ABSOLUTELY PURE measure approved by the Oregon com-

"I can safely say," said Mr. Olsen, that if the close season is carried out as represented in the Steiwer bill, the loss to Astoria will be fully \$100,000 per "that the last meeting was legal and running about April 1st, and move very nes benefited will be the owners of wheels at the Cascades. No fish will get by these deadly machines, and so all attempts at the preservation of

salmon will be for naught." "What," said the reporter, 'is your weight of salmon caught?"

"Anyone who has had any experience t lishing, knows only too well what Mr. Langworthy saw Mr. Bergman the result will be. It simply means endless litigation for the fishermen, for is not an easy matter to estimate he weight of a fish in the net, espe cially at night, and once gaffed in lift ing into the boat, means a dead fish." "Is the Sunday closing law a good eature?

"As the law now stands, it is but premium on rascality, and law-abidng fishermen are the only ones who ruffer. If there is to be protection to almon by a close season, it should b in the fall, when all fishing, gill nets eines, traps, and wheels should stop on the same day. As the Stelwer bil low stands. It is the greatest blow at the fishermen of the Columbia rive ver attempted, and is wholly in the nterests of the wheel men." Mr. R. Robertson, an experienced

sherman, and several others of long experience on the Columbia, voiced the sentiments of Mr. Olsen on this ques
