Madison, June 8.—The Oregon Short Line and Utah Northern receivership cases have been argued down to the point where about the only difference between the contending parties seems to be whether there shall be one or two receivers appointed. The Union Pacific insists on an associate receiver, while the loan companies insist that such an appointment would defeat the whole purpose of a separate receivership because of the brief time which would be given to raise the money to be paid, until July 1. A decision is expected Monday.

## TALLANT RUNS WELL

**He Won the Half Mile and Broke the Record.**

**BIG CROWD IN ATTENDANCE**

**Though Taken Ill on the Track Astoria's Man Runs Nearly a Dead Heat in the Mile.**

Portland, June 8.—(Special to Astorian.)—The spring games of the Multnomah Amateur Athletic Club today were held in the presence of 5,000 people. The day was delightful but very warm for the runners. Astoria's delegation drove into the grounds shortly before the races began in a four-in-hand beautifully decorated with blue and white, the A. F. C. colors.

Five men started in the half mile race. As Tallant, the Astoria long-distance champion, took his place, he was heartily cheered, the new club yell being particularly conspicuous. The race was an excellent one. Parsons, a Tacoma man, with 30 yards handicap, took the lead and held it for two hundred yards, when Tallant, who started from scratch, caught him, and racing beautifully was never reached again. He finished strong in 3 minutes 4 seconds, breaking his own previous record by 3 seconds, and the Northwest record by four seconds.

The mile race was by far the most brilliant event of the day. There were five starters, Tallant being the only scratch man. They got away well together, with P. J. Brance 65 yards in the lead. Curtis, of Tacoma 60 yards, changed places with Brance half way round the first lap, and got well away from the bunch. Tallant started in at a clinching pace and at the end of the first lap had caught and passed the whole field with the exception of Curtis, and slowly began to close up on the leader. At the end of the second lap Tallant showed perceptibly, troubled with severe pains in the side and stomach. On the last lap, however, he pulled himself together, and though it was seen that he was running with difficulty, gradually gained on Curtis. On the last lap he made a grand spurt and beat the tape neck and neck with the Tacoma man. Both finished at both ends as they finished one of the finest and closest races ever run on the Multnomah field. Both finished after the race was over, and had to be assisted from the field. The judges of the quarter mile race were won by Martin, of Tacoma, in 53 3/4 seconds. Tallant did not compete in this event.

One hundred yards—Won by McGregor, of Tacoma, in 10 3/4 seconds.

Two hundred and twenty yards—Won by McGregor in 23 3/4 seconds, 5 1/2 yards handicap. This is about equal to record time.

## MISSOURI DEMOCRATS

St. Joseph, Mo., June 8.—The Democratic central committee today passed resolutions favoring a state silver convention. **EDMONTON FOUND GUILTY.**

Tacoma, June 8.—A Ledger special from North Yakima says that after deliberating 3 hours and taking forty ballots, the jury in the Edmonton trial brought in a verdict against the defendant this morning. The result was a great surprise. Edmonton was a banker at Walla Walla and was charged with receiving money from the bank became insolvent. On the first trial the jury disagreed and the case was taken to Yakima on a change of venue.
