ARTIFICIAL PROPAGATION. A Conversation About Salmon Breed ing-Mr. Hume Defended.

(Oregonian.) Salem, March 23 .- (To the Editor.)-Commenting in the presence of two others on your mention of Mr. Hume's operations in salmon breeding on the Rogue River, one of my friends, who travels about Oregon consdierable just for his own pleasure, and has more than once been at Mr. Hume's cannery, remarked that he noted complaints of Mr. Hume in the columns of the Oregonian, which he could not ascribe to any other cause than envy of the man's "For," he said, "I am very sure Mr. Hume has done more to develop the resources of that region than any dozen other men there." My other friend remarked: "Yes, and the World's Dispensary Medical Associasure Mr. Hume has done more to degood he has done, so far as the salmon interests of the Rogue river is conwas not a sport at Grant's Pass previous to Hume's beginning his hatch-

From this we pass to the probable value of the state making the most of our salmon streams by systematic artificial propagation and protection. Upon which the writer remarked that he had full faith in the possibility of stocking all the salmon streams of Oregon with the best variety that enters the Columbia river-conceded to be the Chinook.

The last friends quoted remarked he "thought there must be a natural law of adaptation that intervenes or the Chinook would get into the smaller coast streams of themselves." To this I replied that natural law unassisted produced an apple native to Oregon no pears, plums, or grapes north of Indianapolis Journal. the Umpqua valley. The native cherry is small and bitter, but with those fruits of outside introduced we could challenge the world for size and quality. The same being true as to domestic animals, I believe it will be proved as true with reference to salmon as to and cattle that graze in ou salmon, which brought out another re. for your old age?" ery conducted on the deck of a large scow or barge, moored close up to the falls of the Willamette at Oregon City;

mark which I here repeat as a sugity, if you please-of a salmon hatch- week."-TidBits. ed with a crane and large dipnet to are afflicted to procure a bottle and lift the breeding fish from the river and kept for use in "live" boxes. The mode of catching salmon at those falls Fainting Spells, or are Nervous, Sleep-mode of catching salmon at those falls. dian, standing on the end of a plank ing. like a spring board, and playing his net by pushing the hoop into the water, as far up stream and as deep as he could reach, and fetching it down stream with a sweeping motion. It was a fine sight to see a finely formed indian, naked to the waist, and with bare feet, fetch a large, struggling salmon up to the end of that almost for divorce.-Texas Siftings. aiways wet and slippery plank, and arefully carry it to the rock, on which Senerally some of his womankind were walling to receive it, and either take it fruises. Sores, Ulcers, Salt Rheum, to the embryo city for sale for 25 cents of barter, or to prepare for use or to cure by sun-drying. No such quantity of salmon reach the falls at Oregon City now as did then; but yet it seems to me for a hatchery located there in Chas. Rogers, Odd Fellows' building. generally some of his womankind were to me for a hatchery located there in some such manner as I have indicated abundance of seed fish could be taken not only to hatch large numbers there, but to send the ripe spawn by rail to the headwaters of the Siletz, Siuslaw Elk. Umpqua, and Rogue rivers. I do The World's Fair Tests not believe the essential requirements of salmon breeding are limited to any particular locality or river like the Clackamas. The whole subject is yet largely in its experimental stage. What United States Fish Commissioner Mc-Donald has learned or can learn, other no man can collect the debt unless he degestion. Good for headache, good men and women even may and can pulls off his coat and takes it from for liver complaint, good for constipa-tion. They are good. Chas. Rogers. habitants of Oregon have very great interests in preserving and increasing LOOK OUT FOR COLD WEATHER the resources of our salmon fisheries. But ride inside the Electric Lighted friend broke in with, "Well if Mr. Car trains of the Chicago, Milwaukee Hume just got a hint of the beliefs and St. Paul Railway, and you will be Hume just got a hint of the beliefs you are declaring, he would be one of the first men in Oregon to make trial of them; he is just that kind of a man." Then I replied, "I hope his days will be long in the land and his kind multiplied." If he so desires to try the Chinook, I should think he could procure the seed fish by "live" boxes sent from the Chinook spit itself by sea, and I sincerely hope he may.

others.-Boston Transcript. SWEPT BY A CYCLONE

Of approbation to the pinnicle of popularity, Hostetter's Stomach Bitters has acquired a commanding position, which has occasionally made a bright which has occasionally made a bright and shining mark for knaves, who seek to foist upon the community spurious compounds in the guise akin to that of the real article. These are mostly local bitters on tonics of great impurity, and, of course, devoid of, medicinal efficacy. Beware of them and get the genuine Bitters, a real remedy for malaria, rheumatism, kidney trouble, dyspepsia, nervousness, constipation and billousness. Physicians of eminence everywhere commend the great invigorant, for both its remedial properties and its purity. A wineglassful thrice a day will soon bring vigor and regularity to a disordered and enfeebled system.

Jack-I know it; but you see, mamma, we had an arithmetic class this afternoon, and our professor, he's a dandy, decided to give us a lesson in fancy figures on the fce, so I had to go.-Harper's Young People.

"But evil is wrough by want of

thought, As well as want of thought." By want of thought mothers allow daughters to become frail and puny. mothers. Joined to proper hygienic care, Dr. Pierce's Favorite Prescription is a priceless remedy in such allments, its value becoming even more apparent every year. Using it, the wan, debili-tated school girl gains color, flesh and spirits, losing those deathly headaches tormenting backsches. languor, dejec-

tion:- Gentlemen-I cannot sufficiently excerned, is not enjoyed by himself or local to his cannery. Salmon fishing no pain whatever. It is simply marvel-lous. You have just reason to call it your "Favorite Prescription," and to stake your reputation as a physician on it. A favorite prescription it is, indeed, to you and to thousands in this land, and I believe it will be to thousands of suffering women the world over. Yours Gratefully,

THOMAS THIRWEEL.

Asthma cured by newly discovered treatment. Pamphlet, testimonials and references free. Address World's Dispensary Medical Association, Buffalo, N. Y.

The wayworn man had fallen in the street in a very good swoon. The usual crowd gathered, and the usual manback and give him air!"

The wayworn man got up. . "Air!" said he with scorn, "Air! when I ain't! smaller than an average grape, and had nothin' but air fer t'ree days!"-

Comfortable Cottages have just been crected at Indio sta-tion, that will be rented to applicants at reasonable rates. They are fur-nished with modern conveniences, supplied with pure artesian water, and so situated as to gove occupants all the advantages to be derived from a more or less protracted residence in this de-lightful climate.

(From the San Francisco Argonaut.)

"In the heart of the great desort of the Colorado—which the Southern Pacific road traverses—there is an oasis called Indio, which, in our opinion, is the sanitarium of the earth. We believe, from personal investigation, that for certain invalids, there is no spot of this planet so favorable."

G. T. Stewart, M. D., writes: "The purity of the air, and the sternal sunshine, fill one with wonder and delight.

* * Nature has accomplished so much that there remains but little for man to do. As to its possibilities as a health resort, —here is the most perfect sunshine, with a temperature always pleasant, a perfectly dry soil for rain is an unknown factor; pure oxygen, dense atmosphere and pure water. What more can be desired? It is the place, above all others, for him. water. What more can be desired; It is the place, above all others, for lung troubles, and a paradise for rheumatics. Considering the number of sufferers who have been cured, I have no hesitancy in recommending this genial oasis as the haven of the afflicted."
