## OREGON'S PRIVATE TRADERS.

Many leading grocery houses publish dead failure us a revenue getter, the newspapers in their own interest. Does Democracy are now looking about for It pay them? It is no answer to this some American industry to tax for revequery to say that if it did not, these senisfble merchants would promptly stop. | tax of a dollar on beer. The McKinley bill Pride, fear, miscalculation, commitment, lowered the tax on tobacco from 8 to 6 all block the way. Cost stretches like a cents per pound. The burgullions want to rubber band, and profits contract in equal restore the tax to 8 cents. But unforturatio. Influence and time are sold too nately for the free-trailers, the Repub cheapty. The goodwill and push of the licans have a majority in the lower house firm ure worth more than they get for of congress, who are in favoring of levy them. The time of the principal should ing a tax for revenue, not on Americans be measured by his profits, not by those but upon foreign manufacturers. of the paper. Dignity and discount slide away together, while some tragedian who has enistateen his calling earns as an editor the ducate he missed on the stage, or some clergyman points his periods in a style rather Biblical than commercial. Am outsider, especially one who has passed through all the experiences of the case, is more competent to measure many of the difficulties than those who are committed to the error. After more than twenty years connection with this subject I do not healtute to assert that the over there for American securities, wheregreat majority of houses who run newsas before the defeat of the Democratic papers are, or should be, very sorry that party last fall they were being sent back they ever started them. If most of them here in targe quantities. had to do it over again they would not begin, and not a few (and these the very largest) have openly assorted that if portance to the country just now than other tenders would give up their papers | the sliver question. A few more advances they would do likewise. But the per- in the price of fron will leave nothing of sonal organ is like the shirt of Nessus- the sliver question but a malodorous remnot easily shaken off.

The time taken, the influence wasted. the complications that arise, the stock that is pited up, are all of the most expensive character. It is the head of the thouse who is constantly consulted, the indorse any other kind, directly or indimost valuable influence of the house that is strained, the highest relations of its reputation that are dragged through the dirt, and the coscilest, although the most unsalable goods, that are gathered into

Costs! They ure "out of sight" in a double sense. Not seen, not measured, and indeed, beyond the ordinary measures of the grocery trade. The house-organ pian of legislation in line with the actual publisher is not treating with un eighth on sugar or a five per cent profit on the bulk of his goods, but pays fifty per cent commession to the subscription agent and 1800 was enacted arose from the snability 25 to 33 1-3 to the advertising solicitor. In of contain sensitors to group the fact that every stan of the transaction be in our every step of the transaction he is out of his natural element, decling with fac-tors to which he is witerly unaccustomed, and with figures which rather conceal offense of the last Democratic congress and with figures which rather conceal the real cost than show him what he te expending.

At what rate shall we culculate the loss of time? Is the principal parmer making \$30,000 a year? Does the house-organ either monopolize or break up one hour be the confiniting one in the next great cach day fr him? Then his expense of contest. To meet it with the success they ought to achieve Republican leaders time, in connection with the publication, is \$2,000. He abound charge such a safary to the paper. Would be undertake to manage a canning factory and give the same amount of capital, time and care to it for a less sum than \$2,000? A clearheaded business man will make no more mistaken allowance in favor of the newspaper, than when lending his time, money and influence to a mine, a stock company or a fand wshome.

Then what a waste of influence is there? The bartering of the influence of a great house is worth something. If the majority of the publishers of house organs look over their pust experiences, they will find that they have, through organ, committed wheir house to the pushing of dozene of urticles which now ite heavy on the shelves of the grocers upon which they forced them, while not a little of the stock lies in their own wurehouses unsalable and deberiorsting. The influence of a great house should be sold at the highest price, but It is thrown in by the advertising solicftor as a more makeweight in the trans-

Into what complications does the houseorgan lead the house. Rows without end: Hes coming home to roost; changes of canvassers, printers and editors. In the representations of the cunvassers, the jendousies of the clerks who envy the commissions, the sassumption of the editors, the criticisms of the trade, the complaints of the manufacturers, the insinuacton that it is blackmail, the assertion that it is a big discount to make, the ever-repeated cluim that the transactions are unprofitable-ull those tend to swell the real expenses, while the actual re-

It has come to be a common thing to hear the tariff spoken of us a dead issue. Democrats generally recognize the fact that their party has made such a miserable failure of its efforts at reform that ther would gladly see the subject relegated to the rear would gladly see the subject relegated to the rear until their folly is forgotten. But it is still a live subject and one that will enter the green attention by contact will be given attention by contact will not be "packed from Sold by J. W. Conn."

DUANE STREET INPROVEMENT NO-

Notice is hereby given that the Com-mon Council of the City of Astoria, Oregon, have determined to improve Du-ane street from the east side of 6th street in the City of Astoria as laid out and recorded by J. M. Shively, by removing all of the old structure now on said street and driving plies, laying caps and stringers and planking to full width, including a salewalks, through the northernmost ling adewalks, through the northernmost covering as above, through the next 10 feet. By setting the mud siles and covering as above, through the next 10 feet south and by grading and filling the remaining 20 feet, all to the established grade, and building sidewalks, gueters.

And Ith street from the east side of 5th street to the west side of 12th street (except the crossings of 7th, 9th and 11th street) in the city of Astoria, and list regular meeting of the common council: Resolved, That the city auditor be and sound fir plies, posts and sills wherever necessary, and new caps and stringers, and planking the same with new and sound fir plank four inches in think. ever necessary, and new caps and stringers, and planking the same with new and sound fir plank four inches in thinkness over the trestle work, and three inches in thickness on the solid ground, and by building sidewalks on both sides thereof; all the improvements to be made to the full width and established grade of said street, and to include railings where necessary, and to be done in accordance with plans and specifications and ordinances in relation thereto.

The lands and premises upon which the special assessment shall be levied to defray the cost and expense of such improvement and the district embracing said lands and premises be, and the same are designated as follows, to-wit:

Commencing at the southwest corner of Lot one (I) of Biock Numbered 40, thence easterly allow the control of the caps and ordinance in relation thereof.

ORDINANCE NO. 1341.

Sec. 21—Any person or persons who shall fire off or discharge any ordnance, shall fire off or discharge any ordnance, shall be sanitarium of the earth. We be lieve, from personal investigation, that the sanitarium of the earth. We be sinches in thickness on the solid ground, shall fire off or discharge any ordnance, shall fire off or Lot one (1) of Block Numbered 40, thence casterly along the center lines of Blocks 40, 41, 42, 43, 44, and 64, to the eastern

boundaries of Block Numbered 64, thence northerly along eastern boundaries of 

Estimates of the expense of such improvements and plans and diagrams of such work or improvement and of the locallity to be improved, have been deposit-ed by the city surveyor with the auditor and police judge for examination and may be inspected at the office of such officer.

At the next regular meeting of the Common Council, after the final publica tion of this notice, towit: On Wednesday, August 7th, 1895, at the hour of 7:30 p. m at the City Hall, the said council will con-sider any objections to such im-provement being made, and if a remonby persons owning more than one-half of the property in such district herein de-scribed, and in which the special assess-ment is to be levied, shall be flied with the Auditor and Police Judge before the said time of meeting, of the Common

rence of all the Councilmen elect.
