, 1:30 a. m.—It is just reported that passenger train No. 2 on the Missouri, Kansas and Texas was held up and robbed four miles north of Muskogee by Bill Cook's men. The information received is to the effect that the robbers cleaned out the express car of its entire contents.

THE ONLY DEMOCRATIC WINNER

Chicago, Nov. 13.—Congressman Lawrence E. McGann comes under the wire winner, being the only Democrat elected in Chicago. The official count today gave him a plurality of seventy votes over Belknap, Republican. McGann's success makes him a dangerous rival of Jno. P. Hopkins for the Democratic mayoralty nomination in the spring.

A SPOKANE FAILURE.

Spokane, Wn., Nov. 13.—J. A. Loomis & Co., general merchants of Loomis, Okanagan county, have assigned to Henry Willington and Frank Richter. The firm was one of the largest in that section. No statement of the assets or liabilities has been made, but the friends of the firm here believe it will pay in full and leave a handsome residue.

THE CALIFORNIA TURF.

San Francisco, Nov. 13.—Six furlongs maidens—Florence Dickey, 1:14 1/2. Seven furlongs—Ohyess, 1:26 3/4. Match race, five furlongs—Clacquer 59 3/4.

About six furlongs, 2-year-olds—Lady Diamond, 1:12 1/2. One mile—Polaski, 1:40 3/4. One mile, 3-year-olds—Artist, 1:31 1/4.

THE RESULT IN INDIANA.

Indianapolis, Nov. 13.—The official vote in Indiana has been received, and by congressional districts the Republicans have a majority of 53,674. For the head of the ticket, with one county out, the Republican plurality is 47,640. The Populist candidate for secretary of state received 29,251 votes, showing a Populist gain over 1892 of 7,504.

LAST NIGHT'S GAME.

New York, Nov. 13.—The second night's billiard tournament between Schaefer and Ives resulted: Ives, 62; Schaefer, 23; totals, Ives, 1200; Schaefer, 833. Ives' average tonight was 57 5/11, which beats the previous record of 33 1/3 held by both Ives and Schaefer.

WILL KEEP HANDS OFF.

London, Nov. 13.—It is stated here on good authority that European powers are not disposed to take any action in regard to the war between China and Japan as long as the government of the United States is offering mediation.

HE WENT AND DONE IT.

Lexington, Ky., Nov. 13.—Gen. Cassius M. Clay this morning, despite the efforts of his children, succeeded in marrying pretty 15-year-old Dora Richardson.

DENNY WILL CONTEST.

Frankfort, Ky., Nov. 13.—The official vote of the seventh district gives Owens, Democrat, a plurality of 110.

A LONG PROCESSION.

St. Petersburg, Nov. 13.—The funeral procession of the late Czar today was six miles long and a most imposing spectacle.
