WHO WANTS TWINE? It astonishes the old time makers to see how the fishermen have taken to Marshall's twine the last few years and they may.

THE HIGH BOAT of last season over all the other boats on the river used MARSHALL'S TWINE.

WHY? Because it is the strongest. Because it has not been weakened by bleaching. Because it is sold with a guarantee that if it does not prove satisfactory it can be brought back at the end of the season.

Indio THE OASIS OF THE COLORADO DESERT

A New Health Resort. BELOW THE LEVEL OF THE SEA. Absolutely Dry and Pure Tropical Climate. Pronounced by Physicians the most Favorable in America for Sufferers from Lung Diseases and Rheumatism. Many Remarkable Cures.

The objections urged against Indio in the past by the large numbers who otherwise would have been glad to take advantage of its beneficial climate, has been a lack of suitable accommodations. The Southern Pacific Company, takes pleasure in announcing that several

have just been erected at Indio station, that will be rented to applicants at reasonable rates. They are furnished with modern conveniences, supplied with pure artesian water, and so situated as to give occupants all the advantages to be derived from a more or less protracted residence in this delightful climate.

(From the San Francisco Argonaut.) "In the heart of the great desert of the Colorado—which the Southern Pacific road traverses—there is an oasis called Indio, which, in our opinion, is one of the most beautiful spots in the West. The purity of the air, and the eternal sunshine, all one with wonder and delight. Nature has accomplished so much that there remains but little for man to do. As to its possibilities as a health resort, there is the most perfect sunshine, with a temperature always pleasant, a perfectly dry soil for rain is unknown factor, pure oxygen, dense atmosphere and pure water. What more can be desired? It is the place, above all others, for lung troubles, and a paradise for rheumatics. Considering the number of sufferers who have been cured, I have no hesitancy in recommending this spot as the haven of the afflicted."

INDIO. Its 612 miles from SAN FRANCISCO and 130 miles from LOS ANGELES. Fare from Los Angeles \$3.90. For further information inquire of any Southern Pacific Company agent, or address E. F. ROBERTS, Asst. Gen. Pass. Agt., P. O. Box 100, Cor. First and Alder Sts., Portland, Or.
