s.derable trouble in completing the improvinent on Bond street in Upper Astoria. Several times the council have given them an extension of time in which complete the contract, but the work not yet done and at the last me the council the contractors asked for fur-ther time which will no doubt be granted. The trouble seems to be at a point above is continually sliding. The damage The largest and finest assortment of by the large side which occurred last ranos and organs ever seen in Astoria Thurstay evening had no sooner been fixed, when another occurring the following night, did a greater injury and will necessitate the expense of a few more days. Fully 1000 yards of dirt was car-ried away in the cave-in Friday night, The contractors hope to have the work finished by the end of the coming week.

The Calthiamet Gazette of Friday has the following to say of the powder ex-plosion which occurred near that place lust week and which resulted in the death of James Flak; "The whole affair is shrouded in mystery and will likely ramain so. A rumor was afloat that there was half a ton of gant powder in the was half a ton of grant powder in the house, but an examination of the premises proved this to be a false report, there being only one box missing out of the shall he kept it in. How part of it got into the house can only be conjectured. Some think it was accidental, and others think otherwise. Mr. Fisk has had some financial trouble during the past year which no doubt weighed heavily on his mind, and it is thought by some that he wished to end his days and book this means of accomplishing it. Mr. Fisk was one of the best-known loggers on the Columbia and a man of generous im-

P. H. Halferty, the clam canner of Warrenton, was in Astoria Fuday. While here he purchased a new wagon and a new suit of clothes and with the wagon started on the Dwyer for home. MARSHALL J. KINNEY.

His Promises to the Railroad Subsidy Are Fuffilled. He Is Not Holding Back West S.de Property, but Hus Been One of the Most Liberal Givers to the Rallroad.

Reference has been made in the Asto Reference has been made in the Astordan to the charge that I am holding back "west side" property which I had promised to the subsidy. I wish to state that I have given every foot of land that was ever promised to intimated would be given by me as subsidy, on the west side, as well as on the east and central property.

Estimating the land I have donated inside and outside, not at any flotitious value, but what it originally and actually cost me in cash, together with my donations in money, I find that I have given over \$30,000.

This amount is exclusive of the heavy burden of carrying for a long time, and especially during the last two years, of business depression, at a very great loss and inconvenience to me, a large part of the Seaside Road, for the sole purpose of preventing its falling into hands unfriendly to a "railroad to Assoria." friendly to a "railroad to Astoria."

Certainly the people of Astoria at this late day will give me credit for having done my full share for the city's prospir-ity and development. M. J. KINNEY.

LOOK OUT FOR THEM. Two Carloads of Kimball Planos and Organs Are Coming. The largest and finest shipment ever

brought to Astoria. I am pleased to announce to the music loving public and my friends of Astoria. loving public and my friends of Astoria, that two carloads of Kimbail planes and organs left our factory in Chicago for Astoria on July 3. This shipment contains an elegant assortment of planos of ail styles, e.ses and prices, from a plain case to our handsomest cabinet grand upright containing our world's fair scale. It also embraces a fine assortment of organs from a plain neat case to a most elaborate case with French plate mirrors.

plate mirrors.

These instruments will be sold to private buyers by the manufacturers direct at wholesale prices, plus the expense of taying them down at Astoria. This will give every one a chance to get a high grade instrument from first hand and save Mr. VanSenden, identified with the United States treasury department, was a passenger from San Francesco for Fortland on the steamship State of California and on the steamship State of California yesterday.
