TO THE MAN WHO PACKS IT.

Although there may be some cannerymen in the country who know how to run newspapers, it does not necessarily follow that there are newspaper men who know how to run canneries, and experience teaches us that there is no rebuff so easlly or so quickly bred as the one that follows an attempt to teach a man how to conduct his own business. Nor do we propose at this time to do more than throw out a few hints to the salmon packers of this river, which are tendered occass who had been "perdiciously solely that the reforms indicated may active" for Mr. Cleveland, Public Pneumonia, succeeding La Grippe. Terof Astoria and the state of Oregon at reformer in seeking to have civil serlarge, "The education of the consumer" is progressing, and it is because we be- This is in line with civil service reform, lieve that the "education of the pro- of which the president stands as sponsor. vider" should always keep a little ahead, Seeing that there are nine chances out that we address ourselves today to the of ten that a republican administration men on whose prosperity depends in a will succeed the present one, Mr. Clevegreat measure the prosperity of every land is seeking the retention in office of resident of this city.

How any body of business men with the The most striking example of this is the quick wit necessary to have built up a internal revenue office. Civil service relarge and lucrative trade could delib- form is an excellent thing and should be erately stand out against organization so long as the salmon packers have done there is not some better means of adhas always been a source of surprise to vancing the cause than by retaining a great many people. Though attempt thousands of democrats in office, the after attempt has been made to bring the majority of whom could not pass a civil industry under one head, they have at service examination. ways failed completely. As far as we can learn the reasons for these failures have generally been of the most trivial aditorship of the Astorian, in order to description, never trending on any serious in a moment. With all the history of the and will be followed to his new field of ney trouble, it excells. Prive 75 cts. canned goods in other states before them, labor by the best wishes of his associates with all the excellent results of organi- on the Astorian. Mr. W. C. Cowgill, sation held up to them from twenty late of the editorial staff of the Portdifferent localities, how is it that the land Sun, succeeds to the place made object has not yet been accomplished? vacant by Mr. Smith's retirement. It is because the few level headed men who have labored for years, giving their time and money cheerfully to the fur- ing it in the East as if they had licked therance of this object, have, we regret China thomselves. They have now noto say, only labored spasmodically. They tifled the Celestial government they do have, it is true, sown good seed, but it not approve of the proposed concession has not been cared for by systematic and of a railroad right of way to an Amerdetermined effort. There are half a dozen | tean syndicate, which offered in return to packers in this city who, if they once advance money to pay the indemnity to stood up shoulder to shoulder for organs Japan. isation, with the determination to carry tt through and never to let go till they did, would gain their end in a wonderfully abort time. The first lesson of the canners' education, then, is a simple word of three syllables-organize, organise; organize.

Lesson number two is an old story but the packers want to take it to heart it alone upon the principle "that to give today as much as they did when they a calf plenty of rope and it will hang but the packers want to take it to heart maw it at the head of their copybooks at school-"Honest Perseverence brings Success." The Acolian harp, that most delicate of all musical instruments, is not more quick to respond to a breath or wind than is public opinion to recognize and stand by genuine merit. Canners the end of the rope do not propose to hang themselves, but, on the contrary, have seen its fallacies and have dropped it. Wefeel safe in saying that this issue will be as promptly met at the polls and as surely defeated should the civerites attempt to put it is a surely defeated should the salverites attempt to put It to an issue. should never make the mistake of supposing that a little additional labor, a little extra care in the packing of their product, is wasted. It pays for itself a Gold Hill Miner. hundred times over in the long run. It is a mistake, too, to believe that goods which are placed on the markets of the home. From this ledge, in a single day, they secured fully \$1,500—and the end is not yet. The golden treasure was found at the grass roots. One piece of the rotworld to appeal to purchasers solely on the score of superior merit can be turned out in a niggardly manner. Money, and out in a niggardly manner. Money, and ten quartz contains at least \$100, and is plenty of it, must be thrown into the clearly one-half gold. These fortunate business with a lavish hand before such gentlemen are crushing their product in pretensions can be expected to hold good after a trial. We know that one or two of the canners on this river are gased at open-eyed by their fellow-workgased at open-eyed by their fellow-workers because they seem to be throwing about two miles from Gold Hill. too much capital into the development of their business. It seems to us, however, that these men know perfectly well what they are doing, and that they have foresight enough to look ahead, and pluck
crough to know that the expenditure of
every additional dollar, rightly applied,
means the gradual accession of a great
and permanent trade. It is another mistake for cannerymen to imagine that the
best class of jobbers are not willing
prondency will give way to hope and The Plaindealer. and anxious to pay more for the best spondency will give way to hope and goods than they ordinarily give. Jobbers our people will again be happy and continued to the constantly tented. on the lookout. It is as much to their interest as it is to the canners' to bring the public taste for Talmon up to a high Valley Transcript. standard, and they recognize, and cheerfully pay for, material in the preparation of which a packer has expended
