in a dome that this measure can be thrown, Mr. Cleveland will have to anpose through both houses of congress and swer to congress for it. If the feeling the being it coines to passage the Elist is duplicated throughout the country, is the coinfailton of the try, there will be even a greater storm Unfortunately that measure that the matter current the matter of the state of the coines as a step toward a silver current the matter of the attitude of England on the Walker looked upon as a step toward a silver current the attitude of England on the Walker looked upon as a blow at the mational burden gystem. Instead of through the coine of the attitude of England on the Walker looked upon as a blow at the mational burden gystem. Instead of through the coine of the attitude of England on the Walker looked upon as a blow at the mational burden gystem. Instead of throughout the country, the stid decision, the feeling Motice is hereby given that the unit developed, ndministrator of the estate of James P. Metz, deceased, have field in the County Court of the State of Oregon for Classop County, my final account as such administrator, and the same has been by said court set for hearing wednesday, January 9th, 1895, at the hour of 10 o'ciock a.m. at court house at Astoria, Or. All persons intersected therein are hereby notified to then and there appear and show cause if any why the said account be not allowed, and the administrator discharged.

Astoria, Oregon, November 23, 1894. Notice is hereby given that the unit developed, ndministrator of the estate of James P. Metz, deceased, have field in the County Court of the State of Oregon for Classop County, my final account as such administrator, and the same has been by said court set for hearing the county for the state of James P. Metz, deceased, have field in the County Court of the State of Oregon for Classop County, my final account as such administrator, and the county for the count be given by congress for the was with Great Britain and her coling another issue for

the bond syndicate have repenta in nowle that a foreign marthe word "coin" may be con- Great Britain's trade, but it will imred to mean eliver. Timid for deners prove the Chinese government, teach sis, and taking out our gold in the people of that nation a needed less

ce plars for the same reason.

Our that the president has in part overed his beach and renewed his tive interest in the currency question, d firmatein situation, be is appailed the conditions with which he is the conditions with which he is the conditions with which he is the condition of the condition and has not made the slightest man and has not made the slightes at the conditions with which he is to has slarmed the conservative in-presses of the country, and offended the New York business and trust companies.

it this is not the worst of the mat in the option of men who know inside of administration affairs, the about has discovered, or at least Instruction perception of the true

Instruction of the motives and methods
acceptance of the treasury. Mr.
and is more beginning to perwhat he did not perceive four
age, that Mr. Carlisle has assailincluded to make the guise
approximate bending system and put
index to miver under the guise
approximate the form of the companion of the motives and methods are niverseless. I have been a sufferer from
headache for many years, and have
never found anything to do me as
much good as Kraume's Headache Capsules.

LOUIS HERMAN as a slimmering perception of the true two reduces of the motives and methods pal plan was to reorganise ry axulum on the lines of the dea, making a few concesor to secure votes. He in-

mintry a long way toward silver currency, and that it threatened to deas the very object in view by putting aid at a premium. Probably Mr. Cleveand will be loyal enough to his secretary of the treasury to stand by him despite the indiscretions and bad mangenerat of the latter. So far as yet opposes the prosident will withstand he assaults of the New York men upon the secretary, though one can never tell when the poison of suspicion will enter the president's mind and work a violent scuption. It is known the New York crowd have renewed their assignita upon Carllele. They have virtually sent word to the president that he can never expect a successful financhil policy until he throws Carlisle overboard; that they are done with helping the treasury out of its tight pinches as long as Carlisle remains at the head of it.

Cleveland is in for trouble about Ha-wail again. The continued indifference

e original bill or the Springer substi- or Senator Lodge and other Re-Cas situation is discouraging in every done to please anybody in foreign matconsideration of the Care term; and if any trouble should occur de bill in courress has aggravated at Honolulu and the republic be overa down that this measure can be thrown, Mr. Cleveland will have to an

he administration has to face The total foreign trade of China es is this: With or without the amounted in 1892 to \$259,086,338, and cars ineritable, and unless \$208,089,110, or 80 per cent of that trade

a more adaptable bond the onles. The consting trade is in the will have a great deal of hands of the British, and so are the selling another issue for banking facilities of the twenty-three and all persons indebted to said estate are requested to pay the amount of such indebtedness to me. m New York in addition to head of the customs administration and of syports that the mem-bond syndrous bave repentif their bergain, and that they are to China about \$30,000,000 worth a year organia upon Necretary Carilale's of opium, and nearly all the \$65,000,000 womb of cotton and woolen goods Chiconds of that description on favorable of their colonies, Great er and there are bints that the Hiritain buys from China \$3,000,000 less ing anidost Mr. Carlisle in New of merchandles than does the United Total le su bitter the teading bouses of Suates, and sells about \$25,000,000 more that city will have nothing to do with another issue. The president has not the colonies are included the difference forcetten how pear one proposed sale. de came to a disastrous failure in Brimin's favor is enormously inm tota A year ago, and he will ap- creased. That explains the great destru

sity for another issue of England to preserve the weak and a secut deal of treptdation. The corrupt government of China from rey be found for the bonds, but it organization. It is purely a selfish in-Mortunes had foreign investors are torest. But Russia can be depended Westport, Oregon. t experious of the absolute upon to prevent any direct interference are of these securities siened under by Great Britain in the interest of her old resumption act. Again, these strade. If the Japanese force on China has been held to mean gold, the the importance of adopting western and foreigners have always before ideas in the internal and external ad-

> son and benefit the world in general. LIST OF LETTERS.
