

A PIECE OF HER MIND.

A lady correspondent has this to say: "I want to give a piece of my mind to a certain class who object to advertising, when it costs them anything—this won't cost them a cent."

"I suffered a living death for nearly two years with headaches, backache, in pain standing or walking, was being literally dragged out of existence, my misery increased by drugging."

"At last in despair I committed the sin of trying an advertised medicine, Dr. Pierce's Favorite Prescription, and it restored me to the blessedness of sound health."

"I honor the physician, who when he knows he can cure, has the moral courage to advertise the fact."

"The medicine mentioned cures all the delicate diseases peculiar to females, as 'Female Weakness,' periodical pains, irregularities, nervous prostration, spasms, chorea or St. Vitus' Dance, sleeplessness, threatened insanity."

"To permanently cure constipation, biliousness, indigestion, or dyspepsia, use Dr. Pierce's Pleasant Pellets."

Speaking of official economy, Philadelphia councilmen have the floor. They receive no salaries, and yet some of them are known to have made money out of the job."

LIKE A SILVER. The chief function of the kidneys is to separate from the blood, in its passage through them, of certain impurities and waste particles which make their exit through the bladder."

The recitation of these, in consequence of inactivity of the kidneys, is productive of Bright's Disease, dropsy, diabetes, albuminuria, and other maladies with a renal tendency. Hostetter's Stomach and Bowel Depurant, impels the kidneys when inactive to renew their filtering function, and strain from the vital current of impurities which it and threaten their own existence as organs of the body."

By a rousing majority vote the council of Kansas City passed an ordinance making the price of gas \$1 per 1,000 feet, on and after March 1. This is one of the rare instances of afterthought and regret that the oppressed applaud.

CURE FOR HEADACHE. As a remedy for all kinds of headache Electric Bitters has proved to be the very best. It effects a permanent cure, and the most drugged sick headaches yield to its influence.

Among the resolves introduced in the Maine legislature last week was one for the appointment of a committee to inquire into the expediency of purchasing the Blaine homestead in Augusta for an executive mansion, and to report to the next legislature.

Robert G. Ingersoll denies that he is dead. This is a case in which expert testimony is convincing. The extraordinary cold spell is believed in certain quarters to be a reflection of the intense Arctic atmosphere which has settled down between the whitehouse and the capitol.

THE DISCOVERY SAVED HIS LIFE. Mr. G. Callouette, Druggist, Beaverville, Ill., says: "To Dr. King's New Discovery I owe my life. Was taken with La Grippe and tried all the physicians for miles around, but of no avail, and was given up and told I could not live."
