## SYMPATHY FOR HAWAII

Frye Introduces a Resolution in Senate to That Effect.

LODGE GROWS SYMPATHETIC.

Thinks Gresham and Cleveland Should be Impeached—Last Night's Prize Fights.

Associated Press.

Washington, Jan. 19.—A resolution was introduced in the senate by Frye, Republican of Maine, declaring the senate hears with regret of the Hawaiian revolution, and extending sympathy of the senate to the young republic.

Lodge then gave notice of his intention to call up the resolution offered by Aldrich on the 9th inst., saying that such a course would be necessary by the objection which has been made to the present consideration of other resolutions. It was as follows:

Resolved, That the senate always having in view the public interests and those of American citizens residing in the Hawaiian Islands, in of the opinion that this government should be represented in Hawaiian waters by one or more ships of our navy.

He could not refrain from pointing to the verification furnished by the uprising reported in today's papers, of predictions that have been made by Admiral Walker in his report and by himself in his remarks made in the senate, based upon that report. The admiral had made it a point, that the withdrawal of American ships from Hawaiian waters would make an impression upon the native mind that this government was in sympathy with the royalists, and in favor of the restoration of the queen. Without disposing of the resolution, the senate adjourned.

HARD THINGS ABOUT GRESHAM.

He is Scored for Withdrawing Warships from Honolulu.

Chicago, Jan. 19.—A special to the News from Washington says: The enemies of Secretary Gresham at either end of the capitol, such as Senator Lodge, of Massachusetts, and Congressman Boutwell, were active today. The Maine congressman was loud in his characterization of the "outrageous policy of the present secretary of state." The withdrawal of the American warships, he said, was to give the royalists another opportunity to make another attempt to regain control of the islands. "Such actions call for impeachment proceedings against the president and secretary of state."

THURSTON OFFICIALLY NOTIFIED

Washington, Jan. 19.—Thurston, the Hawaiian minister, received this telegram from President S. P. Dole, sent via San Francisco: "The rebellion is broken; the leaders and remaining followers are fugitives in the mountains."

DIXON-GRIFFO FIGHT A DRAW.

Coney Island, Jan. 19.—Geo. Dixon, colored, and Young Griffio met here tonight. After 25 rounds of hard and furious slogging, the fight was declared a draw.

Throughout the fight Dixon did most of the leading, but Griffio's clever dodging and fair punching evened matters. Dixon's right eye was almost closed. Both men put up a good fight, and the crowd was satisfied with the decision.

CREDON WHIPPED BERNEAU.

Galveston, Tex., Jan. 19.—Credon tonight knocked Berneau out in the second round.

ONE JAP KILLED.

Hiroshima, Jan. 19.—It is officially announced that on the morning of January 17th, 15,000 Chinese troops from Lao Yang encountered the Japanese to the northwest of Hai Ching. The Chinese were repulsed by sundown. On ly one Japanese soldier was killed, and 40 wounded.

THE NEW CHANG BATTLE.

London, Jan. 19.—A dispatch from Hai Ching, dated Thursday, says in the fighting which occurred in the vicinity of New Chang, Wednesday, the Chinese were defeated with a loss of 900, and the Japanese lost 35.

NO DAMAGE DONE.

Chee Foo, Jan. 19.—Three Japanese warships yesterday opened fire upon Ting Chow Foo. The firing ceased in a short time. No damage was done.

AN ABSCONDING MAGISTRATE.

Nashville, B. C., Jan. 19.—The sensational disappearance of Police Magistrate Pinta, as the outcome of the royal commission, is no longer a mystery. It has been ascertained that he left town yesterday afternoon in a small boat with his youngest son. The

boat was seen later in the day heading for the American side by a passing steamer. Investigation of his private affairs shows that for years he has been using public moneys as well as property of interestates for his own use. It is estimated he has gotten away with a very large sum of money.

WILL JOIN HER HUSBAND.

Bank Wrecker McDonald's Wife Sails for Japan.

San Francisco, Jan. 19.—Mrs. Frank V. McDonald, wife of the man who was indicted by the grand jury for complicity in the Pacific Bank and Home Savings Bank swindle, and who is now residing in Japan to escape trial, sailed for Tokio last Tuesday on the steamer China. It is said she carries with her an answer to several letters written by McDonald to heavy depositors in the banks, asking terms on which he could return to this city, and not have to stand trial on the indictments. By the terms of the letter, Mrs. McDonald was to be the one to carry the answers to him.

WANT THE MORTGAGES FORCLOSED.

St. Louis, Jan. 19.—Before Judge Walter H. Sanborn, of the United States circuit court today, Gordon Dexter and Oliver Ames, second trustees for the first mortgage bondholders of the Union Pacific Railroad Company, filed a bill of complaint, setting forth that interest on the \$27,000,000 first mortgage bonds had been defaulted January 1, 1895, and asked for a foreclosure of mortgage and the appointment of separate receivers for that division covered by the mortgage, known as the main line. The court took the matter under advisement, and will render a decision probably the first of next week.

ONLY A MATTER OF FORM.

St. Louis, Jan. 19.—Prior to bringing in his bill of complaint for foreclosure of the Union Pacific mortgage, Mr. Pierce stated that the matter of asking for an order of foreclosure and the appointment of receivers was purely one of form. He said it was being done on all the Union Pacific lines where the interest defaulted, and denied that it was done for the purpose of stirring up congress.

THE DOOLAN GANG.

Hennessey, O. T., Jan. 19.—Deputy sheriffs had an encounter with the Bill Doolan gang some distance north of here this morning, and four of the gang were killed.

THE QUARTERLY DIVIDEND.

Chicago, Jan. 19.—The quarterly dividend of 2 per cent per share has been declared from the net earnings of the Pullman Company, payable February 15th.

TREASURY BALANCE.

Washington, Jan. 19.—Today's statement of the condition of the treasury shows the available cash balance of \$185,878,162; gold reserve, \$74,327,000.

One of the most perilous voyages ever made was that of the German bark Ernestine, 827 tons, from Hamburg to the Cape of Good Hope, commencing on July 14th last. She took a general cargo, including 63 drums and 145 cases of phosphoric acid, consigned to the town council of Cape Town, and intended for use in the electric lighting of the city. The captain was assured that the acid was hermetically sealed. He asked to be allowed to carry it on deck, but this was objected to. All went well until the bark was six weeks out, when in pumping it was discovered that the acid was leaking. The feet of the men working the pumps were burned, and their eyes affected. The acid was observed to eat off the dirt on deck, leaving the wood as white as snow, and it was inferred that if allowed free course below it would eat its way through the vessel. After arrival at Cape Town early in October, it was discovered during the discharge that four of the large drums were empty, and that between 400 and 500 gallons of the acid had found its way into the main hold, through the ceiling of which it had bitten its way down to the hull itself.—Fairplay.

The largest incorporated city in the state of Oregon, with perhaps the fewest inhabitants, is Clatsop City. It extends from the government reserve on the north at Fort Stevens, south to Seaside, a distance of 15 miles, and is from two and one-half to three miles in width. Last week they enjoyed a municipal election, and it is an astonishing fact that the good people over there drew the line between the two factions and made a most bitter fight. The lower-plate people wanted a change in the cow ordinance which the upper-plate people would not agree to, and to even matters, a change in the liquor ordinance which the up-plate people wanted did not meet with the ideas of their southern neighbors. The battle was fought out on these grounds, and resulted in a victory for the up-plate or Warrenton faction. The officers elected were as follows: Recorder, Chas. White; trustees, H. C. Harrison, J. A. McIntire, W. H. Bruce, S. Campbell, S. A. Vannice; marshal, A. J. Hill.

## RIOTING IN BROOKLYN.

Over 3,000 Militia Are Out to Preserve Order.

CHARGED THEM WITH BAYONETS

One Man Stabbed in the Back and Several Injured by Falling in Cellars.

Associated Press.

Brooklyn, Jan. 19.—About 2,000 militia under arms today prepared to put down any violence on the part of the striking street railway men or sympathizers. The first appearance of soldiery on the street was greeted with jeers and hissing from men and boys who thronged the thoroughfare, while women at the windows of the tenement houses shook their fists and uttered imprecations. Detachments of troops have been sent to stations on all the trolley lines which the companies propose to operate today.

Calling out troops caused indignation among the labor unions. Master Workman Connolly said that a general strike may be ordered before Sunday. At noon there was no change in the number of roads in operation. The first demonstration of violence towards the soldiery took place at the Halsey street depot, where Corporal Cherry, of Company I, 4th regiment, was knocked down and severely beaten. Several cars were attacked by the mobs, and the conductors and motormen severely beaten. The soldiers went to the East New York depot on Fulton street at noon. A crowd of strikers had collected there to prevent the cars from being started. The police charged the mob and used clubs freely. Two strikers were badly hurt. Nearly 100 strikers and sympathizers layd out Broadway cars near Flushing avenue, and carried off the motormen and conductors as prisoners. Two cars on the Fulton street line, which were flying the United States flag, reached Williams place and Fulton street at 1:40 p. m. About 1400 strikers chased four policemen, passengers and union men from the cars. The police were re-inforcements on the way to the scene. The mobs were constantly in creating, and serious trouble is expected.

CHARGED WITH BAYONETS.

The Brooklyn Strikers Are Forced Back by the Militia.

At 7:10 and again at 1:15 the militia charged the mob which had become threatening. The strikers and their friends had begun to gather in front of the car houses and jeered the soldiers. The crowd was driven back to the house on the opposite side of the street and fell pell mell through the doorways and down the collars. Charles Wilson was injured by being stabbed in the back with a bayonet.
