

HEALTHY CHILDREN

Come from healthy mothers. And mothers will certainly be healthy if they take Dr. Pierce's Favorite Prescription. Nothing can equal it in building up a woman's strength, in regulating and assisting all her natural functions, in lessening the pains and burdens of child-bearing, supports and strengthens weak, nursing mothers, and promotes an abundant secretion of nourishment. It's an invigorating, restorative tonic, a soothing and bracing nerve, and a remedy for women's ills and ailments. In every chronic "female complaint" or weakness, it acts so beneficially that, once used, it is always in favor.

Delicate diseases affecting male or female, however induced, speedily and permanently cured. Illustrated book sent sealed for 10 cents in stamps. World's Dispensary Medical Association, 663 Main street, Buffalo, N. Y.

In some fatal injuries the nerve that would carry the pain to the brain is destroyed, and such accidents are almost painless. Our sense of pain is greatest in the skin, and deep wounds are therefore not more painful than shallow ones.

SMALL BEGINNINGS

Make great endings sometimes. Allments that we are apt to consider trivial often grow, through neglect, into atrocious maladies, dangerous in themselves, and productive of others. It is the disregard of the earlier indications of ill health which leads to the establishment of all sorts of chronic diseases. More or less there are certain disorders incident to the season, such as malaria and rheumatism, against which it is always desirable to fortify the system after exposure to the conditions which produce them. Cold, damp and miasma are surely counteracted by the use of Hostetter's Stomach Bitters. After you have incurred risk from these influences, a wineglassful of Hostetter's Stomach Bitters directly afterward should be taken. It cures malaria, dyspepsia, liver complaint, kidney and bladder trouble, nervousness and debility. It is the most deservedly popular of remedies and preventative. A wineglassful before meals promotes appetite.

The Japanese are now getting used to glass. At first the glass in railway car windows had to be smeared with streaks of white paint to keep passengers from poking their heads through it.

Y., says that Dr. King's New Discovery is undoubtedly the best cough remedy that he has used in his family for eight years, and it has never failed to do all that is claimed for it. Why not try a remedy so long tried and tested. Trial bottles free. Chas. Rogers' Drug Store, Odd Fellows' Building. Regular size 50c and \$1.00.

The hay barges on the Swiss lakes rowed by women standing, and the small sail boats, with tall, brown sails, very high to catch fickle winds, are among the most picturesque of craft.

EXTENDED SYMPATHY.

"Do unto others as you would have others do unto you," is sympathetically shown in the following lines, the prescription being that sympathy is born, or akin to pain or sorrow:

"Gentlemen—Please send Krause's Headache Capsules, following: Two boxes to Flora Seay, Havanna, N. Dak. Two boxes to Little Wilcox, Brookland, N. Dak. I have always had a great sufferer from headache, and your capsules are the only thing that relieves me." Yours very truly,

THE UNEXPECTED DISCHARGE OF A CANNON

Close by would not have a more disturbing effect upon the nerves which are vigorous, than an ordinary noise upon those which are weak and unstrung. As a nerve, Hostetter's Stomach Bitters is unrivaled. By promoting digestion and assimilation they overcome that gastric disorder, which is the most prolific cause of nervous debility, and which, so long as it exists, defeats in a large measure the action of sedatives and opiates. Such remedies, moreover, necessitate the use of increasing doses, and finally cease to act altogether, except in dangerous quantities. They never reach the fountain head of the trouble, and quiet the nerves only by semi-paralyzing them. Equally objectionable are fiery unmedicated alcoholic stimulants. Kidney, bladder and liver trouble, malaria, constipation, and rheumatism are relieved by the Bitters, which also promotes appetite and nightly repose.

THE KEYSTONE OF THE ARCH

In the edifice of health is vigor, which means not merely muscular energy, but an active discharge of the various functions, such as indigestion, secretion of the bile, the action of the bowels, the circulation of the blood. Nothing more actively and thoroughly contributes to the united performance of these functions than the renowned tonic and regulator, Hostetter's Stomach Bitters. The result of its use is a speedy gain in strength, together with the agreeable consciousness that the tenure of life is being strengthened—that one is laying up a store of vitality against the unavoidable draughts which old age makes upon the system. The fortifying influence of the Bitters constitutes it a reliable safeguard against malaria, rheumatism and kidney trouble. Appetite and sleep improve through its use, and it protects the system from the effects of cold and damp.

You don't want a carpet sweeper that barks the furniture or brushes the life out of the carpet, or kicks up dust in stead of gathering it, or lops its hands about for you to trip over. You may come across that sort under one name or another. Pass on, and remember Bissell's Grand Rapids Sweeper. It comes as near to "broom work" as a machine can. No noise, no drag on you to run it, almost sucks the dust up, and dumps with a touch; the brush just skims, or digs in as you press lightly or heavily on the handle.

You'll say it monopolizes the Sweeper virtue. And the price is only \$2.99.
