The income tax is as good as knocked out—root and branch. The proverbial justice and fair play of the American people will not tolerate the collection of one dollar under the law.

Most people cannot afford to experiment. They want immediate relief. That's why they use One Minute Cough Cure.

Forty-fifth Street Grade Notice. Notice is hereby given that the Common Council of the City of Astoria, have determined and intend to establish the grade of 45th street in the part of the city and out, and rescinded by John Adair, as the following appears above the base of grades for said City as established by Ordinance No. 71, entitled "Ordinance No. 71 to establish a base of grades for the streets of Astoria," as follows, to-wit:

By order of the Common Council. Attest: Auditor and Police Judge, Astoria, Oregon, April 8th, 1895.

For years the Astoria Wood Yard has given our citizens only the very best of wood and coal. They are still doing it. In fact, they are taking the lead. Why? Because they know what the public wants, and the public knows them.

When a man buys a lottery ticket and draws nothing but his breath he feels sold. When he buys his wood and coal of the Seow Bay Wood Yard, whose office is opposite Fisher Bros., he is pleased, as they sell only the best.

Mr. Humphrey has some choice Chinook salmon at his market near Regent Hall. He also has oysters that sell at a less price than at any other market in the city. He carries clams and other shell fish, and as a side issue, has a stock of Marshall's famous knitting twine.

ROYAL Baking Powder. Highest of all in leavening strength.—U. S. Government Report. GREATEST AND BEST.

The World's Fair Tests showed no baking powder so pure or so great in leavening power as the Royal.

REDUCED RATES UP THE RIVER. Commencing today, April 8th, the O. R. and N. Co. will reduce the passenger rates between Astoria and Portland to \$1.25 one way, and \$2.00 round trip.

Something new in the line of Sachet Powders just received at the Prints-Crain Drug Store.

The county court has saved a large bill of costs for the men who pay their taxes. Mr. Smith and his creditors stand a good show of getting every dollar justly due them, and the delinquent tax payers whose hands were sold to the county can now redeem them without unreasonable hardship.

The right of way committee has made a good beginning, and, at the present rate of progress, but a few days will elapse before the entire right of way from Astoria to Goble will be secured or such arrangements made for obtaining it in the near future as will justify Mr. Hammond in going ahead with the work of constructing the road.

WHAT A WORD WILL DO. Byron reminds us that a word is enough to rouse mankind to mutual slaughter. Yes, there is power in a word—Marathon, for instance, Waterloo, Gettysburg, Appomattox.

Notice is hereby given that the Common Council of the City of Astoria have determined and intend to alter the grade of 19th street in the part of the city of Astoria laid out and recorded by J. M. Whitteley, from the south line of Grand Avenue to the south line of Irving Avenue, so that the grade of said portion of said street when re-established will be at heights above the base of grades for said city as established by Ordinance No. 71, entitled "Ordinance No. 71 to establish a base of grades for the streets of Astoria," to-wit:

At the south line of Grand Avenue, 119.5 feet. At the north line of Irving Avenue, 167 feet. At the south line of Irving Avenue, 170 feet.

By those who offer substitutes for Cottolene. Its success has been so phenomenal that numerous imitations are now being offered, which are claimed to be "just as good." All these imitations lack the intrinsic merit of Cottolene, and will prove disappointing and disagreeable to those who use them.

Dr. Price's Cream Baking Powder. Awarded Gold Medal Medicine Fair, San Francisco.

No, Never.

Physicians have never been able to prescribe any other emulsion of Cod-liver Oil which would bring as satisfactory results as Scott's Emulsion.

The reasons for this are the absolute purity of its components and the superior process of its manufacture. Nobody has ever been able to imitate it. Imitations are always inferior to the real thing.

Remember that Scott's Emulsion is the great food for wasting in adults and children.
