#### THERE

Are going to be a lot of well-dressed men in the city this spring-of course we inven't made all their clothes-but we think if you ask every third man you meet where he got his suit-and o course he will say (that is, if it's tallo made) McDomsid's. He may not tel you how much the saved, but you can just jot it down that it was worth saving-by the way-he may have on one of our \$35 suits and you'll think It cost \$50-but of course you're judg ing by what you usually pay others.

The Oregon Telephone and Telegraph Company, who own the local telephone system, have under serious contemplation a line to Seaside and Gearhart Park in time for next season's visitors. The only obstacle in the way of building the line at once is Young's Bay, which, in the absence of a bridge, would have ito be crossed with an ex-Bay, which, in the absence of a bridge, would have to be crossed with an expensive cable. If the bridge is completed this summer, then direct connection with Seaside could be made without much trouble. A line to Seaside would probably pay from the start, especially during the summer months, and during the winter season thede are enough residents on the Plains to at least pay the expenses of maintaining and operating such a line. Of course when Astoria has long distance connection with Portland and other interior citles, the revenue would increase greatly. increase greatly.

The O. R. and N. Co. have not only reduced one way rates to \$1.00 and round trip rates to \$1.50, between Portland and Astoria, but they have again placed in service the fast and popular steamer T.
