THE MAIN FACT.

The fact of most importance with regard to the existing financial troubles of the government is that they are primarily and principally attributable to Democratic incapacity in the management of public affairs, says an exchange.

There is no scarcity of money in the country, but an abundance of it that lies idle for want of safe and profitable chances of investment. All of the various forms of currency circulate at par, and people are glad to get any of them in return for labor and in payment for products.

The prediction has been made that the New York banks will put the endless chain in motion again as soon as the president's new bond loan has been made, and empty the treasury of gold once more.

"Disfigured For Life"

Is the despairing cry of thousands afflicted with Unsightly skin diseases. Do you realize what this disfigurement means? It means isolation, seclusion. It is a bar to social and business success. Do you wonder that despair seizes upon these sufferers when Doctors fail, standard remedies fail, And nostrums prove worse than useless?

Skin diseases are most obstinate to cure or even relieve. It is an easy matter to claim to cure them, but quite another thing to do so. CUTICURA REMEDIES Have earned the right to be called Skin Specifics. Because for years they have met with most remarkable success. There are cases that they cannot cure, but they are few indeed. It is no long-drawn-out, expensive experiment. 25c. invested in a cake of CUTICURA SOAP Will prove more convincing than a page of advertisement. In short CUTICURA works wonders, And its cures are simply marvellous.

WHO WANTS TWINE?

It astonishes the old time sailors to see how the fishermen have taken to Marshall's twine the last few years and they may.

THE HIGH BOAT of last season over all the other boats on the river used MARSHALL'S TWINE.

WHY? Because it is the strongest. Because it has not been weakened by bleaching. Because it is sold with a guarantee that if it does not prove satisfactory it can be brought back at the end of the season.
