DEMOCRATIC HISTORY.

It should be remembered that after the Democratic party signally lost the confidence of the people during the war for the Union and the reconstruction period following, and was uniformly and overwhelmingly beaten in every election, a great many of the party managers thought they saw a method of success and a way to establish themselves in power by entering upon a demagogical, corrupt, and dishonest course as to money.

A BLESSED DELIVERANCE.

This is effected when the hostile disturbance of the liver, known as biliousness, ceases through the benign operation of Hostetter's Stomach Bitters. Pain in the right side and under the right shoulder blade, yellowness of the skin and eyes, "fury" upon the tongue, morning nausea, vertigo, sour breath, irregularity of the bowels, and sick headache, are among the distressing symptoms which take their departure when the great anti-bilious medicine is resorted to.

STOP, LADY, STOP!

FOUR BIG SUCCESSSES.

Having the needed merit to more than make good all the advertising claimed for them, the following four remedies have reached a phenomenal sale. Dr. King's New Discovery, for Consumption, Coughs and Colds, each bottle guaranteed—Electric Bitters, the great remedy for stomach, liver, and kidneys. Bucklen's Arnica Salve, the best in the world, and Dr. King's New Life Pills, which are a perfect pill. All these remedies are guaranteed to do just what is claimed for them, and the dealer whose name is attached herewith will be glad to tell you more of them. Sold at Chas. Rogers' Drug

seldom made as to who in reality compose the creditor class in this country. It is usually said to comprise the bondholders, the millionaires, the large capitalists and the great merchants, who have their money employed in a thousand ventures, and not only their money, but their credit also. But these do not constitute the true creditor class. The real creditor class, which should always demand the best money that is possible to be obtained, and with which can buy the largest supply for its wants, consists of the people who work for wages. Day by day they become creditors and day by day more and more money is due them.

Terrible paroxysms of coughing would last hours with little interruption and it seemed as if she could not survive them. A friend recommended Dr. King's New Discovery; it was quick in its work, and satisfactory in its results." Trial bottles free at Chas. Rogers' Drug Store. Regular size 50¢.
