The Astorian guarantees to its subscribers the largest circulation of any newspaper published on the Commbia river.

Advertising rates can be had on at plication to the business manager.

The Weekly Astorian, the third old est weekly in the state of Oregon, has next to the Portland Oregonian, the largest weekly circulation in the state.

Handley & Hans are our Portland agents and copies of the Astorian can be had every morning at their stand

stenal and decisive than they were on state officers in those states, Michigan and Rhode Island. where national issues entered into the canvass. The Republican majority in St. Louis on Tuesday on city officers averaged about 13,500, which beats a. breaking total of over 40,0.0. In to elections in the other cities and town in Missouri and Ininois the Repub. guine. The municipal on less in all a sas, Cotorado, Neoraska, Wisconsin, and Ohio, as a rule, teli a similar story. The special elections for members of congress in Illinois and also resulted in the Republicana' favor. In general, of course, the vote was not as heavy this week as it was in the congressional elections last November. To the extent of the vote, however, the Republican vic tory was as conspicuous as it was then, and in the case of St. Louis and Chicago it was much more marked and decisive. The meaning of all this is so clear that the wayfaring man ment. though a fool, will make no mistake in cure. Chas. Rogers. interpreting it. All over the North and West, and probably in a considerable portion of the South, the drift is in the people, to the extent of their op- of the portunity, reversed the Democratic tions five months ago, the people turned out a house with ninety Democrated out a house with ninety Democrat47 and 4-10 feet. Republican plurality of 140, there was a general impression that the Republi- straight or even line between said can high water mark had been reached. points. All over the country the Republican Republican tidal wave of 1872 will be gained by the Reputaiouns in 1895.

The following from the Denver Republican shows to what an extent to people of Colorado are beginning to recover their reason on the silver ques-

sentatives to the coming international conference, and an error equally sertous if he does not make it clearly underatood that this country proposes to walt until other nations are ready to share the work of rehabilitating sliver. No nation alone can restore ting twine, silver, and no other nation will aid United States is ready to act and carry the burden alone.
