Physicians

prescribe Scott's Emulsion of Cod-liver Oil and Hypophosphites because they find their patients can tolerate it for a long time, as it does not upset the stomach nor derange the digestion like the plain oil.

Scott's Emulsion is as much easier to digest than the plain oil as milk is easier to digest than butter. Besides, the fish-fat taste is taken out of the oil, and it is almost palatable.

A THOUGHTFUL PERSON.

Consults his best interests by having a box of Krause's Headache Capsules at hand; taken as directed will prevent or stop any kind of a headache, no matter what the cause—in fact if your skull were cracked it would prevent pain. The frequency of the attacks will diminish, and by taking the capsules at the approach of a headache, you will never have another. Twenty-five cents per box.

For sale by Chas. Rogers, Astoria Oregon. Sole Agent.

A GOOD WORD.

Mr. J. J. Kell, Sharpsburg, Pa. Dear Sir:—I am glad to say a good word for Krause's Headache Capsules. After suffering for over three years with acute neuralgia and its consequent insomnia (which seemed to baffie the efforts of some of our best physicians) you suggested this remedy which gave me almost instant relief. Words fail to express the praise I should like to bestow on Krause's Headache Capsules.

Gratefully Yours, MRS. E. R. HOLMES, Montrose, Pa.

Cottolene

Thoughts for Fishermen

On a dark, stormy night, when the tide is ebbing fast and the hardy fisherman finds it almost impossible to handle his net, has he ever stopped to think, should it become caught on a snag, what brand of twine would stand the greatest strain?

Did he ever ask his brother fishermen what sort of twine they used? If so in nine cases out of ten, if they be successful fishermen, the answer has been "MARSHALL'S TWINE."
