What we WISH

Is a plain talk with Astoria people. Does municipal patriotism pay? What say you, reader? How many of us think of this when we come to spending money? Yes, the fact is, we should all always think of it.

Suppose that we all traded away from home. How long would it be before Astoria would be deserted—before its vacant buildings would stand as tombstones in a dead city?

We hold it to be the part of wisdom, the part of duty, for every resident of Astoria to buy in Astoria, and to buy Astoria made goods, whenever he can be served as well as he can be abroad.

It is worth its weight in gold. We won't keep store or house without it." Get a trial bottle free at Chas. Rogers' Drug Store, Odd Fellows' building.

"ROCK ME TO SLEEP, MOTHER."

The poem, "Rock Me to Sleep, Mother," was written by Elizabeth Akers Allen, known otherwise as "Florence Percy." It is a general favorite, for it is a sweet little touch of home life. But there is another side to the picture. Many a mother rocks her child to sleep who can neither rest nor sleep herself. She is always tired, has an everlasting headache, is low spirited, weary, nervous, and all that. Thanks be, she can be cured. Dr. Pierce's Favorite Prescription will do the work. There is nothing on earth like it for the "complaints" to which the sex are liable. Once used, it is always in favor.

Dr. Pierce's Pellets are specific for biliousness, headaches, constipation, piles and all kindred ailments.
