The policy is a retaliatory one, plainly speaking. That is to say, it is intended to punish us for the action of the Democratic congress in rescinding the reciprocity treaties under which those countries enjoyed certain advantages in our markets. So long as those treaties were in force, our trade was very profitable and steadily increasing, and the benefits derived from it were mostly gained by the farmers coblighed by the Republicans, and sales in markets to which we formerly had free access. It is unreasonable, of course, to expect that foreign nations will continue to buy from us when we have practically forbidden them to sell to us under conditions mutually arranged, and our protests against their present course are not

### ITCHING AND SCAL

Dreadful Skin Disease 9 Years. Entire Body Covered. Doctors and Medicines Useless. Gave up as Useless. Cured by CUTICURA for \$4.75.

I feel it is my duty to tell you my experience with CUTICURA REMEDIES. I have been troubled for over nine years with a dreastful skin disease. When I first felt it, there appeared a few small red spots on my breast, and it hept on appreading slowly. Itstarted the same on my back, between my shouthers. A few days after the spots turned gray, and began itching. Small scales would fall off, so it continued spreading all over my body. I tried all the patient medicines I could think of or get hold of. I also consulted doctors. Yes, they would cure me in a short time, but they always failed. Then I gave it all up, thinking there was no cure for me. I noticed your advertisement in the Tacoum Mersian Globe, and thought I would try the Cuticura Rime.

To my surprise, three boxes of Curicuna cake of Curicuna Soar, and three bottle Defrous Rissonvent cared me entirely. My a is now as pure and white as that of a child.
