The time has arrived when all the people of Astoria must come forward and share some of the burden and risk incident to putting the railroad enterprise on a footing that will induce Mr. Hammond to go ahead with it.

The beautiful and touching custom, so generally prevalent west of the Missouri river, of furnishing the public school children with flags and permitting them to march, under charge of their teachers, in the processions of grizzled and battle-scarred veterans on Memorial Day, is worthy of perpetuation and imitation in every section of the country.

Notice is hereby given that the partnership heretofore existing between the undersigned, under the firm name and style Oregon Transportation Company, is this day dissolved by mutual consent.

From a letter written by Rev. J. Gundert, of Dimondale, Mich., we are permitted to make this extract: "I have no hesitation in recommending Dr. King's New Discovery, as the results were almost marvellous in the case of my wife."

As Mr. Hare thinks we are usurping his prerogative in tax collecting, I will ask him to permit the following:

"Tempus fugit," don't you know, sometimes crawling like a crow, may be fast or may be slow.

Harness "Temous" to a load, start him over a Clatsop road, walking down some Clatsop trail, with mud mud as through his tail, couldn't "rugs," if he tried, in a mud hole stuck and died.

Is not more treacherous than nerves depicted or overstrained. Nights of unrest followed by days of discomfort are the common lot of the nervous.

Why do people complain of hard times, when any woman or man can make from \$5 to \$10 a day easily.

Why Not make the baby fat? For the thin baby is delicate, and is not half so cunning.

Give the thin baby Scott's Emulsion of Cod-liver Oil with Hypophosphites.

Scott's Emulsion is as easy a food as milk. It is much more effective in making thin babies fat, and they like it.

If all the babies that have been made fat and chubby and well by Scott's Emulsion could only tell their story to the mothers of other sickly babies!

The World's Fair Tests showed no baking powder so pure or so great in leavening power as the Royal.
