TOYS.

The space that we give for toys last year was not half large enough to accommodate the great gatherings and curious and pretty things for this holiday season.

That's why we've rented the store room farther up the street and fitted it up as a reception room for the Dolls and Mechanical Toys and many of the other playthings that the little folks delight in. It's like a miniature fairyland to the tots.

You'll enjoy a stroll up and down the aisles among these ingenious bits. So would the children.

THAT BIG BOND ISSUE.

Peffer Wants an Investigation by the Judiciary Committee.

THE IRREPRESSIBLE KELLEY.

With Another Army of Vags He Will March Upon the Country's Capitol.

Washington, Dec. 5.—The senate today showed its first signs of animation, and although the session lasted only until 2:30, there was time enough for several brisk debates. Vest's efforts to secure a change in the rules in order to expedite business, was the chief event of the day. Vest, who was formerly opposed to the cloture, today announced his conversion. Peffer made the first formal speech of the session, articulating, from a Populist point, the recent issue of bonds and giving his views on finance. At the close of Peffer's speech, the resolution was adopted without division. It asks the judiciary committee to inquire into the action of the secretary of the treasury in issuing bonds. Another resolution by Peffer for information from the president as to the use of United States troops at Chicago during the Pullman strike, brought out considerable debate on the question as to its reference to the committee. Chandler, of New Hampshire, supported Peffer's contention. "Now that the president has congress on his hands," said Chandler, "it would be well to get all this and other public information at the earliest possible moment so congress could proceed to deal with them." The resolution was finally referred to the judiciary committee.

The Central Pacific Company has in the treasury to the credit of its sinking fund \$5,070,250, and the question has arisen whether the government could not appropriate this fund to the payment of bonds on maturity. Secretary Carlisle is considering the question with a view of settlement before January 15, when the bonds fall due.

GENERAL KELLY AGAIN.

He is Organizing Another Army to March Upon Washington.

Sacramento, Cal., Dec. 5.—"General" Charles Kelly, who led the band of industrialists from California to Washington last spring, is organizing another army. He has written a letter to the mayor of Sacramento assuring him that his army does not intend to move upon the state capital. "The only place we intend to move upon," says the general, "will be Grover's villa, Washington, and by all that is good and holy we intend to camp in Washington again; to keep on camping and marching until we have a bill passed by congress to provide work for unemployed American citizens."

PRESIDENTIAL APPOINTMENTS.

Washington, Dec. 5.—Included in the list of nominations sent to the senate today by the president was several who were appointed in cases in which appointments failed to secure confirmation during the last session. This list includes David Brown and James W. Black, collectors of customs, Brown for the Montana-Idaho district, and Black for the state of Oregon. Thomas E. Teter and Marshall Petel to be Indian agents; Teter at Fort Hall, Idaho, and Petel at Klamath, Oregon.

SUGAR AMENDMENT.

Washington, Dec. 5.—Senator Quay today introduced an amendment to the sugar clause of the present tariff bill, striking out all provisions except that to remove the one-eighth differential on sugar. The one-tenth differential against the bounty exporting countries remains. Senator Quay says he wants to offer the senate an opportunity to vote directly upon the protection to the trust.

PACIFIC RAILROAD PAYMENT.

Washington, Dec. 5.—Within the next month the government will be called upon to pay \$2,000,000 Pacific railroad bonds. Chairman Reilly, of the committee on Pacific railroads, does not believe the solution of the Pacific railroads debt can be reached at the present short session.

LINED WITH DYNAMITE.

An Insane Man Hurls a Dynamite Cartridge at His Wife.

Colfax, Wn., Dec. 5.—Intense excitement prevailed in Judge Sullivan's court room this afternoon during the examination of a man named Henager for insanity. While Attorney Mark Fullerton was quitting the witness stand, after testifying to Henager's strange actions and threats last night, Mrs. Henager walked into the court from the prosecuting attorney's office. Catching sight of her, Henager sprang from the grasp of the officers guarding him, and with a horrible epithet, hurled a dynamite cap at his wife. It struck the coat of an attorney, and glanced to the clerk's desk, falling to the carpet. Henager was bound down and dragged into an idle room and searched. Five small dynamite cartridges were found on him. The case went on until Mrs. Henager took the stand, when the crazy man fished still another cartridge from his sleeve, but was relieved of it promptly. Finally he made an attempt to pull off his vest, and examination showed a cartridge in his vest strap at the back. Henager was then taken to acell and stripped and re-clothed. He was committed to the Medical Lake asylum.

"BUNCO" KELLY'S TRIAL.

Chief of Police Minto on the Stand Yesterday.

Portland, Dec. 5.—In the trial of "Bunco" Kelly this afternoon Chief of Police Minto was on the stand. The defense endeavored to show that Chief Minto and District Attorney Hume had given Kelly assurance that he would be shown leniency if he would sign a confession when the case was being worked up soon after Kelly's arrest.

Chief Minto denied that he ever promised Kelly leniency. In the confession referred to, Kelly admitted that he had conspired with others to kidnap Sayres, but that it was never intended to murder him.

Geo. Stout and W. L. Boise, who were attorneys for Kelly, testified that Chief Minto gave Kelly assurance that he would be dealt with leniently if he signed a confession.

At the adjournment of court, Chief Minto was still on the stand.

"BUNCO" CERTAINLY IN IT.

Portland, Dec. 5.—In the Bunco Kelly trial today, Shorty Carroll, a former associate of Kelly's, gave some very damaging testimony against him. He testified to Kelly's burning his clothes on the night of Sayres' disappearance.

WILL INVESTIGATE.

The P. I. to Send an Exploration Party to Mt. Ranier.

Seattle, Dec. 5.—For the purpose of ascertaining the extent of the recent disturbances on Mount Ranier, the Post-Intelligencer has decided to fit out an exploration party to climb the mountain. The party, which will consist of a representative of the paper and four others, will be headed by Major E. S. Ingraham, a veteran mountain climber. They will be provided with Canadian snow shoes, and each man will carry a pack of sixty pounds, while a life line will be utilized to haul a sled carrying provisions, etc.

JOINED THE PROCESSION.

Chicago, Dec. 5.—The following papers in Texas have abandoned their former telegraphic news service and commenced taking today the report of the Associated Press: Sherman Register, Denison Herald, Corsicana Light, Corsicana Observer, Texarkana Texarkanian, Houston Age, Houston Press, Marshall Star, and Paris Advocate.

TEN DAYS' ARMISTICE.

Shanghai, Dec. 5.—It is rumored here that a ten days' armistice has been arranged between China and Japan. It is said the terms of peace, which are still under consideration, are to include indemnity and the formation of a buffer state, consisting of the country now held by Japan.

ALLEGED ROBBERS DISCHARGED.

Baker City, Or., Dec. 5.—J. D. Hart, Chas. Gingles, Jos. Hudspeth, Dan Tartar and Hugh McWaters, alleged Hotel Wardsburg robbers, were given an examination today before County Judge Travellyn and discharged on account of insufficient evidence.

Richmond, Dec. 5.—Harry Goodloe, a student of the Central university at this place, died here this morning of injuries sustained while playing football.

OUR GERMAN FRIENDS.

They Place a Heavy Duty on Cotton and Oil.

A TURKISH EXPLANATION.

They Claim the Armenian Atrocities Were not Committed by Regular Soldiers.

Washington, Dec. 5.—Germany has taken the initiative step toward curtailing the importing of another American product in a proposition now before the Bundesrath, to enormously increase the duty on cotton seed oil. The proposition is to increase the present duty, which is \$1, to \$2.50, which is equivalent to a duty of 250 per cent. The subject is treated at length in a report to the state department by United States Consul Merrit at Bremen.

The consul marks the progress of this traffic war in the following significant paragraph:

"I had hoped to be able to report that there was a sincere desire on the part of the German people to join the people of the United States in a mutual effort for the extension of commerce of both countries, but the foregoing, together with the recent edicts against American beef, would indicate to a certain extent a different attitude in this country towards the enlargement of rates of American products."

THE ARMENIAN AFFAIR.

The Legation at Washington Receives an Explanation.

Washington, Dec. 5.—The Turkish legation has received the following communication as regards the Armenian troubles:

"Towards the end of July last, and under the instigation of an Armenian named Hampartseoun, the men of the Armenian villages near Moosh, formed in separate bands and armed with guns, daggers, hatchets and other instruments, attacked the tribe of Delikan. They killed a few men of that tribe, and afterwards fell on the tribes of Bekiran and Radikan. These bands burned alive Hadji, nephew of Eumer Agha, one of the chiefs of the Bekiran tribe, and not only outraged the Musselman women of the village of Kulliguzat, but also put them to death in an atrocious manner. "Thanks, however, to the measures taken by the lawful authorities, the bands in question were dispersed and the insurgent chief, Hampartseoun, as well as the priest, Mighirditch, and other guilty persons, were arrested and brought before the justices. The statement often published in some European papers, that some of the regular troops fired on the defenseless and women, is utterly untrue. No individual carrying no arms was killed."

RAILROAD RATES RAISED.

Chicago, Dec. 5.—The transcontinental lines decided today that effective March 1 round trip rates to the Pacific coast would be advanced \$10, except in the case of the Shasta route, where the advance will be only \$7.50. Colorado and Utah rates from the Missouri river will be restored to the old basis of \$18.75, the present rate being \$10.75. This action is not, the roads claim, an elevation of the rate, but the restoration of the tariff which was in effect before the present demoralization began. The facilities with which the transcontinental lines got together today practically removes all obstacles in the path of the formation of a general association.

MORE FIGHTING GOING ON.

Hiroshima, Dec. 5.—A dispatch from Field Marshal Yamagata dated Antong, December 5d, says a scouting party sent on the direction of Ling Shang Kwang, engaged the Chinese outposts on the summit of Motien Ling November 12th. One Japanese soldier was killed and three wounded. The

THREE MEN KILLED.

Webb City, Dec. 5.—A cave-in occurred this evening at the Center Creek Company's mills on Baker Flat, in this city, burying and causing the instant death of John Larsen, Daniel Troell and Walter Cole.

THE TREASURY BALANCE.

Washington, Dec. 5.—The cash balance in the treasury today was \$154,940,844; net gold reserve, \$111,142,020.
