Well Pleased!

All my customers are well pleased with the value of their purchases at my store, for the following reasons, viz.:—

First—That the garments are cut full in size.

Second—They are cut in style and to fit.

Third—They are made strong and the durability.

Fourth—They are sold at low prices.

Fifth—They are guaranteed to be as represented, and one person's dollar goes as far as another's.
