BY THE GRACE OF GOD

So Populist Kolb Says He Will Take His Seat.

THE MAULIFF-ZEIGLER MILL. Stopped by the Police in the Third Round—Cook's Gang Surrounded at Last.

Associated Press.

St. Louis, Nov. 19.—A special to the Republican from Birmingham, Ala., says that Reuben F. Kolb, the defeated candidate of the Populist party for governor, publishes a lengthy address to the people of Alabama in this afternoon's edition of the People's Daily Tribune, of this city, the state organ of the Kolbites and Populists, in which he declares his intention to be inaugurated governor of the state December 1st, and calling upon his followers everywhere to gather at Montgomery on that day and aid him in taking his seat. The address says:

"The official count, as declared by the speaker of the house, gives Oates a majority of 27,272. Election frauds committed in a number of counties of which we have positive and sworn evidence, would be more than sufficient to wipe out all majorities claimed for Oates. The foregoing is considered, and in view of the exacting conditions in Alabama, I have determined to discharge my full duty to the people of Alabama, I, fellow citizens, have twice elected me governor of this state, and this time, by the grace of God and the help of the good people of Alabama, I will be governor. I appeal to my friends and supporters, from all parts of the state to be in Montgomery on the first day of December, 1894, there and then to give me their support in a lawful and peaceable manner to vindicate their liberties. I counsel against any unlawful demonstration, but ask co-operation of all free men in a necessary effort to enforce the law and carry out the will of the people."

The arrest of Kolb for treason is not improbable, and if his followers undertake to seat him, which judging from the sentiments expressed at their meeting in Montgomery last week they will undoubtedly do, it is believed there will be serious trouble.

GOVERNOR JONES' VIEWS.

Oates Will Be Installed in Office by the Grace of God.

Montgomery, Nov. 19.—Gov. Jones, when shown a dispatch about the Kolb manifesto, wherein Kolb says that by the grace of God he will take his seat on December 1st, quietly remarked: "William G. Oates has been elected governor by the fairly expressed will of a majority of the people of Alabama, and has so been declared by the general assembly. It is my duty to see that he is duly installed, and by the grace of God, he will be."

DECLARED A DRAW.

The McAuliffe-Zeigler Fight Stopped in the Third Round.

Coney Island, Nov. 19.—The fact that Jack McAuliffe was to appear tonight, this time after careful preparation, against a representative of the Quaker City, attracted a crowd of 3,500 people to the Atlantic Athletic Club's arena here. Inspector McCleary and Capt. Clayton, with forty Brooklyn police were on hand to prevent a recurrence of "knock-outs." A preliminary bout between Paddy McBride and Johnny Gorman was stopped in the fifth round by the police. After a long delay the contest of the evening was called. Both men looked fit to fight for their lives. They weighed in at 133 pounds.

Round 1—Zeigler proceeded to mix matters, and the Philadelphia's stock went up a great many points. Honors were easy at the close of the round.

Round 2—Mac led with his left and the Quaker clinched. Mac swung wild and got a lefthand swing from Zeigler in return. Mac led with his right and landed, countered by Zeigler. Mac led with his right but fell short. A rapid exchange followed. Zeigler landed with the left and followed it with a body blow. McAuliffe landed a stinger on the face, and the round ended in a clinch. Something seemed to go wrong with McAuliffe's hand in this round.

Round 3—The men opened up fiercely, and while McAuliffe punched Zeigler frequently, Zeigler mixed matters and honors were even. If anything the Philadelphia had a shade the better of it. The fighting became so fierce that the police interfered and stopped further proceedings. The referee declared the fight a draw. After the contestants left the ring it was discovered that McAuliffe had broken two small bones in his left wrist. It is claimed that this was done in the second round and probably when he landed a heavy blow on Zeigler's shoulder.

THE DEED OF A MANIAC

He Murders His Mother, Sister and Brother.

THEN COMMITS SUICIDE. He Fires the House and All Four Bodies are Cremated—Other Interesting News.

Associated Press.

Montgomery, Mo., Nov. 19.—A terrible tragedy was committed early this morning about two miles from Wellsville. At that place lived Thomas Portercheck, his mother, two sisters, and a brother, all Bohemians. Portercheck complained yesterday evening that his head was hurting him, and said that he believed his neck was broken and refused to go to bed. At 3 o'clock this morning he secured an ax and killed his widowed mother, his sister and his brother. While he was murdering his mother, sister and brother, his other sister made her escape by jumping through a window. She stood outside and looked in through the window and saw her maniac brother saturate the room with coaloil, set it on fire, and then gash himself with a knife in the throat. He sank down on the floor and all four bodies were consumed in the burning house. By the time the neighbors got to the unfortunate man, the house was all ablaze. They tried to rescue the bodies. This morning the four bodies could be seen still burning in the ruins. The mother was an invalid and had been confined to her bed for twelve years.

NEGOTIATIONS CLOSED FOR THE PRESENT.

Washington, Nov. 19.—The China-Japan incident as far as the United States' offer of mediation is concerned, is considered closed for the present by those in a position to understand the situation. Well-informed persons say Japan made her position clear in such a way as to avoid all embarrassments of positive declination, and yet show that acceptance would have to be based on certain definite conditions.

DISEASED OYSTERS DID IT.

New Haven, Conn., Nov. 19.—Dr. C. A. Lindley, secretary of the state board of health, has completed his investigation into the typhoid fever cases at West College, which have thus far resulted in the death of two students. He is satisfied that diseased oysters were the cause of the epidemic. Oysters were taken from the beds in the Quinnipiac river, near the outlet of a sewer.

BURIED BENEATH A WRECK.

Several Miners Who Were on a Coal Train Supposed to be Buried.

Pittsburg, Nov. 19.—Sixteen cars of coal broke through the bridge over Brush creek at Larimer station this evening and six or seven miners are supposed to be buried under the wreck. The train was on its way down the Larimer branch of the Pennsylvania road to the main line. When within six lengths of the bridge, a car broke down, and when it reached the siding it tore its way through, letting the cars down in the creek in a confused mass. All of the trainmen escaped, but the miners who were on the cars going to their homes are now buried under the debris.
