so rapidly developing since the recent victory of Japan, and overshadowing the east in natural resources and importance. All this is not only possible, but probable in the near future.

THE NATION'S HEROES. Today Their Graves Will Be Decorated Throughout the Land. In memory of the brave soldiers who fought for their country's honor, who either laid down their lives on the battlefield or returned home with the scars of bloody strife, and have since passed away to the great beyond, today will be kept sacred.

The policy which it is announced that the Northern Pacific will adopt under its reorganization scheme will, if followed out, do a great deal more for the development of the country than the building of another transcontinental line.

Every acre of ground put in cultivation means that much added to the gross income of the country.
