CITY ELECTION.

Wednesday, December 12, 1894.

REGULAR REPUBLICAN TICKET.

For Councilman, First Ward—G. WINGATE. For Councilman, Second Ward—JAS. W. WELCH. For Councilman, Third Ward—CHRIST GRAMMS.

THE CARLISLE SCHEME.

The country's circulating medium already consists of seven sorts of money—gold, gold certificates, silver dollars, silver certificates, greenbacks, Sherman notes and national bank bills—of the denomination of a dollar or more.

There are rumors afloat as to the origin of the trick attempted on Mr. Wingate that ought to be investigated by the city committee.

My political opponents have circulated rumors to the effect that if elected I shall oppose the contemplated improvement of the alleyway through blocks 2, 3, and 4, Adair's Astoria.

From a letter written by Rev. J. Gundersen, of Dimondale, Mich., we are permitted to make this extract: "I have no hesitation in recommending Dr. King's New Discovery, as the results were almost marvelous in the case of my wife."

Notice is hereby given to all whom it may concern, that the undersigned has been duly appointed the assignee of I. W. Case, and that he has qualified as such assignee by filing with the clerk of the Circuit Court of the State of Oregon for Clatsop County, his bond as required by law.

The candidate for councilman from the First Ward has been at a great disadvantage in his campaign, by reason of supposed absence on public business at Seaside.

reliably Republican ward, and if all the members of the party vote today, he will be elected by a handsome majority.

The charge that Mr. Wingate is delinquent in his taxes last year, and is therefore ineligible as a candidate for councilman today, is a base fabrication.

New crows in conformity with the contract between the railroad subsidy committee and Messrs. Bonner and Hammond were made and delivered yesterday by Mrs. Nancy Welch, James W. Welch and D. H. Welch.

Every American citizen believes in fair play in politics, as in everything else, and the infamous attempt of Mr. Wingate's opponents to deliberately deceive the voters of the First Ward will prove a boomerang to them.

Under the law, as laid down and approved over and over again by the highest judicial tribunals, a candidate's qualifications to hold office may be perfected at any time before he actually takes the oath of office.

Even if Mr. Wingate was behind in his taxes—which he is not—that fact would not destroy his eligibility to be voted for and elected today—but he could not take his seat in the council without first paying his taxes.

If the regular Republican candidate for councilman in the Second Ward is not elected today, it will not be the fault of the newspapers.

If any voter in the First Ward has any doubt that Mr. Wingate is square with the tax register he has only to inquire of County Clerk Dunbar, who will satisfy all question on the subject.

The compliance by Mr. James W. Welch in good faith with the requirements of the railroad contract will guarantee his election for councilman today.

There is every prospect that the entire Republican ticket will be elected today.

Every good Republican will make it a special point to go to the polls and vote for the regular candidates today.

TO THE VOTERS OF THE THIRD WARD.

My political opponents have circulated rumors to the effect that if elected I shall oppose the contemplated improvement of the alleyway through blocks 2, 3, and 4, Adair's Astoria.

I hereby announce myself as independent candidate for councilman for the Second Ward.
