CITY ELECTION.

Wednesday, December 12, 1894.

REGULAR REPUBLICAN TICKET.

For Councilman, First Ward—G. WINGATE. For Councilman, Second Ward—JAS. W. WELCH. For Councilman, Third Ward—CHRIST GRAMMS.

COL. JAMES TAYLOR.

The death of Colonel Taylor will cause universal sorrow throughout the city and this whole section of Oregon. Added to the pain the sudden announcement of his death brings to his old friends and neighbors, is the reflection that had he been spared but a little longer he might have seen the fruition of his many years' hope and labor for the development of Astoria and Clatsop county.

DIPLOMATIC INTRIGUES.

The Japanese government, says the New York Tribune, has acted with good judgment in declining to receive an envoy who represented the viceroys rather than the government at Peking. The situation in China is fraught with the uncertainties of civil war, and national disruption, and Count Ito is justified in insisting upon treating for peace directly with a duly accredited agent of the throne.

Japan cannot be forced to negotiate peace against its will unless there is concerted action on the part of England, France and Russia. That there has been a secret understanding among these powers for many years respecting a possible partition of China we do not doubt; and the state department at Washington ought to be exceedingly wary in being drawn into any European entanglement in Asiatic affairs.

played now with intrigues in remote quarters of the earth. Even Germany, which has nothing at stake in China, is apparently making a determined effort to secure a port in Morocco, according to the latest news from the Mediterranean. All these matters lie outside the sphere of American interests, and the state department is justified in maintaining a benevolent attitude of impartial neutrality and awaiting the natural order of events without prematurely committing itself in any course of action.

MR. FOX'S LETTER.

We publish this morning a communication from Mr. John Fox, which settles all questions as to the attitude and intention of that gentleman respecting the City Republican ticket.

While Mr. Fox has had occasion to feel disgruntled and disaffected towards at least a portion of the ticket, with the spirit of frankness and courage so characteristic of the man, he wastes no words in needless apologies or explanations, but comes out directly and strongly for the election of the whole ticket.

Believing the vindication and enforcement of the great principles and time-honored forms of the Republican party more important than the satisfaction of individual resentment—however just, he hastens to acknowledge his obligation to stand by the men who represent the dignity of the organization, and to yield due allegiance to the action of its regular convention.

Mr. Fox's letter is a credit to him; and his example, with his words of advice and warning to those sowing seeds liable to ripen into future discord in the party, will go far to ensure the triumphant election of every candidate on the ticket next Wednesday.

TO THE VOTERS OF THE THIRD WARD.

My political opponents have circulated rumors to the effect that if elected I shall oppose the contemplated improvement of the alleyway through blocks 2, 3, and 4, Adair's Astoria. I hereby stamp such reports as false and pledge all honorable support to said improvement, believing same to be for the welfare of the city.

CHRIST GRAMMS.

VICTOR HANSEN, Administrator.

November 19th, 1894.

MARVELOUS RESULTS.

From a letter written by Rev. J. Gunderson, of Dimondale, Mich., we are permitted to make this extract: "I have no hesitation in recommending Dr. King's New Discovery, as the results were almost marvelous in the case of my wife. While I was pastor of the Baptist church at River Junction, she was brought down with pneumonia, succeeding La Grippe. Terrible paroxysms of coughing would last for hours with little interruption, and it seemed as if she could not survive. I then, a friend recommended Dr. King's New Discovery; it was quick in its work and highly satisfactory in its results." Trial bottles free at Char. Rogers' Drug Store. Regular size 50 cents and \$1.00.
