THAT LIQUOR LICENSE.

Editor Astorian:-I have not the honor of being a mem ber of the Chamber of Commerce. Doubless that body is doing its utmost towards advertising Astoria in the advent of the railroad prospects. But I have been wondering if it would not be well for that body through its immigration bureau, to attach to each advertising sheet a little tag explaining all about how our city council came Sheriff of Clatsop County to Asto grant the Casino liquor license. The ing the construction of a beautiful cilmen represent the largest better ele-Seems is if half the mothers in Astorian from Saturday bought a pair or two of those LITTLE GIANT school shoes for their children. The other half will as soon as they hear of the wearing qualities of those that are being worn about the city. You can have your choice of leather, kid, grain or calf.

A dispatch to the Astorian from Saturday obstation and the bill seeming will a time of the council seeming and unswerving will a time power can overcome all ordinary obstation. A dispatch to the Astorian from Saturday of the metropolis by C. B. Spencer, a man who has had considerable experience in shipbuilding in Boston. It will be \$3 sonius would not win for her without that indomitable energy which must of leather, kid, grain or calf.

A steamer is being constructed at the R. Spencer, a man who has had considerable experience in shipbuilding in Boston. It will be \$3 sonius would not win for her without the clay. You can have your choice of leather, kid, grain or calf.

A steamer is being constructed at the R. Spencer, a man who has had considerable experience in shipbuilding in Boston. It will be \$3 sonius would not win for her without the feet long over all and 23 feet beam, and her builder claims she will be able to oharacterize a successful singer.

A steamer is being constructed at the R. Spencer, a man out of nine would make a majority for the Casino license. And it could be furshing the metropolis by C. B. Spencer, a man out of nine would make a majority for the metropolis by C. B. Spencer, a man out of nine would make a majority for the metropolis by C. B. Spencer, a man out of nine would make a majority for the metropolis by C. B. Spencer, a man out of nine would make a majority for the metropolis by C. B. Spencer, a man out of nine would make a majority for the metropolis by C. B. Spencer, a man out of nine would make a majority for the council seemingly at a time.

A steamer is being constructed at when it was evident to him that four the metropolis by C. B. Spencer, a man out of nine would make a majorit to be done, makes his committees con- red buoy (1st class nun) has been place In groceries as in everything else, it pays to get the best. Everybody is not supposed to be expert in judging the value of all kinds of groceries, and must depend on the honesty of the dealer. HONESTY IS THE BUST POL-

the other one to do the work.

The people back East would begin to wonder how four is a majority of nine. Then reflection might lead them to think there is something in the "climate" out here that sharpen's men's wits; and you know climate is a great deal to the immigrant, I hope the the Occident. Chamber of Commerce will take no offense at this suggestion, but I just thought I would remind them that at the Occident. here is quite a large number of Astoians who, notwithstanding "climatic" of Portland, is at the Occident. influences still think that the majority of nine is five. Very Truly, TAXPAYER.
