ASTORIA'S RAILROAD CONTRACT. More Good Words From Our Neighbors the Press.

As exchanges from over the state continue to come in, favorable mention of Astoria's railroad contract is noticed. Following are some of the many good things said in that regard:

At hist Astoria has the contract signed for the construction of a railroad from that city, to a transcontinental connection. This is giorious news not only for the long-waiting and long-suffering people of Astoria, but for the building of this road will give a wonderful stimulus to the development and prosperity of all the Oregon coast country, and it will open the way for other railroads. All the big lines will have to get to sait water. This will prove a great impetus to railroad development in Oregon and to the growth of the state.—Polk County Ocserver.
