Washington, March 14.—The department of state is moving with deliberation in making up its case against the Spanish government based on the firing by a Spanish cruiser at the American steamship Albatross, holding that in matters of such moment it is absolutely essential that our government should be in possession of the exact facts so as to avoid the humiliation of retraction through making a demand that could not be sustained by the evidence.

AFTERNOON DISPATCHES. Entire Day Report Sent by the Associated Press. Walsenburg, March 14.—No arrests have been made in consequence of the lynching of the murderers of A. J. Hixon. The bodies of the two missing Italians have not been found. Opinion is divided as to whether they escaped or were killed. The citizens generally ensure the shooting of the prisoners and particularly the wounded man who gave himself up. It is not known whether any of the Italians who were lynched were American citizens.

Hamilton, Ohio, March 14.—Ex-Governor Campbell, after placing a glass of water to his lips at dinner last evening, arose staggering and foaming at the mouth. He managed to say, "My throat is burning." An investigation showed that a servant had placed a bottle of ammonia in the ice chest in such a way that when the lid was closed its contents were spilled into the drinking water. A physician administered antidotes quickly, but Campbell is suffering severely.
