

HEALTHY CHILDREN

Come from healthy mothers. And mothers will certainly be healthy if they take Dr. Pierce's Favorite Prescription. Nothing can equal it in building up a woman's strength, in regulating and assisting all her natural functions. It lessens the pains and burdens of child-bearing, supports and strengthens weak, nursing mothers, and promotes an abundant secretion of nourishment. It's an invigorating, restorative tonic, a soothing and bracing nerve, and a remedy for women's ills and ailments. In every chronic "female complaint" or weakness, it acts so beneficially that, once used, it is always in favor.

Delicate diseases affecting male or female, however induced, speedily and permanently cured. Illustrated book sent sealed for 10 cents in stamps. World's Dispensary Medical Association, 663 Main Street, Buffalo, N. Y.

Vulcanized rubber used for insulating electric wires is so injurious to copper that it has been found necessary to plate the wire with thin layers of zinc with unvulcanized rubber, and then cover the whole with vulcanized rubber. In this way the sulphur in the latter is prevented from acting upon the copper.

SMALL BEGINNINGS

Make great endings sometimes. Allments that we are apt to consider trifling often grow, through neglect, into atrocious maladies, dangerous in themselves, and productive of others. It is the disregard of the earlier indications of ill health which leads to the establishment of all sorts of maladies on a chronic basis. Moreover, there are certain disorders incident to the season, such as malaria and rheumatism, against which it is always desirable to fortify the system after exposure to the conditions which produce them. Cold, damp and miasmata are surely counteracted by Hostetter's Stomach Bitters. After you have incurred risk from these influences, a wineglassful of Hostetter's Stomach Bitters directly afterward should be swallowed. For malaria, dyspepsia, liver complaint, kidney and bladder trouble, nervousness and debility, it is the most deservedly popular of remedies and preventative. A wineglassful before meals promotes appetite.

A HOUSEHOLD TREASURE.

D. F. Fuller, of Cambridge, N. Y., says that he always keeps Dr. King's New Discovery in the house and his family has always found the very best results follow its use. G. A. Dykeman, Druggist, Catalina, N. Y., says that Dr. King's New Discovery is undoubtedly the best cough remedy; that he has used it in his family for eight years, and it has never failed to do all that is claimed for it. Why not try a remedy so long tried and tested. Trial bottles free. Chas. Rogers' Drug Store, Odd Fellows' Building. Regular size 50c and \$1.00.

In the sixteenth century there was a curious enactment in England whereby street hawkers were forbidden to sell plums and apples for the reason that servants and apprentices were unable to resist the sight of them, and were consequently tempted to steal their employers' money in order to enjoy the costly delicacies.

EXTENDED SYMPATHY.

"Do unto others as you would have others do unto you," is sympathetically shown in the following lines, the presumption being that sympathy is sorrow, or akin to pain or sorrow: "Gentlemen—Please send Krause's Headache Capsules, as follows: two boxes to Flora Seay, Havana, N. Dak. Two boxes to Lillie Wilcox, Brookland, N. Dak. I have always been a great sufferer from headache and your Capsules are the only thing that relieves me." Yours very truly, FLORA SEAY, Havana, N. Dak.

THE UNEXPECTED DISCHARGE OF A CANNON. Close by would not have a more disturbing effect upon the nerves which are vigorous, than an ordinary noise upon those which are weak and unstrung. As a nervous, Hostetter's Stomach Bitters is unrivaled. By promoting digestion and assimilation they overcome that gastric disorder, which is the most prolific cause of nervous debility, and which, so long as it exists, defeats in a large measure the action of sedatives and opiates. Such remedies, moreover, necessitate the use of increasing doses, and finally cease to act altogether, except in dangerous quantities. They never reach the fountain head of the trouble, and quiet the nerves only by semi-paralyzing them. Equally objectionable are fever unmedicated alcoholic stimulants. Kidney, bladder and liver trouble, malaria, constipation, and rheumatism are relieved by the Bitters, which also promotes appetite and nightly repose.

The result of its use is a speedy gain in strength, together with the agreeable consciousness that the tenure of life is being strengthened—that one is laying up a store of vitality against the unavoidable draughts which old age makes upon the system. The fortifying influence of the Bitters constitute a reliable safeguard against malaria, rheumatism and kidney trouble. Appetite and sleep improve through its use, and it protects the system from the effects of cold and damp.

You may come across that sort under one name or another. Pass on, and remember Bissell's Grand Rapids Sweeper. It comes as near to "broom work" as a machine can.
