If a mine-owner can get legal tender notes of the government for all the silver which he can deliver, even though only to the amount of its market value, he gains two advantages.

The taxpayers of the state will hold the Republican party responsible for the extra session, if one is called to elect a senator, and the opposition parties will thus be furnished with much valuable campaign capital.

Every office holder in Clatsop county who proposes to stand for re-nomination should favor Mr. Dolph's re-election, because no Republican on the next county ticket can be elected with the party divided and disrupted.

CURE FOR HEADACHE.

As a remedy for all kinds of headache Electric Bitters has proved to be the very best. It effects a permanent cure, and the most dreaded sick headaches yield to its influence.

In Nevada and Colorado the women vote, and there is no bar to their holding some of the offices, but they do not seem entirely satisfied with secular enfranchisement. They are now agitating for equality in the churches also.

Corvallis' local items were crowded out of her paper last week by a write up of an \$800 monument which has just been placed over one of her late citizens now resting in an Albany cemetery.

Take a dose of DeWitt's Little Early Bitters just for the good they will do you. These little pills are good for indigestion. Good for headache, good for liver complaint, good for constipation. They are good. Chas. Rogers.

A church raffle was stopped in East Portland by the anti-gambling law. About the only thing left for the East Portland people is guessing how long it will be before the motor comes.

It cures piles, it cures obstinate sores, chapped hands, wounds. It does this quickly. Is there any good reason why you should not use DeWitt's Witch Hazel Salve? Chas. Rogers.

An Ashland woman has succeeded in getting the town "down" on her by putting her "at home" day on wash day.

Busy people have no time, and sensible people no inclination to use a slow remedy. One Minute Cough Cure acts promptly and gives permanent results. Chas. Rogers.

be demonstrated a little further along, to the enlightenment of those wise and potent legislators, that any special law involving the adoption of a charter for the government of a city, or any material alteration therein, like the constitution of a state, derives not a little of its legal force and validity from the consent of the people to be governed thereby.

Some of the Democrats in congress lay the blame for the defeat of Cleveland's bond proposition on the Republicans, but it will be just as reasonable to hold the Democrats in the Oregon legislature responsible if that body adjourns without electing a senator. If there had been no Republicans in congress the president's plan would have been defeated just the same, because a majority of the Democrats, the controlling party in congress, voted against the bond issue.

The men who hold the offices, and the men who desire to get them, should be the greatest sticklers for party discipline and conformity to party usage.

CHEERFUL WINTER EVENINGS.

Nothing brings so much joy and comfort to the fireside as a genial visitor—one that entertains and instructs every member of the family. The larch string is always out for the Prairie Farmer, for it always brings a big weekly budget. It is brighter than ever, with a host of new writers, this year. The Thanksgiving and Christmas numbers will be worth more than a year's subscription. \$1.00 gets 52 visits.—The Prairie Farmer, Chicago.

There's nothing so GOOD as Cottolene

The new vegetable shortening. Wherever introduced, it drives lard from the kitchen, and indigestion from the household. It has been tried by every test, and has met every requirement. It is much superior to lard as the electric light is to the tallow-dip. The only question now is, will you give your family the benefits which its use bestows?

There's nothing LIKE Cottolene

In composition, in healthfulness, in flavor, or in economy. Its success has called out a lot of imitations and counterfeits made for the sole purpose of selling in the place and on the merits of Cottolene. Avoid them all. They are made to sell and they are a sell. Get the genuine COTTOLENE.

Did he ever ask his brother fishermen what sort of twine they used? If so in nine cases out of ten, if they be successful fishermen, the answer has been "MARSHALL'S TWINE."
