often catch people without any rubbers or umbrellas. Then a cold is sure to follow—that is, if you don't take something to prevent it. Whiskey is a sure "celd preventor." The Office's HOPE; try it. THE OFFICE.

Your Mouths, OUR STEAKS . . .

One great basis principle of the Pal-ace Restaurant is mutual dependence. To thrive and grow, each dish must be better than any one else's. Our aim is to reach the only roomy trade place, the top. No lower idea can be permitted. And when the top, our top, is reached by any other restaurant, we will lift the top.

Eng ne r amleson has taken the matter un er onsideration.

It was incorrectly stated in yesterday's issue of the Astorian that John Norberg, was captain of the Francing, the little fishing schooner that left this port fifteen days ago for a deep sea cruise, Captain N. P. Olsen is owner and master of the schooner, and Nor berg is one of the crew. She left port on the morning of the 26th of March, and went to anchor at Fort Stevens, remaining there three days before crossing out. Mrs. Olsen was seen yesterday by an Astorian reporter, and stated that asthough Captain Olsen's felt no particular uneasiness. Her husband had said that he was going to the Sound, and though the schooner 1894 the mercantile fleet of Germany had been out sufficiently long to have made a catch and gone into port, she 129,884 register tons, and 13 sailing yes- felt that everything was all right. During the day she sent telegrams to different places on the Sound, and from answers received it appears that the schooner has not as yet put into the Straits.
