What we WISH

Is a plain talk with Astoria people. Does unbridled patriotism pay? What may you, reader? How many of us think of this when we come to spending money? Yes, the fact is, we should always think of it.

Suppose that we all traded away from home. How long would it be before Astoria would be deserted—before its vacant buildings would stand as

You'll

Be surprised to see what a little money will buy in the way of Jewelry and Silver Ware at Ekstrom's Jewelry Store. You'll also be surprised to see what fine work the engraver can do.
